Bangalore 560 076

January 19, 2018

**CIRCULAR**  
**IMPLANT WORKSHOP**

We are happy to inform that we are conducting a Implant workshop for three days from 30/01/2018 to 01/02/2018 in our college for interns, PG's and staff. This will be the first of a series of workshop by the implant department which will be very informative and illustrative.

**The three day workshop would include:**

**Day 1: Morning Session - Lecture Session**  
Afternoon Session - Live Surgery

**Day 2: Morning Session - Table Clinic**  
Afternoon Session - Live Surgery & placement of implants under guidance of Resource by delegates

**Day3: Morning - Placement of implants by delegates under guidance of Resource Persons**

This workshop with hands on course is sponsored by reputed company JD Evolution Implants with the following mentors:

- 1. Prof. Dr. Anuradha Navaneeth - Dr MR Ambedkar Dental College, Bangalore**
- 2. Prof. Dr. Vinayak Gowda - VS Dental College, Bangalore**
- 3. Prof. Dr. Ramesh Choudhary - Rajarajeshwari Dental College, Bangalore**

Study material will be given ahead of time.

All HOD's, staff are requested to participate along with PG's and staff.

## COMPREHENSIVE IMPLANTOLOGY WORKSHOP (2018)

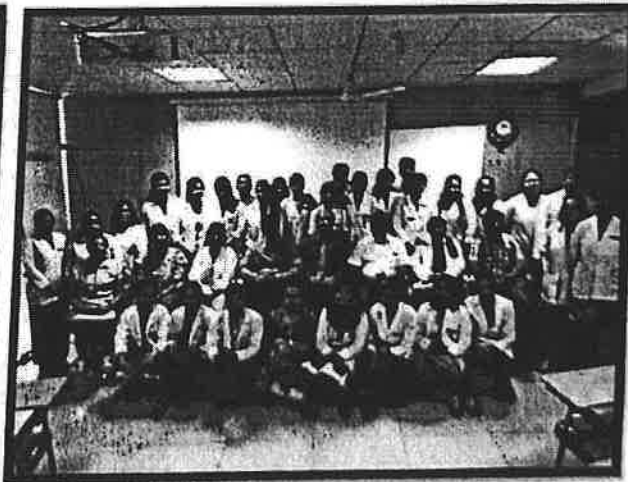

A 3-day Comprehensive IMPLANT Workshop was held at Dayananda Sagar College of Dental Sciences, Bangalore, on 30Jan -1 Feb, 2018

It was an intense, knowledge filled, skill enhancing program & first of its kind workshops done by our institution. The beneficiaries were our Interns, PG students & staff members, who made use of this program to the maximum extent. The program was the result of a collective effort of 4 departments (Departments of Periodontics, Oral Medicine, Oral Surgery, & Prosthodontics). The workshop comprised of didactic lectures by three well known resource persons- Dr. Anuradha Navneetham, Dr. Vinayak Gowda and Dr. Ramesh Chowdary, one lecture on each day.

A live surgery on a patient was conducted by a very reputed resource person, Prof. Dr. Anuradha (An Oral & Maxillofacial Surgeon & a former employee of DSCDS). Demonstration of placement of implants on dummy mandible was given by Dr. Vinayak, following which all the delegates had their hands on course.

The next 2 days were filled by PGs and staff delegates placing a total of 14 implants on patients, an all-time DSCDS record till date. These surgeries were guided by Professor, Dr. Vinayak Gowda. The program ended by a valedictory function.

# Comprehensive Implant Workshop 2019

## Introduction

Dayananda Sagar College of Dental Sciences recognizes the need for our students and faculty to periodically upgrade their skills. One such area is in the field of Dental implants. The institution will be conducting a comprehensive implant workshop every year, both for our students and faculty and is open to outside delegates too. This will be a multisystem Implant course conducted by the college and is a comprehensive course for the participant wishing to have an implant practice. It is a requirement for the practicing Dental surgeon to have a specific training in the field, to have a thorough knowledge and to develop a promising career in the field of Implant dentistry.

Participants will be given a one to one training with live surgical demonstrations as well as a hands-on clinical experience to treat their own patients under supervision.

## Goals

The goal of this program is to make our faculty and students competent in the field of Dental Implantology and periodically upgrade their skills and knowledge in this advancing field.

## Objectives

This course will enable delegates

- To perform surgical Dental Implant procedure at Dayananda Sagar College of Dental Sciences under one to one guidance of the mentor
- To have thorough knowledge of the anatomy, diagnosis, treatment planning and radiological assessment.
- To identify, clinically assess patients as well as plan the treatment under the guidance and supervision of trained personnel.
- Know the types, indications and materials used for implants.
- Be knowledgeable about the bone (radiologically) and soft tissue preservation techniques.
- Be well versed in the process of Osseointegration.
- Advanced knowledge of the surgical aspect of the implant placement and manage complications.
- To restore form, function, esthetics and overall oral health.
- To know the importance of recall and periodic examination.
- Review of clinical cases, follow up and post-operative care of the case.
- To acquire confidence, precision and practical skills in implant dentistry
- To educate patients on maintenance and importance of review.

# Comprehensive Implant Workshop

2019

## Resource Persons

Dr. Jigna V.  
Raja

Dr. Revan  
Joshi

Dr. Vinayak  
Gowda

Dr. Deepak  
Shiva

Dr. Ramesh  
Chowdary

Dr. Rajesh  
Panchaneni

Dr. Rajkumar G.C.

Dr. Manjunath B.

## Implant Training Highlights

Includes four modules

- Pre-clinical module
- Surgical module
- Prosthetic module
- Advanced techniques and supportive therapy

## Pre-clinical Module

The course intends the trainee to have a thorough knowledge of the anatomical, radiological and clinical aspects as well as assessment of the patient before the clinical training program and includes didactic training program of the same for 20-25 hours

Hands-on

- Radiological assessment- OPG, CBCT scan
- Scrubbing and gowning and preparation of the patient
- Preparation of surgical stents on models
- Incision techniques, raising of flaps and suturing techniques on models
- Surgical placement of implants on dummies using various systems

## Surgical Module

Includes Didactic lectures and guidance for placement of 2 implants on patients under supervision of the trained personnel with prior case discussion

## Prosthetic Module

Includes didactic lectures on Prosthetic rehabilitation of implant in patients and post-operative follow up

Hands-on

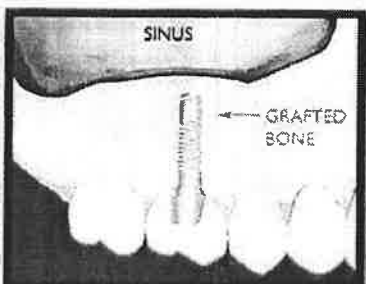

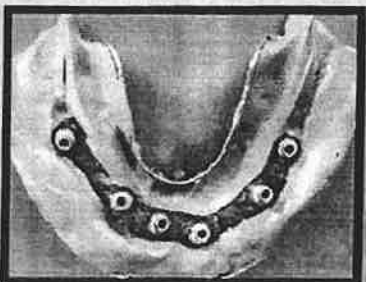

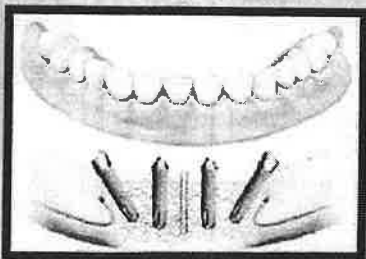

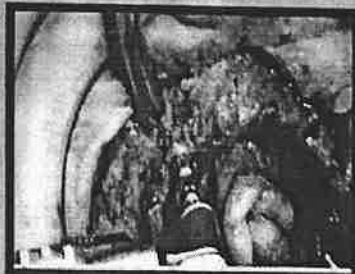

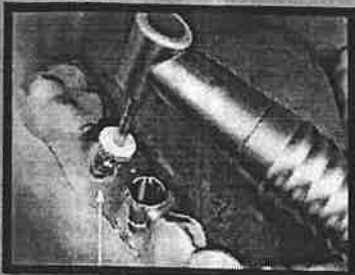

- Prosthetic phase of implant placement
- Mock preparation
- Impression technique
- Various components (identifying)
- Pouring casts
- Implant maintenance

## Advanced Techniques & Supportive Therapy

Includes didactic lectures to gain knowledge of the advanced surgical implant procedures and live demonstration

# Comprehensive Implant Workshop

2019

## Eligibility to the Surgical Module

A written examination will be conducted at the end of 1<sup>st</sup> module. Eligibility criteria to be fulfilled to attend the 2<sup>nd</sup> module.

## Details of the course Fees

Course fees for the Comprehensive Implant Workshop is as follows :-

Post Graduates: Rs. 14,000/-

which includes Didactic lectures and guidance for placing implants on patients under supervision of the trained personnel

Interns: Rs. 3,900/-

which includes Didactic lectures in all 4 modules and pre-clinical hands-on exercises.

## Scheduled dates

- Preclinical module- Feb 2019
- Surgical module- March 2019
- Prosthetic module- April 2019
- Supportive therapy and advanced surgical module- May 2019

Dayananda Sagar College of Dental Sciences  
Kumaraswamy Layout,  
Bangalore - 560 078.

The didactic part of the surgical module (second module) was conducted at the Dept. of Oral Surgery from 28<sup>th</sup> March till 29<sup>th</sup> March 2019. The lectures were covered by our staff prior to the hands-on workshop as a 2 - full day program.

This time, we had developed a protocol, where the delegates had to give an exam before taking up the 2<sup>nd</sup> module. This time we collected feedback in an e-format for the lectures & the workshop conducted.

The study material for all the lectures of Modules 1 & 2 were mailed to all the delegates well in advance to facilitate learning & in a process of providing study material to the participants.

The surgical hands-on module was conducted from 8<sup>th</sup> - 10<sup>th</sup> April 2019, which gave a wonderful hands-on training to all the delegates by making them place implants on dummy mandibles as well as on patients. This module was a coordinated effort of four departments: Departments of Oral Medicine and Radiology, Oral Surgery, Periodontics and Prosthodontics conducted with the help of renowned external resource persons Dr Vinayak Gowda and Dr. Deepak. The programme was inaugurated by the Chief Guest, Dr. A.N.N Murthy, honourable Vice Chancellor of DSU and our beloved Secretary Shri Galiswamy as guest of honour. Dr ANN Murthy has helped by signing an MOU for a collaborative project with Aerospace Engineering, DSU.

In 3 days we placed 20 implants as compared to placement of only 30 implants in 5 whole years between 2013 to 2018. All 3 days, cases done by delegates were guided by the resource persons by personally being present in the Minor-OT giving inputs for the implant placement & helping them with each step right from case of the surgical procedure.

Some interesting & challenging cases were chosen for live demonstration by the resource persons Dr Vinayak Gowda and Dr Deepak Shiva who efficiently demonstrated their skills with detailed explanation of each step. The department of Oral Surgery has now been equipped with a TV & facility to project live, the proceedings from the Minor-OT, which was utilized well for the 2-way interaction between the resource persons & the delegates. It was a unique & memorable experience for the delegates at DSCDS, which all of them enjoyed

~~PRINCIPAL~~  
Dayananda Sagar College of Dental Sciences  
Kumaraswamy Layout,  
Bangalore - 560 073.

thoroughly, where many questions raised by the delegates were clarified by the resource persons.

The responses for the training were extremely satisfactory and encouraging. Overall, the delegates enjoyed and liked the hands-on training and appreciated the enthusiasm, motivation, patience and cooperation of the resource persons during the conduction of the workshop. They appreciated & acknowledged the fact of demonstrating unique cases, which they usually don't find in regular textbooks.

The implants placed in this module will be restored in a 2-day program of 3<sup>rd</sup> module where the implants will be restored with crowns facilitating proper function and esthetics.

The workshop ended on 10<sup>th</sup> April with a panel discussion, valedictory & a photo session.

DSCDS/Notice/2020/3

February 3, 2020

**NOTICE**

All the Faculty, Postgraduate students and interns are hereby informed that The Comprehensive Implant Workshop 2020 will be held between February and June 2020. This workshop to be held in 4 modules with tentative dates as follows:

**Module 1: Basics and Pre clinical exercises**

Sl No.	Particulars	Dates
1	Basic Lectures	10-02-2020 and 11-02-2020
2	CBCT lecture and Hands on	12-02-2020
3	Pre Clinical Exercises	19-02-2020 and 20-02-2020
4	Surgical Module eligibility Written Examination	22-02-2020

**Module 2: Surgical**

Sl.No.	Particulars	Dates
1	Case presentation	15-04-2020 to 17-04-2020
2	Case demonstration and hands on	21-04-2020 to 24-04-2020 (Tentative)

**Module 3: Prosthetic**

Sl No.	Particulars	Dates
1		May 3 <sup>rd</sup> Week (Tentative)

**Module 3: Advanced**

Sl. No.	Particulars	Dates
1		June 1 <sup>st</sup> Week (Tentative)

**Course Registration Fee:**

Category	Amount	Course content
1 <sup>st</sup> Year Postgraduates of OMRD, PHD, OFMS PROSTHO & PERIO and Interns	15,000/-	Didactic lectures, preclinical exercises, surgical demonstration and guidance for placing implants on patients under supervision of trained person, advanced module.
Interns and other Postgraduate students not mentioned above.	3,900/-	Didactic lectures in all four modules, preclinical exercises, surgical demonstration and advanced module.

## Implant Training Highlights

Includes four modules

- Pre-clinical module
- Surgical module
- Prosthetic module
- Advanced techniques and supportivetherapy

### Pre-clinical Module

The course intends the trainee to have a thorough knowledge of the anatomical, radiological and clinical aspects as well as assessment of the patient before the clinical training program and includes didactic training program of the same for 20 hours.

Hands - on

- Radiological assessment - OPG, CBCT scan
- Preparation of patient prior to surgery
- Preparation of surgical stents on models
- Incision techniques, reflection and elevation of flaps and suturing techniques on models
- Placement of implants on dummy models

### Surgical Module

Includes Didactic lectures and guidance for placement of implants on patients under supervision of the trained personnel with prior case discussion

### Prosthetic Module

Includes didactic lectures on Prosthetic rehabilitation of implant in patients

Hands - on

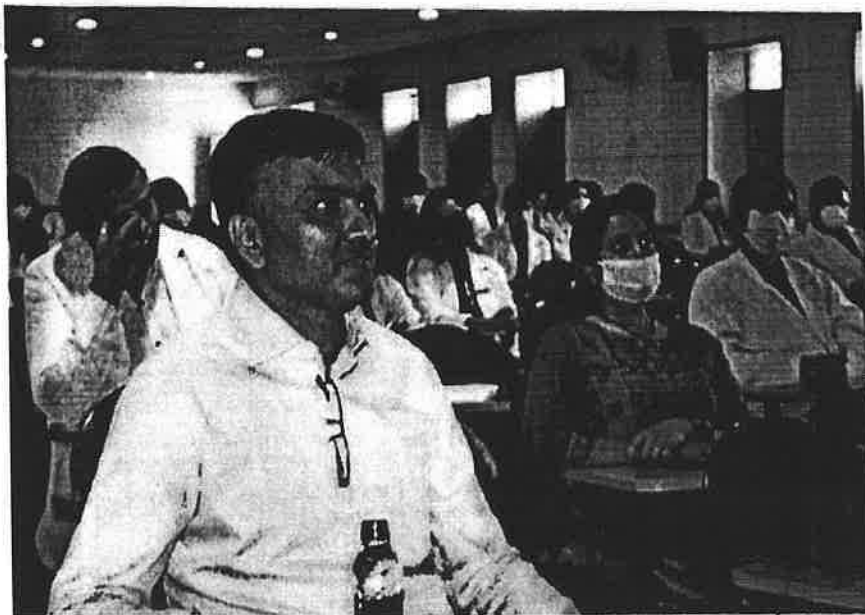

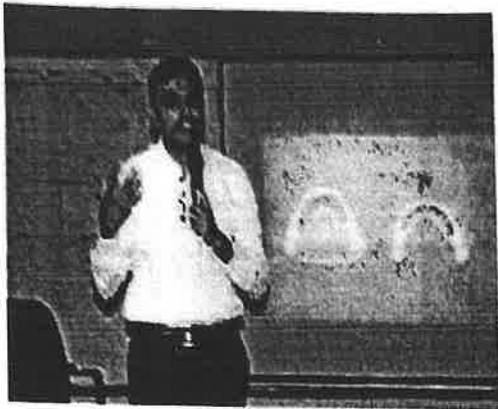

- Prosthetic phase of implant placement
- Mock preparation
- Impression technique
- Identify various components
- Cast preparation

### Advanced Techniques & Supportive Therapy

Includes didactic lectures to gain knowledge of the advanced surgical implant procedures and implant maintenance with live demonstration

# COMPREHENSIVE IMPLANTOLOGY WORKSHOP 2021

## INTRODUCTION

Dayananda Sagar College of Dental Sciences recognizes the need for our students and faculty to periodically upgrade their skills. One such area is in the field of Dental implants. The institution will be conducting a comprehensive implant work shop every year, for our students. This will be a multisystem Implant course conducted by the college and is a comprehensive course for the participant wishing to have an implant practice. It is a requirement for the practicing Dental surgeon to have a specific training in the field, to have a thorough knowledge and to develop a promising career in the field of Implant dentistry. Participants will be given a one to one training with live surgical demonstrations as well as a hands-on clinical experience to treat their own patients under supervision.

## GOALS

The goal of this program is to make our faculty and students competent in the field of Dental Implantology and periodically upgrade their skills and knowledge in this advancing field.

## OBJECTIVES

The comprehensive workshop is designed to offer the participants a systematic learning approach to Implant dentistry by taking learners through a basic step-by-step learning experience right from didactic lectures to actual surgical placement & prosthetic rehabilitation procedures at Dayananda Sagar College of Dental Sciences under one to one guidance.

Upon completion of this course, the participants should be able to know –

1. The basic principles & clinical sciences of implantology.
2. Have thorough knowledge of the anatomy, clinical & radiographic diagnosis, treatment planning.
3. Basic & advanced surgical protocol with a satisfactory degree of skill and confidence to practice standard implant placement.
4. Basic prosthetic management.
5. Maintenance phase in implantology.
6. Practical tips on how to avoid common mistakes and complications in Oral Implantology

**11/10/2021**

**Dr. Girish Rao, Oral and maxillofacial surgeon, Director, Implant Study Group** was invited as the resource person for advanced surgical module.

Guest lecture was given by the resource person on "**Advanced surgical procedures in Implantology**".

**Live case demonstration of direct sinus lift technique** was done by the resource person.

### **Comprehensive Implant workshop manual launch:**

**11/10/2021**

Manual on comprehensive implant workshop was launched by the Resource person **Dr. Girish Rao and Principal, Dr. Hemanth M.**

Manual was made under the able guidance of the chairperson Dr. Chaya David and all the faculty members contributed for the contents of the manual.

Interactive sessions were conducted after each session and feedback was taken by the participants.

Internal assessment was conducted after each module and participants were allowed to the next module only after clearing their assessment test.

Comprehensive Implant workshop 2021 was successfully completed in four different modules beginning from basics till advanced Implantology. Various resource persons were invited and all the faculty of Implantology department worked tirelessly and contributed for the success.

# KARNATAKA STATE DENTAL COUNCIL

No.143, 5th Main Road,  
Chamarajpet, Bengaluru-560 018  
Tele : 080-2667 4068

Ref. No. KSDC/ 68 /2021.

Dated...23-08-2021.....

To,

The Principal  
Dayananda Sagar College of Dental Sciences,  
Bengaluru.

Sir,

Sub:- Allotting credit points for CDE Program/ Workshop/ Conference -Reg.

Please refer to your letter dated 21.08.2021 wherein, you have requested this Council to award credit points for the CDE program conducting by your College on 25.08.2021.

On Scrutinizing your application, we are pleased to award 6 (Six) credit points to the said Program. You have to send the certificates to our office for credit points stamping at least one week before the Program. You have to issue the said Certificates to the participants at the end of the Program/ Conference. The extra / unused Certificates if any, should be return to the Council. All the Certificates should be signed by the Principal of the said College and CDE Convener only. Company Advertisements, Logos are not allowed to print on the Certificates.

After completion of the Program, you have to furnish the participants list in the Excel Format mentioning the Name of the Participants, Date of the program (mm/dd/yy), KSDC Reg. No., Phone No., Attending Hours, Qualification, Email, Claimed Credit Points, Remarks, if any to the Council at the earliest.

Yours faithfully,

  
Registrar

DSCDS/Internal/2018

March 23, 2018

**CIRCULAR**

The Department of Oral and Maxillofacial Surgery, Dayananda Sagar College of Dental Sciences is conducting the following Programs for the Interns ( Regular & Odd batch)

1. **Hands on workshop on 'Basic Life Support', (BLS)** in association with Department of Emergency Medicine, Apollo Hospitals, Bangalore for the benefit of Interns on 26<sup>th</sup> & 27<sup>th</sup> March 2018  
**Venue: Seminar Hall Heritage Building**  
**Time: 9:00am to 5:00pm**
2. **CDE Program on Medico Legal Aspects in Dental Practice** by Dr. Kedaranath Professor Department of OMFS, RRDC on 28/03/2018.

**Venue: Class Room No: 04, Histology Lab**  
**Time: 2:15pm onwards.**

All participants will receive study material prior to the course to be prepared for a test and also will receive a certificate certified by the American Heart Association on completion of the course.

The two programs are mandatory for the interns prior to obtaining completion certificate as per Dental Council of India and Rajiv Gandhi University of Health Sciences, Bangalore.

To  
The Registrar  
Karnataka State Dental Council  
Bangalore

Sir,

**Sub: Conduct of CDE programme with hands -on and requisition for assigning appropriate DCI Credit points**

The Department of Oral and Maxillofacial Surgery in association with Apollo Hospitals will be conducting CDE programme with hands -on workshop on **Basic Life Support** on Monday, 26<sup>th</sup> march 2018. In this regard we kindly request you to register this programme and also assign the relevant DCI Credit points applicable for this event.

This programme is aimed to reinstate basic and critical aspects of medical emergencies and life saving exercises to Dental undergraduates & Post Graduate students as well as Dental practitioners with **American Heart Association certification**. This training programme will definitely benefit the trainee undergoing this intense training programme .

We request you to kindly oblige and do the needful.

Thanking you,

Yours truly,

Dr.Shobha.E.S

Dr.Hemanth .M

Bangalore

## ABOUT THE PROGRAM

The word laser is an acronym for light amplification by stimulated emission of radiation. Lasers are used in clinical dentistry as they are precise and effective to perform many dental procedures. Every discipline of dentistry has been positively affected with the use of laser technology to perform less invasive procedures and this has made a tremendous impact on the delivery of dental care. We are indeed thankful to "INDILASE" for their support.

## ABOUT THE SPEAKERS

**Dr. Shivaprasad, MDS, PhD, Dip. in LASER dentistry**

He is an eminent Periodontist working in Department of Periodontics at Rajarajeshwari Dental College and Hospital, Bangalore. He completed Ph.D from Government Dental College and Hospital, Bangalore and obtained diploma in LASER dentistry from Society of oral LASER applications, Vienna University. He has also completed fellowship in Oral Implantology from Branemark Osseointegration Centre. He has more than 40 publications in national and international journals. He has delivered guest lectures in national and international conferences and CDE programmes.

**Lecture on "Introduction to LASER and LASER physics"**

**Dr. Vinaya Kumar, MDS, Dip. In LASER dentistry**

He is a renowned periodontist who completed MDS from M.S Ramaiah Dental College and Hospital in 2006 and has obtained Diploma in LASER dentistry from Bernhard Gottlieb University, Austria in 2016. His interests include periodontal regeneration and lasers. Currently he serves as Professor in Department of Periodontics at Rajarajeshwari Dental College and Hospital, Bangalore.

**Lecture on "Clinical application of soft tissue LASERS in dentistry"**

**Dr. Ajas Pasha, BDS, Dip. In soft and hard tissue LASER**

He is an eminent dentist having two decades of experience in clinical practice at M.F. Superspeciality Dental Care. He has delivered lectures on hard and soft tissue LASERS at various dental colleges and has several publications to his credit in magazines, journals and newspapers. He is the director of TDS training centre since a decade and is currently working on the use of i- PRF in endodontics and stem cells.

**Lecture on "Clinical applications of hard and soft tissue LASERS in dentistry"**

**PRINCIPAL**

10:45-1:30pm	Live demo and LASER surgery on clinical cases and Q-A session
1:30pm-2:00pm	Lunch
2:00pm-4:00pm	Preclinical session of soft tissue Laser (Hands on)

### DAY 2

9:00am-10:30am	Lecture
10:30am-10:45am	Tea
10:45am-12:15pm	Lecture
12:15pm-1:30pm	Live demo and LASER surgery on clinical cases and Q-A session
1:30pm-2:00pm	Lunch
2:00pm-4:00pm	Preclinical session of soft tissue LaserS (Hands on) and live demo and LASER surgery on clinical cases and Q-A session

### ABOUT THE COLLEGE

Dayananda Sagar College of Dental Sciences is an esteemed education center dedicated to deliver a high quality and distinct learning experiences. The college is centered on supporting patient care, pursuing innovation in oral health education and preparing the dentists of tomorrow with clinical practice and training. It also promotes active co-operative learning environment to teach dental science through basic and applied research.

**Registration fee:** Lecture, hands on and live demo: Rs. 700/-

**Mode of payment:** Registration fees can be paid by cash or by online to the Treasurer of CDE program

**Account details:** Name: Dr Varsha Venugopalan  
SB Acc. No.: 20378967682  
State Bank of India

Branch: Thalassery, Kerala

**Contact details:** Dr Archana - 9986204322 & Dr Pallavi - 9845609338

## COMPREHENSIVE LASER WORKSHOP (2018)

A 2-day comprehensive LASER workshop was held at CD Sagar & Dept. of Orthodontics, DSCDS, Bangalore, on 16<sup>th</sup> April & 17<sup>th</sup> April 2018. With the objective of training our students on all the possible emerging trends, advances & future of dentistry, this program was held after the successful completion of the comprehensive implant workshop in January 2018.

LASERs in dentistry is fast gaining ground replacing many a traditional procedures including scalpel surgical procedures.

**Day 1** of LASER workshop took off well with lecture by a very eminent resource person Dr Shiva Prasad BM. His lecture was well appreciated by all & was followed by inauguration. We had our chief guest as Dr Raison Thomas for the program. Inauguration was followed by a lecture by our alumni Dr Ajaz Pasha, who helped the delegates to understand the wider applications of LASERs. Post lunch sessions had the most interesting & much awaited part of the program, i.e. hands on training & surgeries on patients by the delegates. Surgeries on patients were relayed live for all the others present.

**Out of 110 registered delegates**, around 50 delegates were Interns, PG students & staff members from our college & **more than 50 from other colleges of Bangalore & Tumkur.**

On **Day 2** we were very happy to see the interest & impact that got created among the participants as the program unfolded. It started with a guest lecture by Dr Vinaya Kumar. Day 1 and day 2 witnessed 40 hands-on procedures & 15 LASER procedures on patients. The program ended by a small valedictory function.

# **DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES**

## **TWO DAY STRUCTURED SCIENTIFIC SCHEDULE**

This comprehensive LASER workshop spread over two days provides an overview of clinical applications of LASERs in contemporary dental practice. Interactive discussions will provide a balanced view of dental LASER wavelengths, techniques and applications. Participants will also learn the fundamentals of LASER and its application in various fields of dentistry. Live clinical demonstration on patients and hands-on training will be done animal substrate/vegetable.

### **OBJECTIVES**

1. The workshop intends to provide in-depth knowledge about the fundamentals of soft tissue LASER technology and its application in Dentistry.
2. Each participant will be trained about the safety, legal & health requirements of Diode LASER
3. Participants will able to perform soft tissue LASER procedures using diode LASER in Dentistry.
4. Each participant will be trained to have a thorough understanding of case selection and to secure predictable treatment outcomes

# **SUTURING WORKSHOP**

## Suturing Workshop

By Resource person Dr Manjunath PN

❖ Objectives of the workshop

The participants will be taught in depth about

- Grips of needle holder
- Grips of scissors
- Selection of needles and suture materials
- Suturing techniques

### PROGRAM SCHEDULE

Day 1: 30-03-2022

8.45AM	REGISTRATION
9AM-9.30 AM	WELCOME ADDRESS
9.30-10.15AM	PRESENTATION BY RESOURCE PERSON
10.20AM -1 PM	DEMONSTRATION AND HANDS-ON TRAINING
1PM-1.30PM	LUNCH
1.30- 4PM	CONTINUATION OF HANDS-ON

Day 2: 31-03-2022

9AM	PRESENTATION
9.30AM- 1PM	DEMONSTRATION OF SUTURING TECHNIQUES
1PM	LUNCH
1.30PM-3 PM	HANDS-ON TRAINING
3 PM	VALEDICTORY FUNCTION AND DISTRIBUTION OF CERTIFICATES

**A brief Report on Suturing Workshop held on March 30-31, 2022**

The Department of Periodontology in association with BAP (Bangalore Academy of Periodontology) conducted "Hands-on workshop on Suturing" on 30<sup>th</sup> and 31<sup>st</sup> March 2022.

A total of 12 post graduates of Periodontics from different colleges participated in the workshop. The resource person was Dr PN Manjunath, who was been trained exclusively by Dr Stuart Orton-Jones BDS, LDS, RCS from Northamptonshire, England.

This workshop was intended to improve the suturing skills of the post graduate students by teaching them various grips, method of selection of needles and suture materials. They were trained to use both dominant and non-dominant hand for suturing on models.

On day1 , the program commenced with registration and welcome address by Dr Archana Naik, Reader from department of Periodontology followed by presentation by Dr PN Manjunath on "Systematic Suture training- part 1" The delegates were trained on the armamentarium, instrument grasps and 8 suturing techniques and various surgical knots on the models at macrolevel.

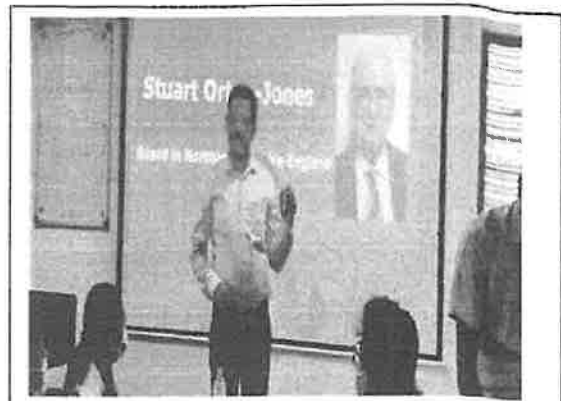

On day 2, Micro suturing was practiced using microneedles and Silk thread. The students were guided one on one basis by the resource person. The workshop was concluded with distribution of certificates to the delegates followed by vote of thanks by Dr Savita AM, Professor and Head Department of Periodontology. Refreshments and lunch was served on both days. The students enjoyed and learnt a lot in a comfortable environment. The program received a positive feedback and the delegates ensured that they will use all the techniques learnt in their practice.

Bangalore - 560 078.

## WORKSHOP ON HEALTH RESEARCH METHODOLOGY AND HEALTH STATISTICS

"DAYANANDA SAGAR – SAMSHODHANA"  
DEPARTMENT OF PUBLIC HEALTH DENTISTRY  
DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES  
DATE: 28<sup>TH</sup>, 29<sup>TH</sup>, 30<sup>TH</sup> AND 31<sup>ST</sup> AUG 2018

### Resource Persons:-

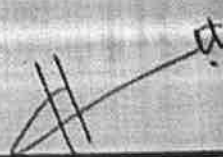

1. Dr Nagesh Lakshminarayan, MDS, PGDHPE(KLEU and University of Illinois,USA), 'MPhil'. Professor and Head of Department, Dept. of Public Health Dentistry, DSCDS.
2. Dr Ravi Shirahatti, MDS, PGDHPE (KLEU and University of Illinois,USA), 'MHPE'(University of Dundee, Scotland), PGDB.
3. Dr Shyam Sivasamy, MDS, PGDB (Madurai Kamraj University).

We from the Department of Public Health Dentistry, DSCDS are proud to report you that we successfully organized and conducted a WORKSHOP ON HEALTH RESEARCH METHODOLOGY AND HEALTH STATISTICS from the 28<sup>th</sup> -31<sup>st</sup> of August 2018 at the CIL AUDITORIUM, DSI.

Dr Nagesh L, the chief resource person for the workshop, along with Dr Ravi Shirahatti and Dr Shyam Sivasamy (speakers), are faculty in the discipline of Public Health Dentistry and have been conducting workshops on Research Methodology, Biostatistics, Critical Evaluation of Scientific Articles, Research Ethics, Scientific Writing and other allied topics for many years. They have conducted workshops on above said subjects in medical colleges and dental colleges across the country.

The inaugural function took place on 28<sup>th</sup> August,2018 at 11:45 AM, and the occasion was graced by Shri Galiswamy, Secretary, DSI, Dr. Hemanth M, Principal, DSCDS and Dr. Roopa R Nadig, Dean, DSCDS.

We had an overwhelming response from the staff of different specialties from our college, and around 10 staff from other medical and dental colleges across Bangalore. There were around 50 registrations for the CDE Programme which was beyond our expectations and the Karnataka State Dental Council has awarded 18 CDE points for the research workshop.

  
**PRINCIPAL**  
Dayananda Sagar College of Dental Sciences  
Kumaraswamy Layout,  
Bangalore - 560 078.

The workshop helped every participant to know the fundamentals of Health research and Health statistics, to identify a Research problem, formulate Research question, Research hypothesis, and Null hypothesis and defend. They were able to clearly formulate the objectives of a research and do literature search (basic and advanced) on a research topic using Pub med and other search engines and compile the available literature. They were also able to calculate sample size for a given research using G power soft ware and enter the dummy data into the excel sheet, import, analyze the data using SPSS and interpret the data.

At the end of the CDE Programme we received very good feedback for organizing such a programme. Most of them were happy to have gained more knowledge and take home messages. Each and every one of the delegates went home with eager minds to pen down their research works and to do further research with the skills that they had acquired in these 4 days.

The programme was a huge success, and this is a remarkable achievement for the Department of Public Health Dentistry, DSCDS, and for the DSI as a whole.

## ABOUT THE PROGRAM:

This workshop aims at enabling the delegates to develop critical evaluation skills for different designs and convert the descriptive journal clubs into critical evaluation journal clubs. This can drive the concepts of research methodology and biostatistics deep into the realm of 'Known' in the delegates. Articles with different study designs will be critically evaluated using different check lists. The idea is to practice the principle of 'Learning by Doing'. We expect post workshop Journal clubs to become intense learning sessions for all the participants.

## PROGRAM SCHEDULE

### DAY 1 (30th January 2019)

Time	Topic	Speaker
9.15AM-9.30AM	Ice breaking	
9.30AM-10.15AM	What is critical review and Why critical review?	Dr Nagesh L
10.15AM-10.45AM	Taking journal clubs to next level --- Critical evaluation journal clubs	Dr Shyam Sivasamy L
10.45AM-11.00AM	Break	
11.00AM-12.30PM	Group Activity - 1 Critical evaluation of a CONSORT trial	Moderators Dr Nagesh L Dr Shyam Sivasamy
12.30PM-1.00PM	Open House	
1.00PM-1.45PM	Lunch Break	
1.45PM-3.00PM	Group Activity - 2 Critical Evaluation of a poorly reported RCT	Moderators Dr Nagesh L Dr Shyam Sivasamy
3.00PM-4.00PM	Presentations and Open House	

**PRINCIPAL**

## WORKSHOP ON CRITICAL EVALUATION OF SCIENTIFIC ARTICLES.

**"DAYANANDA SAGAR – SAMSHODHANA"**  
**DEPARTMENT OF PUBLIC HEALTH DENTISTRY**  
**DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES**  
**DATE: 30<sup>TH</sup> AND 31<sup>ST</sup> JAN 2019**

### Resource Persons:-

1. Dr Nagesh Lakshminarayan, MDS, PGDHPE(KLEU and University of Illinois,USA), 'MPhil'. Professor and Head of Department, Dept. of Public Health Dentistry, DSCDS.
2. Dr Puja C Yavagal, MDS. Professor, Dept. of Public Health Dentistry, Bapuji Dental College and Hospital.
3. Dr Shyam Sivasamy, MDS, PGDB (Madurai Kamraj University). Reader, Meenakshi Ammal Dental College, Chennai, Tamil Nadu.

We from the Department of Public Health Dentistry, DSCDS are proud to report you that we successfully organized and conducted a WORKSHOP ON CRITICAL EVALUATION OF SCIENTIFIC ARTICLES on the 30<sup>th</sup> and 31<sup>st</sup> of January 2019 at the Histology Lab, Dental College Building, DSI. We thank the management and Principal profusely for providing the facilities and encouragement to do the workshop.

The proposal for this program was first suggested in a staff meeting, in the department of Public Health Dentistry. Our intention was to conduct a research program which would be a continuation of our first workshop on Health Research Methodology and Health Statistics. The workshop was designed to help every participant to apply the knowledge of basics of Health research and Health statistics into application through group activities. The idea was to practice the principle of 'Learning by Doing'. This can also drive the concepts of research methodology and biostatistics deep into the realm of 'Known' in the delegates.

The registration for the research program was first opened up to the faculty and PG students of our college, till 18<sup>th</sup> Jan 2019. Later, the brochure was sent through emails and whatsapp groups to the Heads of the Department, Dept. of Public Health Dentistry of other dental colleges in Karnataka. We had an overwhelming response from the staff of different specialties from our college, and around 10 staff from other dental colleges across Bangalore. One staff also from Rama Dental College, Kanpur attended the program. Around 55 postgraduates from the Department of Public Health Dentistry of different dental colleges in Karnataka also attended the research program and workshop. We stopped the

**PRINCIPAL**  
Dayananda Sagar College of Dental Sciences  
Kumaraswamy Layout,  
Bangalore - 560 078.

registrations once we reached 80 participants. Karnataka State Dental Council has awarded 12 CDE points for the workshop. The registration fee for the workshop was Rs. 900/-.

Dr Nagesh L, the chief resource person for the workshop, along with Dr Puja C Yavagal and Dr Shyam Sivasamy (speakers), are faculty in the discipline of Public Health Dentistry and have been conducting workshops on **Research Methodology, Biostatistics, Critical Evaluation of Scientific Articles, Research Ethics, Scientific Writing and other allied topics** for many years. They have conducted workshops on above said subjects in medical colleges and dental colleges across the country.

The inaugural function took place on 30<sup>th</sup> January 2019 at 10:30 AM, and the occasion was graced by Dr. Roopa R Nadig, Dean, DSCDS. She lighted the lamp and rendered a formal welcome to the resource persons and delegates.

All the participants were assigned into seven different groups for active learning and discussion. This workshop enabled the delegates to develop critical evaluation skills for different study designs and will help them in future to convert the descriptive journal clubs into critical evaluation journal clubs. Articles with different study designs were critically evaluated using different check lists like; (STROBE, CASP, PRISMA and JEDAD). Group activities were carefully designed to facilitate learning. The delegates participated with lot of enthusiasm. The sessions were very interactive and productive discussions happened between the participants and the resource persons. Google forms for feedback were sent to all the participants with a request to sincerely send their feedback without fail on both days. The feedback analysis was done and the report was found to be very positive and encouraging.

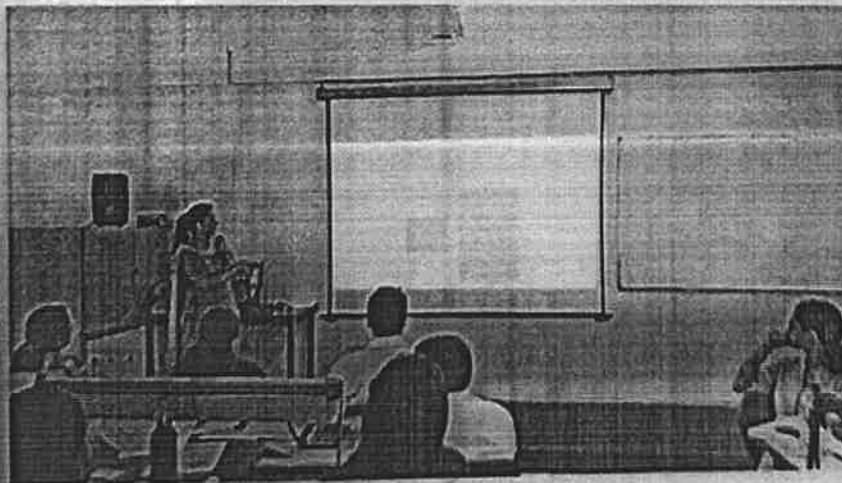

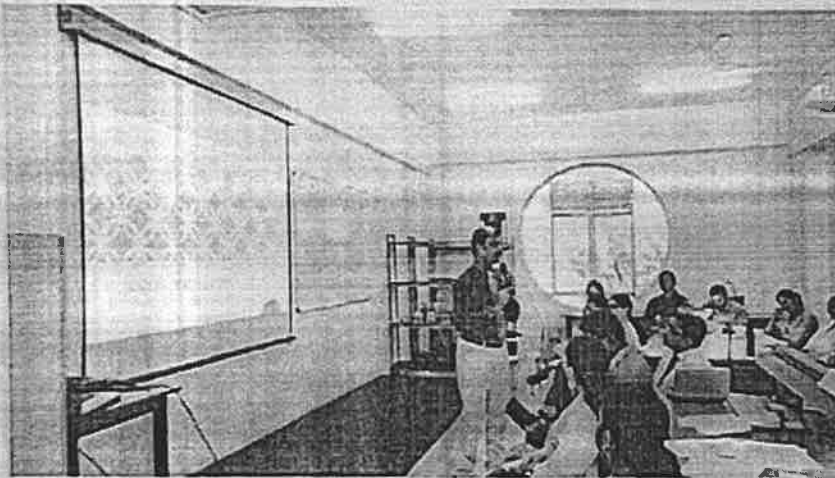

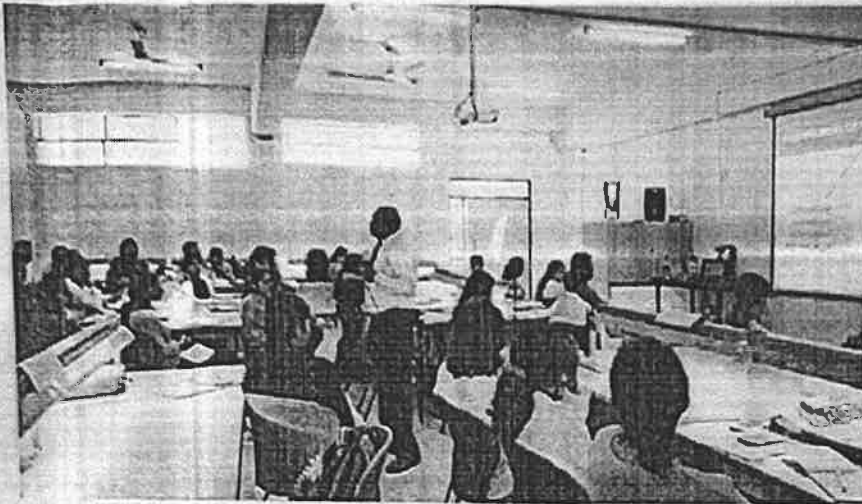

The valedictory function took place on 31<sup>st</sup> January 2019 at 3:30 pm, and the occasion was graced by Shri. Galiswamy, Secretary, DSI; Dr. Hemanth M, Principal, DSCDS and Dr. Roopa R Nadig, Dean, DSCDS. Our honorable Secretary Sir distributed the certificates to all the participants.

A copy of the brochure with schedule, certificate and feedback are hereby enclosed.

**PERIO  
PARANOMA**

DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES, a world-class dental education centre set under the group of DAYANANDA SAGAR INSTITUTIONS ,Bangalore, is synonymous with excellence in higher education, supporting patient care and pursuing innovation in oral health education. The institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

Department of Periodontics, Dayananda Sagar College of Dental Sciences, in association with Bangalore academy of periodontology under the aegis of Rajiv Gandhi university of health sciences conducted the Pre-Conference workshop at the very picturesque campus of Dayananda Sagar College Of Dental Sciences on 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup> January 2020. It was indeed our privilege to host Periopanorma 20'20 at our vibrant campus of DSI, Bengaluru. The Scientific session started at 9.30am with the guest lecture delivered by Dr Shettal Sanikop followed by the session from other renowned speakers . A scholastic journey of three days were planned, which was well organized, to touch and refresh all the domains in Periodontology. Eminent Guest Speakers from all parts of India were invited and they all gave us various insights on the nuances of the subject, shared their experiences and gave practical tips on exam preparation. 130 postgraduate students from various prestigious institutions all over India registered for the conference . With an aspiration to quench the thirst for knowledge among students invited guest speaker Dr Ashwini padhyaye sir a renowned academician, an epitome organizational skills , a pioneer in perioplastic surgery to enlighten us about the programme.

The inaugural ceremony was organised on 28th January at CD Sagar auditorium , DSI and graced by Chief Guest Prof. DR Kumar NC; Senate Member, RGUHS, Guest of Honour Shri Galliswamy Prof Dr. Mohammed Faizuddin, Dr AV Ramesh (Bap Coordinator ), Dr Roopa R Nadig (Dean) , Dr Uttamchand Kincha , DR. Hemanth M Principal DSCDS, Dr Nagesh N, (Prof And Head) Department of Community Dentistry, Dr Chaya M Alfred (Prof And Head ), Department of Oral Medicine and Radiology , and DR SAVITHA AM (Prof And Head ) Department of Periodontology along with the other faculty members , post graduate students, senior dental and medical faculty and postgraduates from other departments.

PRINCIPAL  
of Dental Sciences

PROFESSOR & HOD

DR. Archana Naik, Reader Department of Periodontology, welcomed the gathering and highlighted the importance of Periopanorma 2020 an initiative which is well planned and organized to touch all the domains in Periodontology. The inaugural address was given by Dr. Kumar NC, Senate Member, RGUHS. He appreciated Department of Periodontics, DSCDS for bringing together people from different sides of bilingualism - research and clinical - an inspired decision which paid off volumes. It was a perfect mix of topics, people, science and social gathering. And the inauguration ceremony concluded with a vote of thanks given by Dr Sunil S, Department of Periodontology, DSCDS.

The sessions conducted on 28<sup>th</sup> and 29<sup>th</sup> were properly planned and executed meticulously. Renowned speakers like Dr AR Pradeep, Dr Raison Thomas, Dr Shiva Prasad, Dr Arun KV were invited. At the end of every session a new approach of conducting test with multiple choice questions were encouraged an overwhelming response from postgraduate student delegates were recognised. A novel lecturing session on how to destress yourself and to face the exam with confidence was introduced by Department of Periodontics, DSCDS by our inhouse speaker Dr Sunil S, Associate Professor, DSCDS. A panel discussion was organised with participating colleges Vydehi Dental College, VS dental college, Bangalore institute of dental sciences, Bangalore. Experts shared and build upon each other experiences. They advised the students to make the best use of the opportunities available in the present days and appreciated the efforts of the organizers for the successful conduct of the workshop.

The event concluded, on 30<sup>th</sup> January with a valedictory function. Prof. Dr. Mohammed Faizuddin addressed the gathering and thanked the audience for their valuable presence. He also commented on the wave of gratitude felt from the postgraduate students. He also encouraged them to give a feed back on the programme conducted. Dr Savita AM (Professor and Head, Department of Periodontology) acknowledged the support and co-operation to the extended managements, Principals, Dean, Head of departments of various colleges other department faculty & students of all the colleges, audiovisual support, print and digital media and all those who contributed to make the event a grand success. A prize distribution was organised for the students who scored maximum marks for the Question and Answer session conducted at the end of each session. Dr Varsha Venugopal, third year

postgraduate student ,DSCDS won the first prize and Dr Aisha Vydehi institute of dental sciences for second prize .

The feedbacks were collected on the last day of the workshop where the students expressed their views about the lectures ,live demonstrations and the panel discussion conducted by Periopanorama 2020.The Form consisted questions that were sketched to appraise all the aspects of the demonstration spanning from the content to the clarity of presentation.The responses for the training were extremely satisfactory and encouraging.

Overall, the delegates enjoyed and appreciated the enthusiasm, motivation, patience and cooperation of the resource persons during the conduction of Periopanorama 2020. They appreciated & acknowledged the fact of the session being taken in depth .They expressed their gratitude for making excellent arrangements for food and hospitality also.

# **RAPID RECAP 2019**

**Date :26.02.2019**

State level Scientific conference 'Rapid Recap – Sculpting the future'

Circular

**PRINCIPAL**  
Dayananda Sagar College of Dental Sciences  
Kumaraswamy Layout,  
Bangalore - 560 078.

## Programme Schedule

Day 1 - 26.02.19

Registration: 8:30 am -9 am

Esthetic dentistry – 9am - 4:30pm

### Topic & Presenter

- ✦ Current advances in adhesives- Dr. Deepak Mehta
- ✦ Current advances in composites, making the right choice & techniques in establishing proper contact relation.  
- Dr Aravind Shenoy
- ✦ Principles of Smile design –Dr Mohan B
- ✦ Importance of occlusion in restorative treatment plan  
- Dr Vinutha
- ✦ Current advances in Ceramics - Dr Jayashree
- ✦ Minimally invasive management of discolored teeth  
- Dr Sonal Joshi

### Inauguration

Interactive session

Day 2 -27.02.19

Endodontics - 9am - 4:30pm

- ✦ Endodontic Diagnosis & decision making - Dr Jacob Daniel
- ✦ Endodontic access-traditional (clinical tips for molar RCT, exam exercise) & current concepts-Dr Moksha N
- ✦ Advances in irrigants & techniques- Dr Kundabala S
- ✦ Lasers- Dr Mithra Hegde
- ✦ Instruments-choice & technique-Dr Vinod Kumar
- ✦ CBCT in endodontics- Dr Meena D.N
- ✦ Biomaterials - Dr Prahalad
- ✦ Regenerative endodontics –Dr Kusumvalli
- ✦ Procedural errors & management & Microendodontics –  
Dr Siju Jacob

Interactive session

  
**PRINCIPAL**  
Ananda Saikrishna College of Dental Sciences  
Kumaraswami Layout,  
Bangalore

Day 3- 28.02.19

**Inlays, post-endodontic restoration, tips for theory, viva & pedagogy -  
9am - 4:30pm**

- + Dental caries-diagnosis, risk assessment & treatment planning  
Dr Sylvia & Dr Rupali
- + Inlays from exam point --Dr Murali & Dr Sirekha
- + Tooth colored inlays-Dr Anitha
- + Cast posts-principles of post selection, Case selection , treatment  
planning & tips for exam-Dr Raniya Raghu
- + Contemporary post systems-Dr Ashish Shetty
- + Impression making -tips for exam & current advances-Dr Savitha  
Naik
- + Non-conventional techniques of post endo restorations in  
posterior teeth -Dr Roopa Nadig
- + Theory- effective writing-Dr Jayalakshmi
- + Pedagogy & viva-Dr Shashikala

Queries on Theory, Pedagogy & viva - panel discussion-  
Dr B.V.Sreenivasa Murthy and team

**Interactive session**

Dayananda Sagar College of Dental Sciences, Bengaluru

IID

Cordially invite you to

### ***"Rapid Recap - Sculpting the future"***

for the exam-going post graduate students

This program is sculpted so as to fine tune and prepare the students to confidently and effectively face the final theory, practical and viva voce. This will offer a comprehensive and holistic insight by experienced academicians on a single platform. The present day dental post graduate students come with different learning preferences and style. To cater to such a diverse group, interactive sessions are planned to encourage critical thinking, problem solving and decision making skills.

**Dates: February 26<sup>th</sup>-28<sup>th</sup> 2019**

**Venue: Dayananda Sagar College of  
Dental Sciences, Bengaluru**

  
**PRINCIPAL**  
Dayananda Sagar College of Dental Sciences  
KumaraSwamy Layout,  
Bangalore - 560 078.

Sir,

Sub:- Collaborative Work with Dept of Forensic Medicine-reg

Ref: 1. Your Letter Dated 14.03.2018

\* \* \* \*

With reference to the above subject under ref, we have decided to execute a MOU initially for a period of six months on a trial basis. Further if found beneficial to both the institutes we may extend and execute the MOU for longer period.

So you are requested to re-submit the MOU for the period six months.

Thanking You

Yours faithfully,

**Director cum Dean**

The Principal,  
Professor & Head,  
Dayananda Sagar College of Dental Sciences,  
Kumarswamy Layout,  
Bengaluru-560 078.

Sir,

Sub: Extension of MoU between DSCDS and BMCRI.

Ref: Your office letter No. DSCDC/2020/294, dated: 31.08.2020.

\*\* \* \*\*

With reference to the above, permission was accorded to execute an MoU between Department of Forensic Odontology DSCDS and Department of Forensic Medicine BMCRI for a period of six months on a trial basis as requested during July 2019.

With reference to your letter dated: 31.08.2020, it is once again requested by you for the extension and continuation of MoU between the above said Institutions for a period of two years.

Hence, it has been decided and permitted to extend and continue the above said MoU between BMCRI and DSCDS for a period of two years from the date of MoU for the benefit of the students and faculty of both the Departments with a request to submit the Memorandum of Understanding (MoU) as per terms and conditions to this office.

Thanking you,

Yours faithfully

Dean cum Director

Bangalore Medical College &  
Research Institute, Bengaluru.

**PRINCIPAL**

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) sets for the terms and understanding between the Principal, Dayananda Sagar College of Dental Sciences represented by the Head, Department of Forensic Odontology, Dayananda Sagar College of Dental Sciences, hereafter referred to as the 'First Party' and Director & Dean, Bangalore Medical College & Research Institute, Bangalore represented by the Head, Department of Forensic Medicine, Bangalore Medical College & Research Institute, Bangalore, here after referred to as the 'Second Party' to Collaborate in the field of Forensic Odontology.

### BACKGROUND

Forensic odontology is established as an indispensable science in medico-legal matters and in areas of individual identification. The dental tissues are often preserved even if the deceased person is skeletonized, decomposed, burnt, or dismembered. Various methods have been developed to determine age, sex, and ethnicity of the person, using dental tissues. Forensic Odontology offers very specific analyses & tools to help in identification, gender determination, age estimation, bite mark analysis in cases of abuse, etc.

### PURPOSE

This MOU will entail the First party to collaborate with the Second party in cases for providing expert dental opinion and services related to the following mentioned areas of interest namely, Dental Age estimation, Forensic dental radiography, Bite-mark analysis, Dental autopsy, Disaster victim identification, Comparative dental identification & Facial reconstruction. This collaboration will purely be on a 'On Call' basis as and when a dental opinion is required. None of these services offered by the First party will be charged. They will all be purely honorary in nature.

All the above mentioned services for the First party will be carried out by Dr. Krishnanand PS, who is qualified with a Fellowship in Forensic Odontology after having completed his Post-Graduate Dental Degree, MDS, in Oral & Maxillofacial Pathology.

The First party will post Bachelor of Dental Surgery (BDS) internees on a rotational basis as per the schedule & convenience of the Second party to help in co-ordination of cases of interest. The Second party shall provide the First party with access to a predetermined number of Autopsy procedures for each batch of posted BDS internees for the betterment of their clinical experience resulting in the overall betterment of their knowledge in terms of Forensic Odontology.

Any and all clinical material, data, photographs required by the First party will be procured with prior permission of the Second party. All the material in the form of Clinical data, Photographs, etc procured by the First party should obtain clearance from the Ethical Committee of BMCRI before it could be used in any sort of scientific publication.

ಕರ್ನಾಟಕ ಸರ್ಕಾರದ ಅಧೀನದಲ್ಲಿ  
ಬೆಂಗಳೂರು ಮೆಡಿಕಲ್ ಕಾಲೇಜು ಮತ್ತು  
ವಿಜ್ಞಾನ ಸಂಶೋಧನಾ ಸಂಸ್ಥೆ

The First & Second parties shall collaborate with each other to provide space and classroom requirements as and when required by either party to conduct classes, seminars, etc. The First & Second parties shall also be allowed to constructively participate & actively contribute by providing access to all Continuing Dental Education (CDE), Continuing Medical Education (CME), Workshops, Conventions & Conferences that will be hosted by either of them in their respective institutions to the other party which are related to the field of Forensic Medicine & Forensic Odontology.

This MOU is purely based on the grounds of academic interest & purpose.

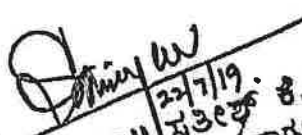

**DURATION**

This MOU is at-will and may be modified by mutual communication & understanding of authorized officials from the either of the involved parties. This MOU shall become effective upon signature by the authorized officials from both parties and will remain in effect for a period of Six months. The MoU maybe renewed after assessment of the productivity of the MoU by both parties through mutual communication & understanding.

In Witness whereof, the duly authorized representatives of both Institutions have signed this MoU at Bangalore, India on the 22nd of July 2019, in two original copies in English.
