Report on “NOT ME BUT YOU”-NSS Foundation Day Celebrations

The National Service Scheme (NSS) unit of Dayananda Sagar College of Dental Sciences celebrated the NSS DAY (Foundation Day) on 21/10/2020 at 3.00pm in the Amphitheatre of Dayananda Sagar Institutions campus. This day was formally launched on the centenary birth anniversary year of Mahathma Gandhi, the father of the nation in 1969. With the motto “**NOT ME BUT YOU**”, the NSS wing along with the volunteers of National Medicos Organization (NMO) of the college planned a health education talk regarding the various methods of disease spread and preventive aspects of COVID 19 disease to the group D workers of the Dayananda Sagar Institutions. The importance of celebrating NSS foundation day was also briefed to the masses.

The chief guest of the function was **Sri Vasanth Shetty**, Deputy Registrar, Rajiv Gandhi University of Health Sciences & NSS coordinator for RGUHS and **Sri. Ganapathy Hegde**, a Swayamsevak in Environment and Protection. The chief guests spoke about reducing the use and disposal techniques for single use plastics. Sri. Vasanth Shetty stressed the importance of keeping our house keeping staff safe from Covid 19 as it directly or indirectly affects their families as well as ours.

Face shields, mouth masks, heavy-duty reusable gloves and Vitamin B complex tablets and biscuits were distributed to about **150 housekeeping workers, security personnel, gardeners and attenders** in the campus. Albendazole tablet (single dose) was also distributed to them.

REPORT

BIOMEDICAL WASTE MANAGEMENT: 08/08/2022

In the world of medicine, dentistry has a big role in safe guarding our society. In dental hospitals there are number of hazardous wastes generated every day. These wastes should be properly segregated, treated and finally disposed of. Recently, COVID-19 outbreak increased the quantity of urban solid waste generated and changed its composition. Hence this is the need of the hour to discuss about management of bio-medical waste generated in hospitals follows standard protocols for segregation and disposal.

A CDE programme was conducted in Dayananda Sagar College of Dental Sciences on 08-02-2022 at Preclinical block, first floor in Class Room No.1 on Biomedical waste management in dentistry. The Program commenced from 2:15 PM, faculty, post graduate students and interns were attended.

Dr. Pavan Kumar. T Assistant Professor in Faculty of Dental Sciences, Ramaiah University of Applied Sciences, Bangalore was invited to deliver a guest lecture. The programme started with the inaugural ceremony and introductory note by Dr. Koduru Sravani Senior lecturer (Department of periodontology) welcoming the chief guest and gathering by Dr Savita A M, Professor & Head (Department of Periodontology) followed by keynote address by our Principal Dr. Hemanth. M.

The guest lecture compiled on biomedical waste classification, segregation, treatment and also emphasized on importance of pre-treatment and disposal of biomedical dental waste management. The resource person also explained the various modes and steps involved in the segregation and disposal of waste at institutional and hospital sectors. The programme concluded with a positive note by thanking the chief guest, management, principal, faculty, organising committee, AV team, post graduate and undergraduate students.

NMO introductory workshop

Held at C D Sagar, DSI

On November 23rd 2019

An NMO awareness program was held at Dscds, by the National Medicos Organization on 23rd November 2019 for students. NMO is an organization which works for the welfare of the underprivileged people. About 170 members attended the event. The faculty, students of dental college and also physiotherapy attended the workshop.

The workshop began with invocation. The diaz was graced by speakers like Dr. Vaman Shenoyji, Dr. Archana Sharma ji, Dr. Nagesh and Dr. Hemanth M. The NMO mantra was read and speakers efficiently impressed upon the audience the need for community service. Charak shapath, or the oath was also taken by doctors to practice in the right way. The students and staff who were a part of the camps arranged by NMO spoke about their experience in the camp, the difference between other camps and the ones by NMO. The workshop was well received by the young crowd.

NATIONAL MEDICOS ORGANISATION (NMO)

O Dwij (twice born)* I facing the east in presence of the holy fire and the learned

- ❖ During the period of study I shall live a life of self control, piety and discipline. Submit complete dedicated feeling. I shall act like a son/doughter for his/her welfare and happiness oriented and free from indiscipline and envy. In my dealings I shall be patient, obedient and calm. I shall aim my full efforts and ability towards the desired goal of my Guru. As a physician and earn money I shall always use my knowledge for the welfare of living mankind.
- ❖ I shall always be ready to help patients, even when I am extremely busy and tired. I shall not be greedy for selfish gain nor shall I entertain a desire for other women/men or wealth. Immorality should be avoided.
- ❖ My dress ought to be decent yet impressive and personality confidence inspiring. I shall use pleasant, truthful, beneficial and polite words and using my past experience, I shall act keep.
- ❖ I shall constantly endeavor to accomplish the newest development of knowledge.
- ❖ I (especially a male doctor) shall treat a women only in the presence of her husband or a near relative.
- ❖ When examining a patient, my discretion, attention and senses should be concentrated on the patient and not on propaganda about the confidential matters regarding patients and their family.
- ❖ Though an authority (on my subject), I shall not display my knowledge (and skill) egoistically.
- ❖ "A Dwij Means twice born because for the first time one takes birth bodily from his/her mother and the second time with the education and publication influenced by Guru.
- ❖ Any person of any caste or sex, can become a Dwij and a doctor, Considering it appropriate and necessary substance of the original extensive Orth of Charak. Every medical student and doctor should follow the working table. Charak Oath is far more extensive.

Report on National Youth Day Celebrations 12th January 2021

Dayananda Sagar College of Dental Sciences, NSS wing and NMO wing in association with Samartha Bharath celebrated the National Youth Day which is the birthday day of our inspirational Swamy Vivekananda. The chief guest for the program was Dr. M Jayaprakash ji, Deputy Director of animal husbandry and veterinary sciences, Govt. of Karnataka. He inspired the youth with the exceptional story of the life of Swamy Vivekananda and told the youth to work towards the betterment of the country. The talk was well accepted by the audience. The Guest of Honor for the program was Miss. Praneetha Subhash, a well known cine actress who has done more than 20 movies in south Indian cinemas and a philanthropist herself. She has adopted many schools for the underprivileged and has worked towards their betterment. She spoke of the need for blood donation in these covid times as there was a dearth for human blood in emergencies. Dr. Krishnananda, Professor of Oral Pathology, spoke about National Medicos Organization and its functions. Our Principal, Dr. Hemanth M told the audience to draw inspiration from the works and words of Swamy Vivekananda and be passionate about serving mankind and as health professionals it was the best opportunity.

Report on World Oral Health Day 2021

World Oral Health Day is celebrated around the world on 19th of March. It signifies the importance of "Oral Health as the Gateway to General Health". To commemorate this day, the college NSS unit along with the **National Medicos Organization** in association with Department of Endodontics conducted a poster competition. A quiz competition was also arranged for the interns and students of the college on 22nd March 2021. A flash mob and rally was organized to create awareness about the **importance of oral health among the students of the DSI campus.**

CIRCULAR

Dayananda Sagar College of Dental Sciences, NSS wing is conducting an **AIDS awareness campaign along with a mega blood donation camp on Monday, 27th January 2020**. In this regard I request all the Principals /HODs, staff and students of DSI to kindly participate in the blood donation drive between 10:00am and 4:00pm and make this program a success. A street play will be enacted in the campus in front of the conveno to create awareness about AIDS at 1pm. Request all HOD's to encourage your students and faculty to participate in the noble cause.

Program Schedule:

9.30- 9.45 am- Inauguration of blood donation camp

10.00 am- 12.30 pm- Blood donation camp

12.45- 1.00 pm- Arrangements for flash mob

1.00 pm- Talk on AIDS by Dr. Pallavi

1.15 pm- Flash mob near conveno

1.20 pm- Street play near conveno

1.30 pm- Talk on blood donation by Dr. Smitha

Distribution of AIDS awareness and blood donation pamphlets

2.00 pm onwards- Blood donation camp continues

**AIDS Awareness and Blood Donation Camp
Report**

A mega blood donation camp was conducted on the **7th of APRIL 2022** in Dayananda Sagar College of Dental Sciences as part of the NSS activity of the college in association with National Medicos Organisation. A team of doctors and technicians from Rashtrathana Blood Bank and Sagar Hospitals blood bank were commissioned to do the needful. An awareness and motivation session was organized on 5th of April 2022 to motivate all the students regarding the benefits of blood donation. A short video about Thalassemia Major patients and their requirement for blood was played to instill the idea of blood donation among the students. On the 7th of April, the blood donation camp started off at 9.30 am and continued till 4.00pm. There were more than **120 enthusiastic volunteers** who registered for blood donation and we were successfully able to collect **72 pints of blood** from the enthusiastic volunteers. Refreshments and participation certificate were provided to all the donors.

ORAL HYGIENE DAY 2017

On the occasion of National Oral Hygiene day on August 1st 2017, the department of Periodontics, DSCDS organised a Session on MODERN DAY APPROACH TO ORAL HEALTH by two inhouse speakers, Dr Savita AM, HOD and Dr Harsha MB, Reader. It was quite an interactive session with the interns and students of our college. Distribution of free tooth brush and Certificates were also done. Dr Pallavi compeered the whole program and Vote of thanks was delivered by Dr Archana. The program had a good feedback from the interns and staff.

The National Conference of Indian Society of Periodontology will provide the students with the opportunity to gain insights into Periodontology which is witnessing remarkable and unprecedented growth with regards to knowledge and skills with every passing day and knowledge and skills are powers which require sharing to be multiplied. This year the 44th ISP national conference was conducted at Bangalore on 8th, 9th and 10th November at The Grand Castle, Palace Ground, Bangalore. As the part of the conference, various preconference sessions were conducted in different dental colleges and we Dayananda Sagar College Of Dental Sciences were proud to host the 44th ISP Preconference course on Magnification, Precision, Minimal Intervention–Redefining Periodontal therapy by Dr Rashmi Hedge, Associate Professor, Department of Periodontics, Bharathiya Vidyapeeth, Pune. Department of Periodontics, Dayananda Sagar College of Dental Sciences in association with the Indian Society of Periodontology's conducted the Pre-Conference workshop at the very picturesque campus of Dayananda Sagar College Of Dental Sciences on 7th November 2019. Around 50 delegates from various other prestigious institutions from across the country (Hyderabad, Goa, Mumbai) attended the conference. Periodontal therapies are continuously going through a paradigm shift and procedures are becoming more oriented towards precise therapy with minimal intervention and with the use of magnification for accurate treatment. Keeping with the theme of the conference, we were happy to host 2 sessions of Lecture with hands on Work shop with a reputed Speaker Dr Reshmi Hegde, Associate Professor, Bharathiya Vidyapeeth who gave us a wonderful insights on the intricacies of periodontal therapies combined with precision and accuracy. The Scientific session started at 9.30am with the guest lecture delivered by Dr

Reshmi Hegde. The inaugural ceremony was graced by CHIEF GUEST Dr. Abhay Kholte, Secretary Indian Society Of Periodontology, Dr Anirban Chatterjee, Organising Secretary, 44th ISP National Conference as guest of Honour, Dr. Hemanth M, Principal, DSCDS & Dr Savita AM (Prof And Head) Department of Periodontology. Inaugural Ceremony was graced by the Head of various departments, senior dental faculty members and post graduates from various other departments. Dr. Savita AM, Professor and Head; Department of Periodontology, welcomed the gathering and appreciated the initiative taken by Indian Society Of Periodontology for meticulously organising the 44th ISP National Conference and thanked them for considering Dayananda Sagar College Of Dental Sciences as one among the venues for conducting preconference session. Dr Abhay Kholte gave the inaugural address. Dr Anirban Chatterjee highlighted the details of the conference, and appreciated Dayananda Sagar college of Dental Sciences for organising the preconference in a meticulous way. Dr Reshmi Hedge, a multi-faceted talent was also acknowledged for her talent in meticulously carving out with the objectives of demystifying the significance of microscope in the management of periodontal diseases and enlightening the delegates with the benefits associated with using electron microscope. The inaugural ceremony concluded, with a vote of thanks given by Dr. Pallavi, Senior Lecturer, Department of Periodontology.

The second part of the session started at 12.30pm. The sessions were properly planned and executed meticulously with the Hands On Workshop on Magnification, Precision, Minimal Intervention – Redefining Periodontal therapies in association with the Indian Society of Periodontology. Carl Zeiss AG branded as ZEISS, a German manufacturer of optical systems and optoelectronics provided us with

Bangalore - 560 078.

As oral hygiene day celebrations continue every year on 1st August, Dayananda Sagar college of Dental Sciences celebrated Oral Hygiene Day on 1st August, 2018 in a unique way, with the theme committed to expanding its educational program, spreading the message of Oral health and its importance.

The inaugural ceremony was graced by chief guest Dr. Meenakshi Bharath, Dr. Hemanth M, Principal DSCDS, Dr. Roopa R Nadig (Dean, DSCDS) and Dr. Savita AM (Prof & Head, Department of Periodontology) along with the Head of various Departments, senior dental and medical faculty from various institutes and post graduates.

The inaugural address was given by Dr. Meenakshi Bharath. She stressed on the importance of Oral Health integration with systemic health. A scientific session on title "ORAL HEALTH – A GATEWAY TO OVERALL HEALTH " by Dr. Prerana. An E-Poster competition was held to provide a platform for UGS and PGs to portray their knowledge on oral health awareness. The theme for Undergraduate poster was set as "Prevention of Periodontal diseases" and for postgraduates as "Oral Health = overall Health. An overwhelming response from undergraduates and postgraduates was recognised.

The second part of the session was commenced by a colourful FLASH MOB in front of the dental college, beautifully choreographed by the proficient interns, DSCDS along with the presentation of skit, to create awareness on oral hygiene.

ORAL HYGIENE DAY 1ST AUGUST 2022

Oral hygiene day is a very special day for a periodontist and the general dentist as we are the brand ambassadors. National Oral hygiene day is celebrated on August 1st to commemorate the birth anniversary of Dr Govind B Shankwalkar, a true legend and father of Indian Periodontics.

Every year the department of Peridontology celebrates Oral hygiene day in a unique way. The theme for this year was "Healthier gums Stronger teeth".

The following events were conducted:

1. Smile contest
2. Slogan writing competition

Apart from the above events other activities were also conducted like

1. Distribution of free samples of oral hygiene aids to patients
2. Displaying of short oral hygiene videos

Oral hygiene awareness was given to all patients by giving educational pamphlets and displaying short video. Free samples were distributed to all patients reporting to the department. The program was followed for a week (1st to 7th August) and free scaling treatment was done to poor patients. Brushing techniques were demonstrated and Oral Hygiene Instructions were also rendered to patients. Interns, PGs and Staff actively participated in these events.

The incharge staff for the events were Dr Archana Naik, Reader and Dr K Sravani Sr Lecturer from the dept of Periodontology.

Rules for the competitions was clearly mentioned for the participants.

The theme for the Slogan Writing contest was "Oral hygiene and care". Slogan writing was presented as a powerpoint in one slide. Students came up with well written slogans to educate the importance of oral hygiene.

~~Good oral health is especially important for us because oral health equals overall health.~~

A healthy smile means that the **teeth and gums that are well-taken care of, clean and strong.** It is an expression of joy, pleasure and positivity. Hence the "smile contest" was an apt way to bring a sense of positivity in the students and promote the significance of good oral health to the people

There was active participation by the undergraduates and post graduates in both the competitions. Prizes were given for the best three for slogan writing and Smile contest.

The winners for the Slogan writing were

1st prize- Dr Sameeksha (1st year PG)

2nd prize- Miss Inchara (1st BDS)

3rd prize- Miss Ayesha Sameen (3rd BDS)

The winners of the Smile contest were

1st prize- Dr Prarthana Bharadwaj (Intern)

2nd prize- Dr G.C. Gargi Prakash (Intern)

3rd prize- Miss Sahana Suggi

In the afternoon all the dental faculty members were invited to the department of Periodontics for an interactive session. The gathering was addressed and glorified by the words of wisdom of Dr. Hemanth M Principal. A short Health Talk were rendered by Dr Savita AM Head of the department of Periodontics to the audience.

The day ended with a high hope that we have moved a step forward in creating orally healthier community.

We thank the chief executive of Frimline Private limited and Dr Reddy's laboratories for giving us the required material for sample distribution. We acknowledge the ICPA group for giving us a Gift hamper as a token of appreciation.

DEPARTMENT OF PUBLIC HEALTH DENTISTRY**

REPORT ON WORLD NO TOBACCO DAY

Every year, on 31st May, the World Health Organization (WHO) and global partners celebrate World No Tobacco Day (WNTD). The annual campaign was used as a platform to raise awareness on the harmful and deadly effects of tobacco use and second-hand smoke exposure, and to discourage the use of tobacco in any form.

The focus of World No Tobacco Day 2019 is on **"TOBACCO AND LUNG HEALTH"**. Smoking is the number one cause of Oral cancer and other respiratory diseases. In this regard, Dayananda Sagar College of Dental Sciences conducted various programs

1. Screening and Awareness camp at BMTC Bus Depot, Banashankari 3rd stage

A screening camp and anti tobacco related campaign was conducted for the bus conductors, drivers, mechanics & public at the BMTC Bus Depot, Banashankari 3rd stage. About 150 people were screened for precancerous and other oral lesions. Camp referral cards were provided to them to avail dental treatment in our college at highly subsidized charges. IEC materials related to tobacco and its ill effects were distributed to the masses to create awareness.

2. Awareness rally near Lalbagh west gate

A team of dental doctors and interns of Dayananda Sagar College of Dental Sciences participated in the awareness rally and walkathon in association with Shankara Cancer Society from 7.30am to 9.30am. The rally started from Lalbagh west gate and ended at the Shankara Cancer Society. About 500 people were provided with IEC material during the rally.

3. Health talk at NR colony, UPHC

A health awareness talk regarding the ill effects of smoking and other forms of tobacco was given by staff of department of Public Health Dentistry to about 80 patients at the UPHC, NR colony. IEC materials were also distributed in the local market area. About 300 people were benefitted by the program

4. Rally and Health Awareness program near BMCRI, Chamrajpet

A health awareness rally was conducted from Bangalore Medical College & Research Institute to Chamrajpet followed by a health talk at BMCRI. Staff and interns of Dayananda Sagar college of Dental Sciences participated in the rally and talk which was conducted in association with DC office, Ministry of Health, Karnataka and Karnataka Cancer Society. IEC material were distributed to the masses at the rally.

Report on World No Tobacco Day Webinar
5th June 2021

Dayananda Sagar College of Dental Sciences Bangalore, Department of Public Health Dentistry in association with NSS RGHHS conducted a Webinar on the topic Holistic approach to Tobacco Cessation to commemorate the World No Tobacco Day which is celebrated on the 31st of May every year. The theme for this year is----“**COMMIT TO QUIT**”. The Webinar was based on this theme and we invited distinguished speakers in the field of tobacco cessation **Dr Vikrant Mohanthy, Dr Ashwini and Ms. Shinon** from Maulana Azad Institute of Dental Sciences, Delhi.

The program was planned in 4 sessions including **role-play** where a team of Psychologists and psychotherapists enacted a patient and doctor conversation and the various strategies that could be adopted to help the patient in tobacco cessation. **The first session** consisted all the basic information and statistics of tobacco production, forms and its usage in India and around the world. The existing rules and guidelines for its production and sales were also mentioned.

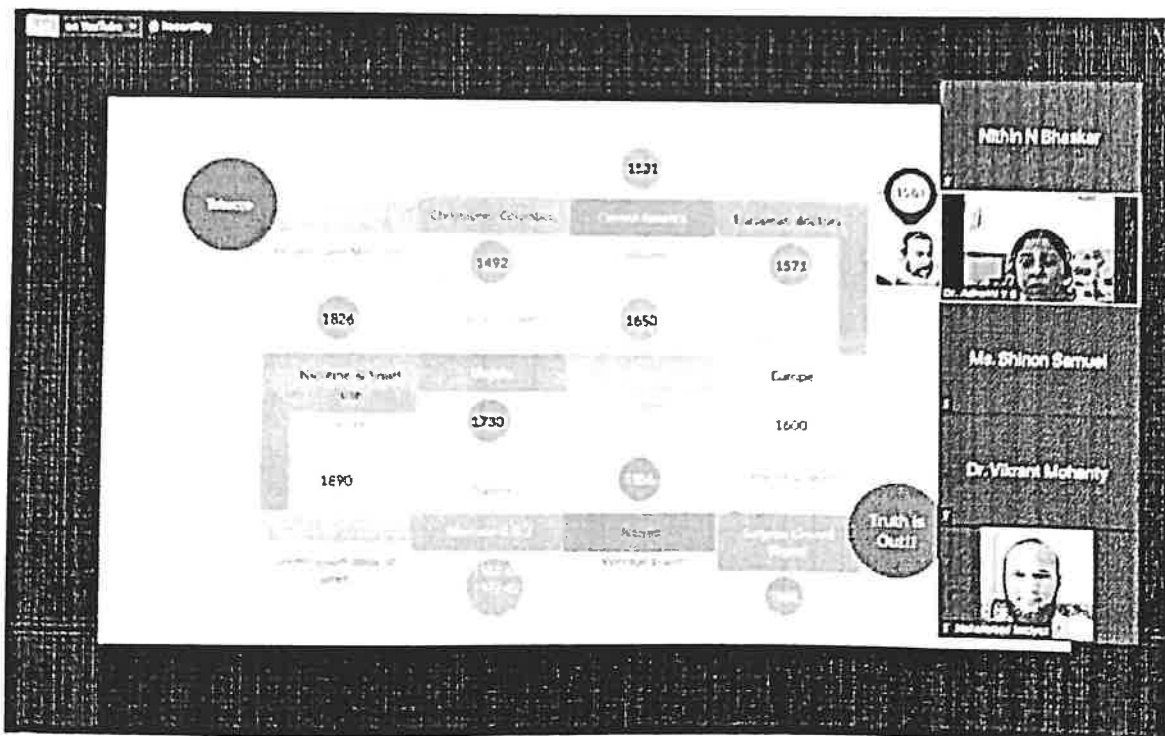

The second session focused around dentist as the main resource person and an important stake holder of Tobacco cessation and how tobacco cessation cells in colleges could be utilized in helping students quit the habit as well as plan and strategize a holistic method for cessation. Various **Nicotine replacement therapies** were discussed in detail. The speakers covered various topics of tobacco cessation and the **role of dentists, family, peers and society** in quitting the habit. The last session of the program covered **research lacunae** where many areas of Research evidence was low or moderate was highlighted and these could open up new venues for research for our post graduate students.

More than 230 participants around the country attended the program. They were given an opportunity to ask various questions to the speakers to which prompt and precise answers were given. Overall the sessions were highly informative.

Report on World No Tobacco Day 2022

Dayananda Sagar College of Dental Sciences in association with Karnataka Cancer Society observed the **World No Tobacco Day on the 31st of May 2022**. In this connection, a mega awareness rally was organized from Banashankari bus stand to our college campus between 9 AM to 10.30 AM. About 400 students and staff of Dayananda Sagar Institutions and members from Karnataka Cancer Society participated in the rally. A flash mob to gather the crowd, and a street play to convey the consequences of tobacco usage were performed for the benefit of public. Pamphlets regarding ill effects of tobacco usage in its various forms were distributed to the public who were gathered to see the street play as well as the motorists and passersby along the route of the rally. The rally was flagged off by Dr. Parimala Marur, Director, Department of Health and Family Welfare, Govt. of Karnataka and Mrs. Shanchala, Senior Manager, Canara bank. The rally culminated at Dr. Premachandra Sagar auditorium and refreshments were served to all the participants.

A formal program was organized at Dr. Premachandra Sagar auditorium of Performing arts from 11.00 AM to 1.30 PM. The program was presided by Dr. Hemanth M, Principal, Dayananda Sagar College of Dental Sciences and Mr Suresh, president, Karnataka Cancer Society and the chief guests for the program were Swamy Tadyuktananda ji Maharaj of Ramakrishna Math; Dr. Ramachandra R, Director of Kidwai Memorial Hospital, Bangalore; Mr. Suchendra Prasad, actor and Director, President of Samskara Bharathi, South region and Dr. Mamatha M S, Deputy Director, Joint Director Office and BBMP. A key note address was delivered by Dr. L Nagesh, Professor Emeritus, Research and Development on tobacco as a menace to society and measures to be taken to curb this problem. More than 600 people had gathered for this programme and took the Anti-Tobacco Pledge which was delivered by Swamiji. The guests spoke about importance of tobacco cessation and ways to reduce production of tobacco products.

Doctors Day Program 2022 report

Dayananda Sagar College of Dental Sciences played a key role in the provision of volunteers and doctors for various covid 19 related programs. In this regard, post graduate students and interns were posted to various covid care centres and post covid rehabilitation centers in Bangalore and also volunteered to work in ICU of CDSIMER college, Harohalli. Interns are posted everyday to UPHC Kumarswamy layout to help in registration of patients for vaccines. The college staff and students were also actively involved in RGUHS initiated teletriaging program called Step One. Our staff Dr Veena Pai was felicitated for doing the highest number of teletriaging and helping patients in the second wave of the pandemic. In this regard, a felicitation program was organized by Dayananda Sagar College of Dental Sciences to felicitate all the COVID warriors who selflessly dedicated themselves to the treatment of COVID 19 patients during the peak of the pandemic. Doctors from various cities and towns around Bangalore including Hoskote and Tumkur who worked in COVID care centres were felicitated by the Management in the presence of Dr. M K Ramesh, the honorable Vice chancellor of RGUHS, Karnataka

INTERNATIONAL YOGA DAY 2019

Practice yoga to transform your body and mind physically, mentally and spiritually.

Yoga boosts mental and physical health and improves the overall well-being. The United Nations declared June 21 as International Day of Yoga in 2015, and it has inculcated awareness about the spiritual discipline among people all across the globe.

Dayananda Sagar College of Dental Sciences along with Dayananda Sagar College of Engineering observed 'International Yoga Day' in the DSI campus on June 21st 2019. The program was scheduled between 10:00am to 12:00 noon at the Architecture Block. The chief guest for the program was Mr Hata Yogi L Chandrachari, a renowned Yoga expert practicing yoga since 25 years. The event was inaugurated by our honorable Secretary, Sri Galiswamy, Dr. CPS Prakash, Principal, DSCE and Dr. Hemanth M, Principal, DSCDS. Around 200 staff of various departments of DSI took part in the program.

Nouli Kriya and Udyana Bandha were demonstrated by the chief guest Mr. Chandrachari to the staff. Various Yoga exercises were instructed to the staff of DSI by yoga instructor Dr. Sudhindra. Meditation and Laughter Yoga was taught and we were made to practice the same.

In a world where non-communicable diseases, stress and lifestyle related ailments are rising, Yoga can play a central role in mitigating these diseases to create a healthy mind and body. This program was useful for everyone in understanding the important benefits of Yoga and how to practice it in their daily life. The program was well appreciated by all the participants.

DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES

REPORT ON YOGA DAY PROGRAM-17/06/2022

Dayananda Sagar College of Dental Sciences, NSS unit and Sports committee organized and conducted a Yoga program as part of the Countdown Yoga Program to commemorate the International Yoga Day celebrated on 21st June every year. The program was conducted in Architecture building ground floor on 17/06/2022 from 8:30am to 10:00 am. Faculty (teaching and non-teaching), postgraduates, interns and UG students participated. Miss Neha Dugar was invited as the chief guest and yoga instructor. The program started with the inaugural ceremony by welcoming the chief guest and the gathering, followed by key note address by our principal Dr Hemanth M. Miss Neha Dugar started the yoga session with a brief introduction to Yoga and its development followed by pranayama and asanas, The instructor stressed about inculcating yoga as a part of life everyday rather a one day affair. The program ended on a good note by thanking the chief guest, Principal, staff of DSCDS and the students.

Dear Professors,
Greetings!!!

As per the direction of Ms. Natasha H Sagar and our Principal,
I am sending the details of The Happiness Project (Mental Well being Awareness) event scheduled from 13th June 2022, Monday onwards for all the students, Faculty and staff of Dayananda Sagar Institutions.

The speakers for the program are Dr. Sandhya & Ms. Shivali who will be taking a Mental Health Awareness Session for all . Their profiles are attached.

The respective departments are expected to send their students, Faculty and Staff along with the HOD and be there 15 minutes earlier than the scheduled time and the respective departments are expected to take care of crowd coordination based on the schedule.

Important Instruction: All must wear Face Mask. Any one without mask will not be permitted inside the auditorium.

Venue: Dr. PC Sagar auditorium

Time : Please check your department's slot given in the attachment and be there 15 minutes earlier.

The details of schedule is attached

Warm Regards,
Dr. K.G.Hemalatha,
Professor & HOD,

Dr. Sandhya Thumsi

Dr Sandhya is a multidisciplinary professional with experience of 25 years as a medical doctor, Tertiary level Educator and specialist Integrative Counsellor. Her qualifications include MBBS (India) MSc (Anatomy) Singapore and MSSC (counselling, Australia) and Deaddiction Counselling (NIMHANS) Her life and work experience in Singapore for 20 years and 10 years in India give her a multicultural and multilingual perspective that is helpful in reaching people across diverse backgrounds and age groups.

Having worked in various roles in medicine, neurobiology, education, and counselling, as a doctor, educator, and counsellor both in India and Singapore, she brings a holistic approach to counselling. She has extensive experience with individuals, couples, and groups in areas of Mind-Body medicine, work-life balance, staff counselling, women and youth empowerment, parenting challenges, Anxiety and depression management, Preventive health, burnout prevention, sexuality, addiction, and other medicopsychosocial and existential issues. She has worked as a resource person at Academy for creative education, Advanced educational Services, Atma Shakti, Apatha salaah Kendra, Excel Care Hospital and running her own company Shubhaprada Life solutions. The promotion of human resilience, mental well-being and life management tools in young people, individuals, and communities during crises and in everyday life is an area she is passionately committed to.

As a professional counsellor, she uses perspectives of biopsychosocial spiritual approaches to human wellbeing based on neuroscience, Integrative Counselling, and educational psychology. This includes Attachment interventions/MI / REBT / CBT /DBT / EFT and Mind-body connections / to help people manage feelings/ thoughts and behaviours for optimal living in health and sickness.

Report on the webinar series on soft skills

The Soft Skills Development Committee of Dayananda Sagar College of Dental Sciences, Bengaluru conducted an online webinar series with a theme of “A Holistic approach to life during the COVID pandemic” from the 10th July 2020 to 15th July 2020. This program was conceived keeping in mind our responsibility to address the anxieties of our student community as well as the whole of our Dental fraternity. It was done with an intent of providing the participants with practical day to day tools to overcome uncertainty and stress that has become common place today.

It consisted of a web series of 6 presentations by various well known and established speakers from the Heartfulness Institute, which is a global non-profit organization having a presence in more than 160 countries. The institute is known to conduct such programs for various universities, schools, corporates and general public. The resource faculty were experts who were well recognized and successful members in their own fields of specialization. They gave insight to various life skill topics which are required in these times to one and all.

The topics that were covered were -

1. Developing alternate life skills for personal well being by Dr Krishna Murthy J, Director for Center for Ingetgrative Health and wellbeing, Bangalore.
2. Goal setting and remaining focused on goals during these uncertain times by Mr. Yogesh Pathak CTO Technoforte software private ltd.
3. Trusting Oneself by Mr. Subramanian Shankaran, Senior consultant BTS, Sweden.
4. Building confidence by Mr. Vishal Ghaneriwal an Entrepreneur and Softskill trainer.

5. Practicing a healthy lifestyle to counter the impact of COVID 19 by Dr Siddheswaran V, Professor CODS Davanagere.

6. Stress free living- coping with loneliness, anxiety and depression by Dr Gangadhar Eluru, Post doctoral fellow, Vrije University, Brussels, Belgium.

The 6 day webinar series saw a registration of over 950 participants. The registrations included dental faculty, dental practitioners and both UG & PG students pan India. The sessions were followed by practical training of the use of heartfulness meditation techniques everyday.

The program was extremely well received by the participants. The same kind of program has also been requested to be conducted by The participants were taught and encouraged to use these meditation techniques. Overall the program was beneficial to a large

Summary Report:First Workshop on Soft Skills Development for I BDS Students of DSCDS.

Venue: 4th Floor CIL, CD Sagar Building

Timing: 9:30am – 3:30pm

Date: 9/5/19

The first module of the Soft Skills development program was held under the guidance and chairmanship of our Principal Dr. Hemanth.M for the I BDS students of Dayananda Sagar College of Dental Sciences on 9th May 2019.

It was conducted in association with the Centre for Innovation & leadership (CIL), a part of Dayananda Sagar Institutions (DSI). It was a day long workshop for which the resource person was Mr. Mohammad Irfan, a well experienced corporate trainer who was brought in by CIL.

The first module was on “Personal Effectiveness”. It was a great learning experience for our young students who thoroughly enjoyed the workshop. It was ingrained into them that while technical skills may get our foot in the door, it is our people skills that open most of the doors to come. Goal setting, self-motivation, time management, confidence building, attitude development and a whole host of other personal attributes that are crucial for career success were touched upon and dealt with in a very interesting and effective way. The students were made to understand that with these soft skills they could excel as leaders. The basic idea of this first module was to get students to get to know each other and get to know how to get along with each other, all while displaying a positive attitude & outlook.

SOFTSKILLS PROGRAM FOR 1ST BDS STUDENTS

SOFTSKILLS PROGRAM FOR 1 ST BDS STUDENTS 2022		
Sl.No	Event Particulars	Details
1.	Date	06 th August 2022
2.	Venue	CIL LAB, Dayananda Sagar College of Engineering, Bangalore
3.	Time	9:15am onwards
4.	Chief Guest	Mr. Mohamad Irfan R
5.	Other Dignitaries Present	Dr. Hemanth M, Principal
6.	Pictures	Attached as Annexure – I
7.	Remarks	<p>A soft skill interactive program was conducted on 6th August 2022 at CIL lab , Dayananda Sagar College of Engineering, Bangalore . The program was held for the 1st BDS student to introduce the concept of soft skills and the essence and importance of these qualities in their professional as well as personal life.</p> <p>Dr. Ranjini introduced the guest speaker, Mr. Md. Irfan R who is an entrepreneur, an author, and an anchor. The speaker had organized his session in such a remarkable way which insured the attention of all the students throughout the session. The students actively participated in all the group activities and their enthusiasm would not have been possible without the dynamic speaker. The speaker even handed out copies of his books to student who volunteered to participate in few group activities.</p> <p>The speaker enlightened the students on how soft skill needs to be inculcated in our daily practice as we, being dentists are interacting with another human being and not with machines. This profession needs not just a mere treatment of the teeth, rather a treatment which helps one bond with the patients and assure them that they would be in capable hands. The students were given guidance on how one can improve their communication skill which again is an art by itself.</p> <p>Mr Irfan managed to developed a rapport with each of the student by the end of the session. The programmed was also graced by the Principal of Dayananda Sagar College of Dental Scienes, Banglore, DR. Hemanth M. Sir addressed the students and shared his own experience of how the communication skill and those that bridge the gap between the doctor and</p>

		<p>patients. Certificated to all the student were distributed and ended the program with a vote of thanks by Dr Preethi. The soft skill committee would like to express our sincere gratitude to Mrs Praveena for orchestrating such a remarkable skill development program.</p>

CIRCULAR

The Department of Oral and Maxillofacial Surgery, Dayananda Sagar College of Dental Sciences is conducting the following Programs for the Interns (Regular & Odd batch)

1. **Hands on workshop on 'Basic Life Support', (BLS)** in association with Department of Emergency Medicine, Apollo Hospitals, Bangalore for the benefit of Interns on 26th & 27th March 2018
Venue: Seminar Hall Heritage Building
Time: 9:00am to 5:00pm
2. **CDE Program on Medico Legal Aspects in Dental Practice** by Dr. Kedaranath Professor Department of OMFS, RRDC on 28/03/2018.

Venue: Class Room No: 04, Histology Lab
Time: 2:15pm onwards.

All participants will receive study material prior to the course to be prepared for a test and also will receive a certificate certified by the American Heart Association on completion of the course.

The two programs are mandatory for the interns prior to obtaining completion certificate as per Dental Council of India and Rajiv Gandhi University of Health Sciences, Bangalore.

Sir,

Sub: Conduct of CDE programme with hands -on and requisition for assigning appropriate DCI Credit points

The Department of Oral and Maxillofacial Surgery in association with Apollo Hospitals will be conducting CDE programme with hands -on workshop on **Basic Life Support** on Monday, 26th march 2018. In this regard we kindly request you to register this programme and also assign the relevant DCI Credit points applicable for this event.

This programme is aimed to reinstate basic and critical aspects of medical emergencies and life saving exercises to Dental undergraduates & Post Graduate students as well as Dental practitioners with **American Heart Association certification**. This training programme will definitely benefit the trainee undergoing this intense training programme .

We request you to kindly oblige and do the needful.

Thanking you,

Yours truly,

Dr.Shobha.E.S

Dr.Hemanth .M

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding made on the 8th day of July 2015 by and

BETWEEN: Commissionerate, Health, Family Welfare and AYUSH Services, Government of Karnataka, BENGALURU whose headquarters are located at 3rd Floor, IPP Building, Directorate of Health & Family Welfare Services, Anand Rao Circle, Bangalore- 560009 (herein referred to as 'The First Party).

1

Statutory Alert:

1. The authenticity of this Stamp Certificate should be verified at "www.shcilestamp.com". Any discrepancy in the details of this Certificate and as available on the website renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

AND: - DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES, (herein referred to as 'The Second Party') whose address is SHAVIGE MALLESHWARA HILLS, KUMARASWAMY LAYOUT, BENGALURU-78

WHEREAS Commissionerate, Health, Family Welfare and AYUSH Services, Government of Karnataka (GoK), is the Competent Authority at State level to implement various Programmes and Schemes of the Health & Family Welfare Department and shall implement the Oral Health Policy to provide complete dentures to the needy senior citizens (60 years and above) who live below poverty line and this part of the policy shall be herein called as "Danta Bhagya Yojane".

WHEREAS DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES located at SHAVIGE MALLESHWARA HILLS, KUMARASWAMY LAYOUT, BENGALURU-78 established in the year 1991 has professional, academic and technical proficiency in implementing the scheme "Danta Bhagya Yojane" and henceforth has agreed to provide the technical support and treatment for providing the complete dentures to the needy senior citizens who live below poverty line.

AND WHEREAS Commissionerate, Health, Family Welfare and AYUSH Services, Government of Karnataka, and DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES recognize the necessity to synergize and mutually co-operate to provide complete dentures to the needy senior citizens who live below poverty line in Karnataka and thereby to effectively implement the scheme of "Danta Bhagya Yojane" as part of the Oral Health Policy.

NOW THEREFORE, this MoU hereby bestows the covenants in terms of certain roles and responsibilities for the parties for the smooth functioning of the "Danta Bhagya Yojane" and other schemes of Oral Health Policy as and when announced by the First Party.

Responsibilities of Commissionerate, Health, Family Welfare and AYUSH Services, Government of Karnataka:

1. Health & Family Welfare Department shall implement the scheme of Danta Bhagya Yojane" in 30 Districts of Karnataka through the Government and Private Dental Colleges of Karnataka.
2. Eligibility criteria for identifying the beneficiaries, documentation process and records maintenance of beneficiary shall be made by the Health & Family Welfare Department.
3. Health & Family Welfare Department shall pay an amount of Rs. 500 (Rupees Five Hundred Only) per complete denture to the Dental College which includes the cost of treatment plan, manpower, materials, technical services, and other incidental expenses.
4. Health & Family Welfare Department shall provide the format for referral slips and monthly reports to all the concerned Institutions.

5. The Medical Officer/Dental Officer working at any State-run Government Health Centre/Government Hospital shall authorize the beneficiaries to avail the benefits of the scheme after scrutinizing the necessary documents. This does not include the Health Centres/Hospitals run by the Central Government.
6. The payments to the Colleges shall be made online directly into their bank accounts on a monthly basis.
7. Health & Family Welfare Department shall train the ANM's/ASHA's/paramedical personnel within their jurisdictional District to identify, diagnose and refer the beneficiaries to the allotted Dental College.

Responsibilities of the Dental College:

1. Dental College shall conduct some dental outreach camps and refer the beneficiaries to the Dental College or conduct on-site treatment for complete dentures.
2. Dental College shall not charge any kind of additional fees such as OPD card charges or registration fees, etc. The scheme does not include the cost of drugs, medications and other incidental expenses related to the complete dentures. However, any beneficiary having a few remaining teeth indicated for total extraction or any other minor procedures indicated as treatment plan for insertion of complete dentures shall be free of cost including tooth extractions.
3. Complete dentures shall be made using standard treatment procedures and materials.
4. The Dental College shall not deny or delay treatment for the eligible beneficiaries of this scheme. However the beneficiaries can be allotted appointment on first-cum-first serve basis and preferably on fixed days of the month to avoid undue delay of treatment.
5. The Dental College shall treat the beneficiaries of this scheme as its own patient and take all necessary measures such as informed consent.
6. The Dental College shall submit their monthly reports to the District Health & Family Welfare Officer and Deputy Director (Medical) periodically as agreed by both the parties.

The parties agree as follows:

1. **Term:** The Project implementation will commence on 1st of July 2015. The term of this Memorandum of Understanding is for 5 years (five years) and may be extended subject to satisfactory performance and decision of the GoK).
2. **Financial provisions and management of funds:** All the payments for project activities will be paid directly to the Second party on a post-audit basis, by the State level office on submission of reports by the Second Party to the Deputy Director (Medical). An amount of Rs 50,000 will be released in advance to the Second Party for provision of 100 dentures. The second party will be eligible for subsequent advance payments after completion of 100 dentures. Reports should be submitted online every month in the prescribed format including pre & post photographs of the beneficiary.

3. The Second Party shall not make any changes without prior approval from the Commissioner, Health & Family Welfare Department, Government of Karnataka. Changes in the line item shall not alter the main purpose of the project and shall be done only to ensure smooth implementation of the agreed project goal.
4. Statutory liabilities such as TDS (Tax deduction at Source), Professional Tax, etc will be the responsibility of the Member Secretary, Oral Health Policy, and the deductions will be made accordingly as applicable.
5. Visibility: The second party must take all necessary steps to publicize the fact that the Health and Family Welfare Department, Government of Karnataka, has financed the activities funded under this scheme. The Health and Family Welfare Department, Government of Karnataka, shall acknowledge the second party for its effort and technical support in implementing the project.....
6. Force Majeure: Neither party shall be responsible for any breach of contract due to a Force Majeure which is irresistible, unforeseeable and exterior.
7. Assignment: This Memorandum of Understanding and the ensuing disbursement may not be transferred or assigned to a third party in any manner whatsoever without prior written consent from the Health & Family Welfare Department, Government of Karnataka.
8. Independent second party relationship: Nothing contained herein shall be construed to imply a joint venture, partnership, or employer and employee relationship between parties. Neither party shall have any right, power, or authority to create any obligation, express or implied, on behalf of the other except as defined in this Memorandum of Understanding or as mutually agreed to under the terms of Memorandum of Understanding. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
9. Modifications, Amendments or waivers: No modifications or amendments to this Memorandum of Understanding nor the waiver of any provision shall be valid unless presented in writing and signed by duly authorized representatives of both the parties.
10. Applicable laws- Legal disputes: This Memorandum of Understanding shall be interpreted by, and construed in accordance with the laws of the Republic of India. All disputes, differences, or questions between the parties with respect to any matter arising out of or relating to, but not limited to, the existence, validity, construction, performance and termination of this agreement which the parties cannot amicably settle shall be finally settled under the Rules of Arbitration, by one or more arbitrators appointed in accordance with said Rules. The arbitration shall take place in Bangalore (India) and the arbitration proceedings shall be conducted in the English language under Indian law.

The arbitration award shall be final and binding upon the Parties and shall be enforceable in any court of competent jurisdiction, and the parties hereby waive any objections to or claims of immunity from jurisdiction and/or in respect of such enforcement.

11. **Publicity:** Both parties agree to consult each other in case of any requirement of publicity of the said project to the media or any other agency and act diligently in the best interest of the project.
12. **Modification:** Both the parties may modify this MoU based on a mutual understanding. Such understanding shall always be in writing, signed by both the parties.
13. **Relationship:** Nothing in this MoU shall constitute, create or give effect or recognize a joint venture, partnership or principal/agent relationship between the parties or a business entity of any kind. Neither party shall have the express or implied right or authority to assume or create any obligations on behalf of or in the name of the other party or to bind the other party to any other contract, agreement or undertaking with any third party.
14. **Confidentiality:** The second party shall treat as confidential, during as well as after, the performance of any work under this Memorandum of Understanding, any information, including any personal information defined by the Health & Family Welfare Department, Government of Karnataka, to which the Second Party becomes privy as a result of acting under this Memorandum of Understanding. The Second Party shall not disclose any such information to any other person or party which is not participating in this Memorandum of Understanding in a form that could reasonably be expected to identify the person, including individuals, to whom such information relates.
15. **Termination:** This Memorandum of Understanding may be terminated, in whole or in part, by either party at any time upon 90 (ninety) days prior written notice of termination to the other party.
16. Upon termination of work performed before the date of termination, each party shall be fully and forever released and discharged from any legal and all obligations, covenants or liabilities of whatsoever kind or nature in law or equity or otherwise arising out of or in connection with the Memorandum of Understanding by and between the Second Party and the Health & Family Welfare Department, Government of Karnataka.
17. **Complete Memorandum of Understanding:** This Memorandum of Understanding becomes a binding contract only upon signature by both parties and the delivery of fully signed copies to the other party.

Sub : Community postings from department

Sir,

It's a good initiative taken by our Institution to conduct dental camps around our college and in remote areas to cater to people who cannot afford dental treatment. In this regard, we are very pleased to send our Interns, PGs and staff of our department for peripheral/satellite centres and community camps organised on a rotation basis to render our service in a small way. Thank you so much for this.

Yours sincerely,

Wedarathu. B

To: Principal . <principal@dscds.edu.in>

Dear Dr Hemant,

We spoke.

Kindly arrange to hold a dental camp at the DSPS -Anjanapura campus on Saturday 18th of this month.
The camps would start from 10.00 am to 4.00 pm.

We will have 2-3 medical experts from Sagar -JNR, and BSK for 3 hours each
BSK doctors/ a nutritionist will be on the school premises from 10.00 am to 1.00 pm
JNR doctors and a nutritionist will be coming at 1.30 pm and leaving at 4.00 pm.

The Dental camp is for the full day.
Pls arrange to bring the mobile dental bus!
The school can provide the required electrical power supply.

Pls send me the details of the dental camp: meaning what can be expected by the potential
community to whom we would be sending out invites in Anjanapura and beyond.

Respected Madam,

Subject: To Conduct Dental Camp on Every Second Saturday at your School Premises.

With reference to the above, I wish to bring your kind notice, that our postgraduate students from the department of Orthodontics and Dentofacial Orthopaedics would like to conduct dental camp at your premises every second Saturday of the month, as per your suggestion, that there will be parents meeting, so that with your help and support we can check the students and educate their parents for the necessary of the treatment.

Kindly do the needful and oblige.

Thanking you

Yours Sincerely

Prof. Dr. Hemanth M

Policy Document

ANTI-RAGGING COMMITTEE

1. Preamble:

In view of the directions of the Hon'ble Supreme Court and in consideration of the determination of the Central Government and the University Grants Commission we at DSCDS, in exercise of the powers conferred by Clause (g) of Sub-Section (I) of Section 26 of the University Grants Commission Act, 1956, take ragging as a very serious offence & make all the efforts in curbing this menace in our institution.

Thus, in the interest of our students, we implement the UGC regulations on curbing the ragging in our institution.

1.1. Applicability:

They shall apply to all the departments, constituent units and all the premises (academic, residential, sports, canteen, etc) of DSCDS, whether located within the campus or outside, and to all means of transportation of students whether public or private.

2. Objectives:

To prohibit, prevent and eliminate the scourge of ragging, including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or in-disciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing all power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students.

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

3. Definitions: For the purposes of these Regulations:

3.1. "college" means any institution, whether known as such or by any other name, which provides for a program of study beyond 12 years of schooling for obtaining qualification from a university and which, in accordance with the rules and regulations of such university, is recognized as competent to provide for such program of study and present students undergoing such program of study for the examination for the award of such qualification.

3.2. "Head of the institution" means the 'Vice-Chancellor' in case of a university/deemed to be university, 'Principal' in case of a college, 'Director' in case of an institute.

3.3. "institution" means a higher educational institution (HEI), like a university, a college, an institute, etc. imparting higher education beyond 12 years of schooling leading to a degree (graduate, postgraduate and/or higher level) and/or to a university diploma.

3.4. "Ragging" means the following:

a. Any conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student

b. Indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student

c. Asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

d. Any act of senior student that prevents, disrupts or disturbs the regular academic activity of any other student or fresher

e. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students

f. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students

g. Any act or abuse by spoken words, emails, post, public insults, which also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student

h. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene & lewd acts, gestures, causing bodily harm or any other danger to health or person

PRINCIPAL
Ananda Sage College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

i. Any act that affects the mental health & self-confidence of a fresher or any other student with or without an intent to derive sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

4. Punishable ingredients of Ragging:

- Abetment to ragging;
- Criminal conspiracy to rag;
- Unlawful assembly and rioting while ragging;
- Public nuisance created during ragging;
- Violation of decency and morals through ragging;
- Injury to body, causing hurt or grievous hurt;
- Wrongful restraint;
- Wrongful confinement;
- Use of criminal force;
- Assault as well as sexual offences or unnatural offences;
- Extortion;
- Criminal trespass;
- Offences against property;
- Criminal intimidation;
- Attempts to commit any or all of the above mentioned offences against the victim(s);
- Physical or psychological humiliation;
- All other offences following from the definition of "Ragging".

5. Measures for prohibition of ragging at the institution level:

5.1. DSCDS shall strictly observe the provisions of the Act of the Central Government and the State Governments, if any, or if enacted, considering ragging as a cognizable offence under the law on par with rape and other atrocities against women and ill-treatment of persons belonging to the SC/ST, and prohibiting ragging in all its forms in all institutions.

PRINCIPAL
Nayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

5.2. Ragging in all its forms shall be totally banned in the entire DSCDS, including its departments, constituent units, all its premises (academic, residential, sports, canteen, etc) whether located within the campus or outside and in all means of transportation of students whether public or private.

5.3. DSCDS shall take strict action against those found guilty of ragging and/or of abetting ragging.

6. Measures for prevention of ragging at the institution level:

6.1. Before admissions:

6.1.1. The advertisement for admissions shall clearly mention that ragging is totally banned in DSCDS, and anyone found guilty of ragging and/or abetting ragging is liable to be punished appropriately (for punishments, ref. section 8 below).

6.1.2. The brochure of admission/instruction booklet for candidates shall print in block letters these Regulations in full (including Annexures).

6.1.3. The 'Prospectus' and other admission related documents shall incorporate all directions of the Supreme Court and /or the Central or State Governments as applicable, so that the candidates and their parents/ guardians are sensitized in respect of the prohibition and consequences of ragging.

6.1.4. At the start of each academic year the students will have to fill up an Anti-ragging affidavit/undertaking online by visiting www.antiragging.in or www.amanmovement.org. After completion of online entry, the student should submit a copy of the affidavit duly signed to the Principal office.

6.1.5. At the start of each academic year the parents of the students also have to fill up an Anti-ragging affidavit/ undertaking online by visiting www.antiragging.in or www.amanmovement.org. After completion of online entry, the parent should submit a copy of the affidavit duly signed to the Principal office.

6.1.6. The application for admission shall be accompanied by a document in the form of the School Leaving Certificate/Transfer Certificate/Migration Certificate/Character Certificate which shall include a report on the behavioral pattern of the applicant, so that the institution can thereafter keep intense watch upon a student who has a negative entry in this regard.

6.1.7. A student seeking admission to the hostel shall have to submit additional undertaking in the form of Annexure I (both Parts) along with his/ her application for hostel accommodation.

6.1.8. At the commencement of the academic session the Head of the Institution shall convene and address a meeting of various functionaries/agencies, like Hostel Wardens, representatives of students, parents/ guardians, faculty, district administration including police, to discuss the

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 5

measures to be taken to prevent ragging in DSCDS and steps to be taken to identify the offenders and punish them suitably.

6.1.9. To make the community at large and the students in particular aware of the dehumanizing effect of ragging, and the approach of the institution towards those indulging in ragging, big posters (preferably multicolored with different colors for the provisions of law, punishments, etc.) shall be prominently displayed on all Notice Boards of all departments, hostels and other buildings as well as at vulnerable places. Some of such posters shall be of permanent nature in certain vulnerable places.

6.1.10. DSCDS shall request the media to give adequate publicity to the law prohibiting ragging and the negative aspects of ragging and the institution's resolve to ban ragging and punish those found guilty without fear or favour.

6.1.11. DSCDS shall identify, properly illuminate and man all vulnerable locations.

6.1.12. DSCDS shall tighten security in its premises, especially at the vulnerable places. If necessary, intense policing shall be resorted to at such points at odd hours during the early months of the academic session.

6.1.13. DSCDS shall utilize the vacation period before the start of the new academic year to launch wide publicity campaign against ragging through posters, leaflets, seminars, street plays, etc.

6.1.14. The faculties/ departments/ units of DSCDS shall have induction arrangements (including those which anticipate, identify and plan to meet any special needs of any specific section of students) in place well in advance of the beginning of the academic year with a clear sense of the main aims and objectives of the induction process.

6.2. On admission:

6.2.1. Every fresh student admitted to DSCDS shall be given a printed leaflet detailing when and to whom he/she has to turn to for help and guidance for various purposes (including Wardens, Head of the institution, members of the anti-ragging committees, relevant district and police authorities), addresses and telephone numbers of such persons/authorities, etc., so that the fresher need not look up to the seniors for help in such matters and get indebted to them and start doing things, right or wrong, at their behest. Such a step will reduce the fresher's dependence on their seniors.

6.2.2. DSCDS, through the leaflet mentioned above shall explain to the new entrants the arrangements for their induction and orientation which promote efficient and effective means of integrating them fully as students.

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

6.2.3. The leaflet mentioned above shall also inform the fresher about their rights as bonafide students of our institution and clearly instructing them that they should desist from doing anything against their will even if ordered by the seniors, and that they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

6.2.4. The leaflet mentioned above shall contain a calendar of events and activities laid down by our institution to facilitate and complement familiarization of fresher with the academic environment of the institution.

6.2.5. DSCDS shall also organize joint sensitization & joint orientation programs of fresher and seniors. Organization of cultural, sports & other activities on a large scale to provide a platform for the freshers & seniors to interact in presence of faculty members. In the hostel the warden should address all the students.

6.2.6. Freshers shall be encouraged to report incidents of ragging, either as victims, or even as witnesses.

6.2.7. Every student of DSCDS & his/her parents shall provide the specific affidavits required as the regulations stated under 6.1 at the time of admission or registration as the case may be, during each academic year. These shall be maintained to ensure a safe keep-up, including an electronic form, to be accessed easily when required either by the commission or any other councils or by the institution or any other relevant authorities.

6.2.8. Every student at the time of his/her registration shall inform the DSCDS about the place of residence while pursuing the course of study. In case of any change, the details of his place shall be updated to the institution.

6.3. At the end of the academic year:

6.3.1. At the end of every academic year the Principal shall send a letter to the parents/ guardians of the students who are completing the first year informing them about the law regarding ragging and the punishments, and appealing to them to impress upon their wards to desist from indulging in ragging when they come back at the beginning of the next academic session.

PRINCIPAL

patrolling functions, which shall remain mobile, alert and active all the times. The number of Anti Ragging squads based on number of blocks and strength of the student so that Anti-Ragging measures can be effectively implemented. It shall consist of members belonging to the various sections of the campus community and shall have no outside representation. The term of the committee will be for one year.

Provided that the anti-ragging shall conduct such enquiry observing a fair and transparent procedure and the principles of natural justice and after giving adequate opportunity to the student/students accused of ragging and other witnesses to place before it the facts, documents and views concerning the incident of ragging, and considering such other relevant information as may be required.

- a. To make surprise raids on academic blocks/hostels and other places vulnerable to incidents of and having the potential of ragging. Anti-Ragging Squad shall maintain the record in the register of the surprise visits.
- b. It is the duty of the squad to conduct an on spot enquiry into any incident of ragging referred to it by the head of the institution or any member of the faculty, staff, student, parent or guardian or any employee of a service provider, or by any other person, as the case may be.
- c. The squad shall investigate incidents of tagging and make recommendations to the Anti-Ragging Committee and shall work under the overall guidance of the said committee.
- d. the enquiry report with the recommendations shall be submitted to the anti-ragging committee for action as per UGC regulations.

6.4.3. The Mentoring Cell: At the end of every academic year the institution shall form a 'Mentoring Cell' consisting of Mentors for the succeeding academic year in order to promote the objectives of these regulations. The cell consists of students volunteering to be mentors for freshers in the succeeding academic year. There shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of 1 Mentor for 6 freshers and 1 Mentor of a higher level for 6 Mentors of the lower level. The term of the committee will be for one year.

Senior Level

- a. To guide and support as well as to interact with freshers through junior level mentors.

Junior Level

- a. To mentor freshers, interact with them and to provide congenial and welcoming environment on the campus.

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 076.

Faculty

- a. One faculty member for a group of higher level mentors

6.5. Other measures:

6.5.1. The Annexures mentioned in sub-clauses 6.1.4, 6.1.5 and 6.1.7 of these Regulations shall be furnished at the beginning of each academic year by every student, that is, by freshers as well as seniors.

6.5.2. DSCDS shall arrange for regular and periodic psychological counseling and orientation for students (for freshers separately, as well as jointly with seniors) by professional counselors during the first three months of the new academic year. This shall be done at the institution and department/ course levels. Parents and teachers shall also be involved in such sessions.

6.5.3. Apart from placing posters mentioned in sub-clause 6.1.9 above at strategic places, DSCDS shall undertake measures for extensive publicity against ragging by means of audio-visual aids, by holding counseling sessions, workshops, painting and design competitions among students and other methods as it deems fit.

6.5.4. Wardens shall be appointed as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline, as well as the softer skills of counseling and communicating with the youth outside the class-room situations. Wardens shall be accessible at all hours and shall be provided with mobile phones. DSCDS shall review and suitably enhance the powers and perquisites of Wardens and authorities involved in curbing the menace of ragging.

6.5.5. The security personnel posted in hostels shall be under the direct control of the Wardens and assessed by them.

6.5.6. The Head of the institution shall take immediate action on receipt of the commendations of the Anti-Ragging Squad. He/ She shall also take action suo moto if the circumstances so warrant.

6.5.7. Freshers who do not report the incidents of ragging either as victims or as witnesses shall also be punished suitably.

6.5.8. Anonymous random surveys shall be conducted across the 1st year batch of freshers every fortnight during the first three months of the academic year to verify and cross-check whether the campus is indeed free of ragging or not. DSCDS will design its own methodology of conducting such surveys.

6.5.9. The burden of proof shall lie on the perpetrator of ragging and not on the victim

6.5.10. DSCDS shall file an FIR with the police / local authorities whenever a case of ragging is reported, but continue with its own enquiry and other measures without waiting for action on the

PRINCIPAL
Dayananda Sagar College
Kumarawada
Bangalore
Department of Physical Sciences

part of the police/ local authorities. Remedial action shall be initiated and completed within the one week of the incident itself.

6.5.11 The Migration / Transfer Certificate issued to the student by DSCDS shall have an details relating to general conduct and behavior, whether the student has been punished for the offence of committing or abetting ragging, or not, and also whether the student has displayed persistent violent or aggressive behavior or any inclination to harm others.

6.5.12. Preventing or acting against ragging shall be the collective responsibility of all levels and sections of authorities or functionaries in the institution, including faculty, and not merely that of the specific body/ committee constituted for prevention of ragging

6.5.13. The Institution will conduct an Anti-Ragging workshop at the beginning of every academic year comprising of the Fresh students, anti-ragging committee members and an external member (DCI Member) to sensitize the students about the menace of ragging and measures taken by the institution to curb them.

6.5.14. Access to mobile phones and public phones shall be unrestricted in hostels and campuses, except in class-rooms, seminar halls, library etc. where jammers shall be installed to restrict the use of mobile phones.

6.6. Measures for encouraging healthy interaction between freshers and seniors:

6.6.1. DSCDS shall set up appropriate committees including the course in-charge, student advisor, Warden and some senior students to actively monitor, promote and regulate healthy interaction between the freshers and senior students.

6.6.2. Freshers welcome parties(Fresher's Day) shall be organized by the senior students and the faculty together soon after admissions, preferably within the first two weeks of the beginning of the academic session, for proper introduction to one another and where the talents of the freshers are brought out properly in the presence of the faculty, thus helping them to shed their inferiority complex, if any, and remove their inhibitions.

6.6.3. DSCDS shall enhance the student-faculty interaction by involving the students in all matters of the institution, except those relating to the actual processes of evaluation and of faculty appointments, so that the students shall feel that they are responsible partners in managing the affairs of the institution and consequently the credit due to the institution for good work/ performance is due to them as well.

Kumaraswamy Layout,
Bangalore - 560 083.

7. Recommended action to be taken.

7.1 By the Head of the Institution

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of DSCDS, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

1. Suspension from attending classes and academic privileges
2. Withholding/ withdrawing scholarship/ fellowship and other benefits
3. Debarring from appearing in any test/ examination or other evaluation process
4. Withholding results
5. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
6. Suspension/ expulsion from the hostel
7. Cancellation of admission
8. Rustication from the institution for period ranging from 1 to 4 semesters
9. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period ,
10. Fine ranging between Rupees 25,000/- and Rupees 1 lakh
11. Collective punishment: When the persons committing or abetting the crime of ragging are not identified, DSCDS shall resort to collective punishment as per UGC regulations.

7.2 At the appointing authority level:

The authorities of DSCDS, particularly the Head of the institution, shall be responsible to ensure that no incident of ragging takes place in the institution. In case any incident of ragging takes place, the Head shall take prompt and appropriate action against the person(s) whose dereliction of duty lead to the incident. The authority designated to appoint the Head shall, in its turn, take prompt and appropriate action against the Head.

8. Submission of report

DSCDS will send the report of the anti-ragging workshop conducted at the start of each academic year to the Dental council of India on or before 31st December of each year.

Work Flow 1

1. Anti-Ragging Squad will immediately enquire and report any incidence of ragging or abetment of ragging noticed by them immediately to the head of the institute and also to the Anti-Ragging Committee
2. Immediate action as per the situation will be taken by the Institute Anti Ragging Committee which may include:
 - i. Immediate action as per UGC regulations (4) of involved students
 - ii. Sending reinforcements or any help if required.
 - iii. Forwarding the report of the incident to the Anti-Ragging Committee of the University.
3. The Anti-Ragging Committee will examine the report and recommend appropriate punishment to University Anti Ragging Committee for approval (Reporting of the matter to the Civil Police or District Administration or lodging of complaint/FIR will not be done without the approval of University Anti Ragging Committee).
4. If any incident, even minor is reported, in addition to action taken with regard to that incidence the anti-Ragging measures will be reviewed and strengthened with immediate effect.
5. The punishment to be meted out to the persons indulged in ragging has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents.
6. Every single incident of ragging a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities.
7. The Anti-Ragging Committee of the institution shall take an appropriate decision, with regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging.
8. a) Depending on the nature and gravity of the offence as established by the Anti ragging Committee of the institution, those found guilty of ragging shall be liable for any one or more of the following punishment. The decision of the anti-ragging committee shall be final and binding –

PRINCIPAL

Summary Report:Anti Ragging Workshop 2019conducted in DSCDS.

Venue: CD Sagar Building

Timing: 2pm Onwards

Date: 12/11/19

The Anti Ragging Workshop, 2019 was held under the guidance and chairmanship of our Principal Dr. Hemanth.M at Dayananda Sagar College of Dental Sciences on 12th Nov 2019.

It was conducted as a part of the sensitization & awareness creation for the students of Dayananda Sagar College of Dental Sciences (DSCDS) as mandated by the Dental Council of India (DCI). It was a half a day workshop for which the Chief Guest was Dr. Shiv Sharan Shetty, DCI Member, Syndicate & Senate Member, RGUHS. We also had with us senior Advocates from the High Court of Karnataka Mr.Sreeprasad & Mr.Padmanab and the Police Inspector from the Jurisdictional Police Station, Mr. Shivkumar present with us for the entire program. The workshop was presided over by the Secretary of our institution, Shri. Galiswamy.

Dr.Hemanth M, our Principal outlined all the necessary measures that have been taken to keep our college a 'Ragging-Free college' and also focussed on innovative measures that our college has adopted to tackle this menace like setting up of a Mentorship Cell which involves equal participation from freshers & senior students in a 'mentor-mentee' relationship. This has been a proven technique that when employed had seen favourable results in improving interaction and comraderie between students. The Chief Guest & the Advocates spoke in great length about Ragging as a social evil, the rules and regulations regarding acts that are constituted as ragging. It was a great learning experience for our students who were also given important lessons in the do's & don'ts while interacting with their juniors & seniors alike. It proved to be a very helpful & Informative workshop wherein it was ingrained into the students that both the act of ragging as well as being overly sensitive to friendly overtures thereby blowing them out of proportion can be detrimental to both the fresher & the senior students. The students were told to carry themselves with responsibility and focus on what they have come here for, that being education & studies.

The event also saw the felicitation of one of our First year BDS student, Ms. Preeti by the Chief Guest Dr. Shiv Sharan & by our Principal Dr. Hemanth M for having won a total of 6 medals in Swimming. She represented our college in the State Inter-Collegiate Aquatic Championships held at BAC, Bangalore where she won 3 Gold & 1 Bronze medals and also at the National level in the All India Inter University Games held at Punjab wherein she was successful in getting 2 more bronze medals.

DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

REPORT OF DENTAL AND MEDICAL CAMPS ON 28/02/2021

A total of 11 Dental and General health screening and treatment camps were organized by National Medicos Organization and conducted by Dayananda Sagar College of Dental Sciences on 28/02/21. All the camps started by 9.00AM and closed by 1.00PM. The beneficiaries of camps were general public specially belonging to lower socioeconomic strata. The details of work done are compiled in the following table as summary data.

SCREENED	SCALING	FILLING	EXTRACTION	BLOOD SUGAR CHECK UP	BLOOD PRESSURE CHECK UP
705	11	34	6	430	434

The team was equipped with instruments, dental materials and medications as provided by the department of Public health dentistry. The post graduate students and Interns too carried their instruments along for use during the camp.

All team members assembled in the college premises by 8 am on 28 Feb 2021, and made final arrangements for the camp. By 8:30 am, all team members departed to the camp site and reached by 8:50 am. After initial setting up camp location and necessary arrangements, the free dental and health awareness camp was kick-started by about 9:15 am.

Dental health education and general health awareness was imparted to all the attendees of the camp using dental health educative video played on the laptop. Many patients were further referred to DSCDS for management by respective specialties. Free medicines, tooth brushes,, mouth washes and toothpastes were distribute to the masses free of cost, courtesy of Oral B, Micro labs and ICPA who were the sponsors.

The camp was considered successful in bringing about dental health awareness among the community strata in and around the vicinity of the camp site. The camp concluded around 1:00 pm.

DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

The break-up data at every camp site is enclosed in the master table for your purview. Free distribution of drugs was done to the patients visiting camps. We are extremely thankful to all the Karyakarthis of NMO & RSS who lended their helping hands to us by organizing these camps. We are looking forward to you for further camps and with more beneficiaries.

ದಯಾನಂದ ಸಾಗರ್ ದಂತ ವೈದ್ಯಕೀಯ ಕಾಲೇಜು,

ಶಾವಿಗೆ ಮಲ್ಲೇಶ್ವರ ಬೆಟ್ಟ, ಕುಮಾರ ಸ್ವಾಮಿ ಲೇಔಟ್,

ಬೆಂಗಳೂರು - 560078.

ತಂಬಾಕು ತ್ಯಜಿಸುವ ಕೇಂದ್ರ

ತಂಬಾಕು ಬಳಕೆಯು ವಿಶ್ವದಲ್ಲಿ ಸಾಕಷ್ಟು ರೋಗಗಳಿಗೆ ದಾರಿ ಮಾಡಿಕೊಟ್ಟಿದ್ದು, ಸಾವಿನ ಏಕೈಕ ದೊಡ್ಡ ಕಾರಣವಾಗಿದೆ. ಅದರ ಅರ್ಥವಷ್ಟು ಬಳಕೆದಾರರನ್ನು ಕೊಲ್ಲುವ ಏಕೈಕ ಗ್ರಾಹಕ ಉತ್ಪನ್ನವೆಂದರೆ ತಂಬಾಕು. ಅದು ವಾರ್ಷಿಕವಾಗಿ 5.4 ಮಿಲಿಯನ್ ಸಾವುಗಳಿಗೆ ಕಾರಣವಾಗಿದೆ. ಭಾರತದಲ್ಲಿ, ತಂಬಾಕು ಬಳಕೆಯಿಂದಾಗಿ ವರ್ಷಕ್ಕೆ 8 ಲಕ್ಷಗಳಷ್ಟು ಸಾವು ಸಂಭವಿಸುತ್ತಿದೆ.

ನಿಮಗಿದು ಗೊತ್ತೇ?

ತಂಬಾಕಿನಲ್ಲಿರುವ 4000 ವಿಷಕಾರಕ ವಸ್ತುಗಳಿಂದಾಗುವ ದುಷ್ಪರಿಣಾಮಗಳು

	<p>ಕೂದಲು ನಷ್ಟ/ಉದುರುವಿಕೆ</p> <p>ಕಣ್ಣಿನ ಪೊರೆ</p> <p>ದಂತಕ್ಷಯ</p> <p>ಶ್ವಾಸಕೋಶದ ಕ್ಯಾನ್ಸರ್</p>	
	<p>ಹೃದಯ ಸಂಬಂಧಿ ಖಾಯಿಲೆ</p> <p>ಹೊಟ್ಟೆಹುಣ್ಣು</p> <p>ಬಣ್ಣ ಬದಲಾದ ಬೆರಳುಗಳು</p> <p>ವಿರೂಪಗೊಂಡ ವೀರ್ಯ</p>	
<p>Quitting Smokeless Tobacco</p>	<p>ಗ್ಯಾಂಗರೀನ್</p>	

... ಕೊನೆಗೆ, ನೋವು ಸಹಿತ ಸಾವು.

ತಂಬಾಕು ಸೇವನೆಯನ್ನು ಇಂದಿನಿಂದಲೇ ತ್ಯಜಿಸಿರಿ !!!

DSCDS/Internal/2018-19/23

April 3, 2019

CIRCULAR

This is to bring to the notice of all the heads of the departments and staff that the interns are instructed to attend the lecture on e-based learning programme (regarding future career prospects after BDS) offered by Royal College of Surgeons (Faculty of Dentistry) titled "To show dentists an international path to succeed".

The objectives of the programme are -

1. To introduce you the golden standards of learning in dentistry
2. To show new pathways to succeed
3. To show National and International ~~career~~ benefits of the programme

Venue: AV Auditorium - Digital Library

Date: 15/04/2019

Time: 1:45pm to 3:00pm

Staff incharge for the program - Dr. Mayank Jaiswal, Sr. Lecturer of Oral Surgery

The program is compulsory for **all interns** and the Heads of the departments are hereby requested to permit the students to attend the program.

Copy to;

1. All Clinical Departments, Interns
2. Office copy

**Dayananda Sagar College of Dental Sciences
Bangalore**

Knowledge is power is a phrase rightly put forth by Sir Francis Bacon. This is applicable in all aspects of life including the crucial decisions involving our career.

A program was held on the future aspects/options for fresh interns by the organization VIHA/TUTLE on the 15th April, 2019 at the AV auditorium in the General library. The program manager of TUTLE, Mr. R Vishnu Vardhan, commenced the talk and started by enlisting options of further education both in India and abroad. He laid out the pros and cons for both options and even guided how one can go about the decision making. The students were informed about their app which helps one to locate job opportunities in their nearby vicinity along with its eligibility criteria and pay scale. The app would enable fresh interns to make their first step into the sphere of clinical services.

Mr. Harish Kumar Raju the manager of VIHA, spoke about the services they provided for prospective students who opt to go abroad and went on to explain the different countries who accept Indian dental degrees and the necessary exams required to obtain licenses to practice and obtain further education. They help students with the visa procedures and make it simpler to get through the tedious process of moving to another country.

Overall the program was informative and crucial to the interns who are ready to take their next step in their career. It peddled practical possibilities and options available to the students clearing out a lot of misinformed notions and everybody in the audience was left with something to ponder upon.

Report on Career Guidance program titles DDS in USA: Challenges and opportunities

A Career guidance lecture on the topic “**Doctor of Dental Surgery in United States: Challenges and Opportunities**” was organized for the benefit of Interns and post graduate students. The program was scheduled on the 14th of June 2019 in AV Auditorium of the Digital Library, DSI between 1.45 pm to 3.30 pm.

The program was initiated with the Introduction of the speaker for the program Dr Abhishek Jahagirdar, DDS (University of California, San Francisco). He is an alumnus staff of Dayananda Sagar College of Dental Sciences. The programme mainly focused on the dos and donts of pursuing the DDS course in United States. He spoke in length about the various scholarships available to pursue higher studies as well as an insight about difficulties faced by students in procuring loans and how to overcome them. He also gave inputs to the students regarding the scope of practicing dentistry in US. Dentistry is among the few top paid jobs in the US.

This followed by an interactive session with the interns and the speaker answered each of their queries with full enthusiasm.

NEET ORIENTATION PROGRAM FOR INTERNS

12/01/2021

A program for orienting our interns regarding the NEET MDS exams was conducted from 2.30pm to 3.30pm on 12.1.2021 by Dr Shiva Prasad BM, Professor from FAME Academy. He explained why & how systematic preparation was required, if they have to clear NEET exams with flying colors. He provided them a road map towards achieving this and also answered their apt & important questions clarifying many of their doubts.

Towards the end of the program, Dr Hemanth M, Principal mentioned the importance of correct approach & need for proper guidance to reach their goal. Overall the program was well received, which ended with an open minded discussion between the Interns & Dr Shiva Prasad BM.

Dayananda Sagar College of Dental Sciences

Dayananda Sagar Institutions, Campus - 1, Shavige Malleshwara Hills, Kumaraswamy
Layout, Bangalore 560 078, Karnataka; India

The Dayananda Sagar College of Dental Sciences in association with Macula Healthcare conducted a Career Guidance program for the House Surgeons on 01.10.2021.

Dr. Hemanth M, Principal welcomed the guest speakers, Dr. Jithendra and Dr. Madhumalathi J and thanked them for taking time off to share their experience and guide our students on career prospects after completing the Graduate Program in Dentistry.

Dr. (Major) Madhumalathi J spoke about setting up a business model and explained concepts of entrepreneurship which is beneficial for the workforce as well as society in large. With this, Dr. Madhu, set the stage on all activities of Macula Healthcare, and it's involvement with DSI and DSCDS.

Dr. Jithendra briefed the audience on the importance of having a Entrepreneur like mindset to see success in clinical practice or venture into business models that provide an insight into innovation which is in line with the Atal Innovation Mission an initiative of the Government of India. He explained the idea of this program was to provide education on the incubation centre which had been setup in collaboration with School. Of Engineering, Dayananda Sagar University, as well as to expose the entrepreneurial qualities that every individual has. He reinforced that Macula Healthcare provides such support and solutions with a highly motivated and integrated team of professionals to take up business plans and invited all to be part of the same when required by taking up projects that may be in Healthcare, with options for scalability and Lean or limited Management.

This program gave an insight on thinking out-of-the-box with regard to career options after the Graduate program in Dentistry. While it is imperative that Clinical practice be of main stay, business oriented Dental innovations could now be possible too.. In collaboration with Macula Healthcare and DSCDS.

Pictures shared show glimpses of the event.

Report on Career Guidance Program

A Career Guidance program "Career Opportunities abroad- A fireside chat "was conducted on the 14th of March 2022. A panel consisting of the guest speakers Dr. Kshama Swamy, Dr. Kumar N C, Dr. Avinash J and Dr. Hemanth M carried out the fireside chat. It was an informal interactive session about the various career prospects for the budding doctors in India and USA. Details about various courses such as DDS bridge course, Masters in Public Health, Dental informatics, Masters in Hospital Administration, Clinical research, Artificial intelligence and machine learning were discussed. The students interacted with the speakers by asking questions that were promptly answered by the panelists. Overall, the program was very informative and we hope it would help the students in their future career planning.

Dayananda Sagar College of Dental Sciences Alumni Association ®

The Dayananda Sagar College of Dental Sciences' Alumni Association conducted a Career Guidance program for the benefit of Interns and Final Year BDS students by inviting it's Alumni member Dr. Smruthi Ramprakash Panyam from the Batch of 1997 to give her insights on Clinical research as a Career Opportunity.

Dr. Smruthi is currently the Director of Clinical Data Informatics, in Beigene GmbH and based in Germany. She has held multiple positions in the industry globally spanning across India, Japan, USA, Poland and Germany.

Dr. Vinod Rangan Secretary of the DSCDS Alumni Association spoke about the programs planned out by the association commencing this year with the 'Knowledge Exchange Series' with fruitful interactions between Alumni and the College.

Dr. Hemanth, Principal welcomed the Guest speaker and appreciated the efforts of the Alumni Association in bringing about the programs as planned. He urged the students and Interns to be proactive and be part of the Association once they complete the course and be role models by achieving great heights in their careers and come back to bring their experience to their juniors in the future to come. He acknowledged the presence of Dr. Ajaz Pasha, Vice President of the DSCDS-AA UG Batch of 1993, Dr. Vinod Rangan, Secretary DSCDS-AA, UG Batch of 1998, Dr. Veena Pai, Treasurer DSCDS-AA UG Batch of 1999 and all other Alumni members gathered.

Dr. Smruthi then spoke about various aspects of clinical research and the opportunity that comes with it in association with other bio diverse organizations in the field of Research and Clinical trials. The students had an informative interaction.

The talk was followed by a short Q & A session where the participants interacted one to one with the Guest Speaker.

Vote of thanks was proposed and delivered by Dr. Ashok HK, Alumni UG Batch of 1999.

Event concluded with thanks to the organizing team that included Dr. Fatima Khalidi (PG Alumni) , Dr. Brunda Gowda(PG Alumni) Dr. Darsan JP(PG Alumni) as well as the Alumni association.

Pre-Placement Talk and Campus Interview

A Pre-Placement talk and campus interview was organized by the DSCDS Alumni association and MERCK India for the benefit of Interns.

Dr Manjunatha BV and Dr Akshata Rao from MERCK India were the speakers. Dr Manjunath was 1995 batch Alumnus of DSCDS. He is currently the Associate Director, Safety Project Management and Periodic Safety Reports, Bangalore. Biopharma | Global Patient Safety | Operations of Merck India.

Programme commenced with introduction of the company and the speakers by Dr Veena S Pai followed by welcome speech by Principal Dr Hemanth, where he congratulated the Alumni Association for conducting such program and insisted on diversification beyond dentistry.

Dr Akshata and Dr Manjunath spoke on their company history, gave elaborate talk on clinical research and its prospectus and also on the opportunities available in their Bangalore branch for interns.

A total of 30 interns attended the program in which most of them showed interest to join for whom immediate preliminary interview was conducted for 6 interns.

Report on campus interview and placement program in association with
Symphony AI.

A Campus interview and a pre placement talk was organized by the DSCDS Alumni Association and Symphony AI, Bangalore for the benefit of our Interns and Alumni on 19th of April 2022.

Mr. Renuka Prasad, from the Recruitment Division and Mrs. Sushma were the speakers. Programme commenced with introduction of the company. The company deals with data abstraction and has over 130 people working with them especially in the field of oncology technology. The company was looking for candidates with BDs degree and MDS in Oral Pathology, Oral Medicine and Public Health Dentistry who were familiar with oral oncology and who had experience in reading and writing of medical records.

Interns and alumni members attended the session and were also interviewed for the various posts that were available. 10 interns were shortlisted in the interview.

**Campus placement – By Symphony AI
19th April 2022**

*DSCDS is one of the very few institutions in the country to
arrange placements in a dental college*

1. INTRODUCTION

Dayananda Sagar College of Dental Sciences has been part of the DSI Family since 1992 imparting high quality of Dental Education and possesses state-of-the-art teaching and research facilities, classrooms, tutorial facilities, Pre-Clinical and Clinical Skill Labs creating a perfect environment for knowledge and skills development. The College of Dental Sciences is equipped with World-Class infrastructure with the latest of equipment and technology to train students with the most recent and advanced Dental Care.

The college is centered on:

- supporting patient care
- pursuing innovation in oral health education
- preparing the educated dentists of tomorrow with clinical practice and training.

The campus is set on a 23-acre lush green campus in Bangalore, Dayananda Sagar College of Dental Sciences comprises state-of-the-art teaching and research facilities, classrooms, tutorial facilities, laboratories, creating the perfect learning environment.

We are proud of our close-knit campus community - a student intake of 60 each year. All students benefit from more one-on-one contact time with staff, and our curriculum has been designed to cover all specialties of dental science ranging from diagnosis, child dentistry to surgery, restorative, cosmetic and preventive dentistry.

From its extensive pre-clinical departments and laboratories to its wealth of library, classrooms, modern clinical and tutorial facilities, the college is an abundant resource to the communities it serves.

Departments : BDS - Program

- Basic Medical Sciences
- Conservative Dentistry and Endodontics
- Oral and Maxillofacial Surgery
- Oral Medicine and Radiology
- Oral Pathology and Microbiology
- Orthodontics and Dentofacial Orthopedics
- Pediatric and Preventive Dentistry
- Periodontics
- Prosthodontics Crown and Bridge
- Public Health Dentistry
- Research and Sustenance

Departments : MDS - Program

- Conservative Dentistry and Endodontics
- Oral and Maxillofacial Surgery
- Oral Medicine and Radiology
- Orthodontics and Dentofacial Orthopedics
- Periodontics
- Prosthodontics Crown and Bridge
- Public Health Dentistry

Vision mission and values of the DSCDS are given below.

VISION

Dayananda Sagar College of Dental Sciences aims to be amongst the world's foremost Dental academic institutions in the pursuit of educational, clinical, and research excellence. The institution also aims to provide ample scope for ideation, innovation, and community service to shape future leaders in dentistry by applying science, art and technology breakthroughs, thereby contributing to national/global welfare and development.

MISSION

- Our mission is to realize this vision by:
- Imparting integrated education and training to students on par with global standards in dentistry for the prevention and treatment of various oral diseases and conditions, hence contributing to the improvement and sustenance of better quality of life among all individuals of the society.
- Ensuring the development of comprehensive knowledge, skills and attitudes as required, to meet the above said objective.
- Inculcating necessary clinical, diagnostic, and treatment skills, to manage patients effectively and efficiently, and extend similar quality services to the community.
- Applying theoretical and analytical knowledge in various areas of dentistry to create novel clinical methods and engage in knowledge transfer for the benefit of society locally and for mankind globally.
- Delivering quality education in basic and applied dental research to promote innovation and ensure dissemination of new knowledge through presentations at conferences and publications in high-impact journals.
- Mobilizing faculty expertise to implement local, national, and international initiatives in the field of dentistry to achieve global oral health goals by the year 2030.

VALUES

Values that drive Dayananda Sagar College of Dental Sciences and support its vision include:

- Pursuit of Excellence - Strive continuously to improve ourselves and our systems with the aim of becoming the best in our field.
- Fairness - Ensuring objectivity and impartiality in all our processes to earn the trust and respect of society.
- Leadership - Lead responsibly and creatively while imparting education and delivering oral health care.
- Integrity and Transparency - Remain ethical, sincere, and transparent in our activities and treat all individuals with dignity and respect.
- Empathy and Compassion - Be respectful and develop a compassionate relationship between doctors, the auxiliary team, and patients.

QUALITY POLICY

We, at Dayananda Sagar College of Dental Sciences, are committed to imparting and inspiring lifelong learning by providing the highest quality dental education, research opportunities, and dental services to the satisfaction of all the stakeholders.

CORE VALUES

Discipline, Dedication, Deference

Internal Quality Assurance Cell (IQAC)

To create quality, to maintain quality, to enhance quality in all spheres – that is the task of the IQAC or the Internal Quality Assurance Cell of the college. The IQAC is the central quality- monitoring body of the institution. It functions under the Chairmanship of the Principal and comprises senior faculty members, representative from the local community and a student representative.

The IQAC functions with the belief that excellence and quality are not one-time goals but continuous processes. To this end, the IQAC meets on a regular basis. New programs, up gradation of infrastructure and increasing the effective functioning of all systems are some of the major concerns of the IQAC. The IQAC aims at providing an excellent academic enhance, center of health and environment safety. List of IQAC team members are given in figure 1-1.

Campus Area and Built-up area

The area of the campus (built up and total) is given in table 1-1.

S. No.	Description	Units	Details
1	Campus total area	Acres	23
2	Built up area	Sq. ft.	104,071

Table 1-1: College Area

Overview of Green Audit:

Green Audit helps college / facility to:

- Understand the optimum usage of electricity, water and other natural resources
- Identify opportunities to conserve various natural resources
- Identify various environmental-friendly technological improvements
- Evaluate the techno-commercial aspects of identified conservative measures
- Create awareness among the students and staff
- Disseminate the commitment of management towards saving nature
- Develop a culture among students, staff and management to be socially responsible

2. PRE – AUDIT PHASE

A pre-audit meeting is a prerequisite for the Audit; it helps to meet and discuss about the schedule and documents required during the audit. The pre-audit meeting was conducted at DSCDS, Bengaluru in the end of March 2022. During the meeting, introduction of team members, scope and objectives of the audit were discussed.

Management Commitment

The Management of the college has shown significant commitment towards Green Auditing during the pre-audit meeting. They were ready to encourage all green activities. It is decided to promote all activities that are environment friendly such as awareness programmes on the environment, campus farming, planting more trees on the campus etc., after the Green Auditing.

College administration is vital to the process of realizing campus sustainability, and college policy is an essential instrument for any substantial change in the campus environment.

Scope and goals of Green Auditing

A clean and healthy environment aids effective learning and provides a conducive learning environment. There are various efforts around the world to address environmental education issues. Green Auditing is one among them for educational institutions.

Once a baseline is established, the data can serve as a point of departure for further action in campus greening. Existing data will allow the college to compare its programs and operations with those of peer institutions, identify areas in need of improvement, and prioritize the implementation of future projects.

This data will also provide a basis for calculating the economic benefits of resource conservation projects by establishing the current rates of resource use and their associated costs. This audit initiative focused initially on educating colleges and universities through workshops, guidebooks, fact sheets and ensuring compliance through inspections and self-audits.

2.1. Audit Schedule

Green Audit schedule includes the pre-audit phase, on-site / audit phase and post audit phase. Table 2-1 details the complete Quality Audit schedule.

S. No	Description	Timeline
1.	Pre-audit Phase	21 March 22 to 25 March 22
2.	Onsite-audit Phase	11 April 22 to 16 April 22
3.	Post-audit Phase	02 May 22 to 07 May 22
4.	Presentation	18 May 22

Table 2-1: Audit Schedule

3. ON-SITE AUDIT PHASE

3.1. Scope / Target Areas of Green Auditing

3.1.1. Water Audit

Water Audit addresses water consumption, water sources, appliances and fixtures. Aquifer depletion and water contamination are taking place at unprecedented rates. It is therefore essential that any environmentally responsible institution should examine its water use practices.

3.1.2. Energy Audit

Energy Audit addresses energy consumption, energy sources, use of renewable energy, implementation of energy conservation measures, energy monitoring, lighting, appliances, and use of electric vehicles. Energy use is clearly an important aspect of campus sustainability.

3.1.3. Waste Management Audit

Waste management Audit addresses waste production and disposal, plastic waste, paper waste, food waste, and recycling. Municipal solid waste has a number of adverse environmental impacts, most of which are well known and not in need of elaboration.

3.1.4. Green Campus Management Audit

Green campus initiatives are becoming an integral part of modern day's university systems. Green campus Audit helps in maintaining the air and water clean. It regulates the climatic conditions and provides a healthy and comfortable environment for living.

3.1.5. Environment Audit

Environment Audit addresses the usage of fossil fuels (coal, diesel, petrol and gas). The mode of commute to and from college each day has an impact on the environment through the emission of greenhouse gases into the atmosphere by the burning of fossil fuels.

3.2. Audit Methodology and Approach

The methodology and approach adopted for the study involve various steps that include:

- Review of Document and records
- Review of Policies
- Review of MoU
- Review of various measures implemented
- Site Walkthrough
- Data Collection
- Interviews

3.2.1. Review of Document and Records

Electricity bills, Water bills, equipment register, list of appliances, office registers, internal Quality Audit document, purchase document, were reviewed and relevant data and inputs required for analysis have been collected.

3.2.2. Review of Policies

College has various policies that include safety policy, environment policy, and Anti-ragging policy.

A. Safety Policy:

An organization's safety policy is a recognized, written statement of its commitment to protect the health and safety of the students and employees, as well as the surrounding community.

All the students, teaching and non-teaching staff, maintenance and house-keeping staff have been given training to use fire extinguishers in emergency situations of fire and explosion.

Fire extinguishing cylinders have been installed in each floor and in laboratory areas and have been refilled and checked regularly.

Sample photo of the fire extinguisher is shown in figure 3-1.

Figure 3-1: Sample photo of fire extinguisher

Information about the fire-fighting drill procedure is posted at the corridors of the Dental hospital. Sample photo of the same is shown in the figure 3-2.

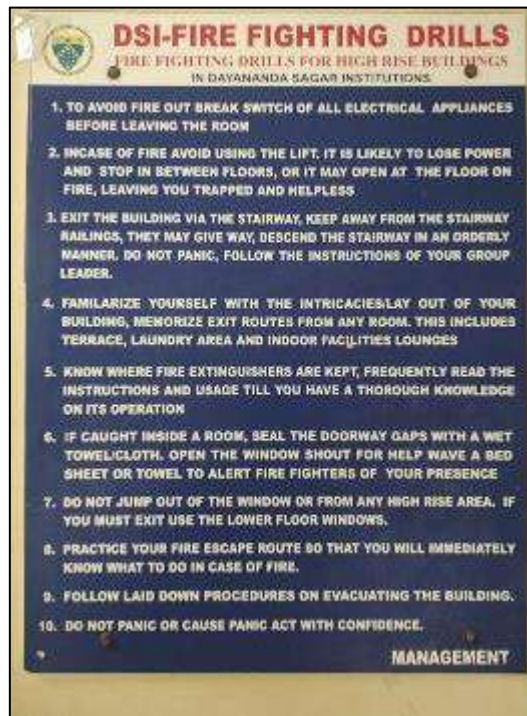

Figure 3-2: Sample photo Fire-fighting drill - procedure

3.2.3. Review of various measures implemented

During the Green Audit study, it was observed the college has taken various initiatives in conserving natural resources that include:

- Internal Audit team including Management, Staff and Students
- Rain water harvesting system has been implemented block-wise.
- Sensor based Wash Basin is installed at some places of DSCDS.
- Water flow meters are installed for water accounting
- Sewage treatment plant is available to treat the waste water of the entire campus and using the treated final water for gardening
- Installation of Solar Roof Top Photo Voltaic (SRTPV) system for power generation
- Solar water heaters and heat pump technology is used for Hot water requirements in the hostels
- Wheeling of Renewable Energy power supply from a third party agency to reduce the carbon footprints
- Installation of LED lights to reduce electricity consumption
- DSCDS infrastructure is well designed for good air circulation and maximum utilization of day light; to reduce the energy consumption
- Installation of LCD/LED monitors for all the desktops to conserve electricity
- Switching OFF lights and fans whenever not in use to save electricity
- Sensor based hand driers are used at the suitable locations near the hand wash areas
- Annual maintenance of UPS, Lifts and DG sets are carried out.
- Complaint registers and log books for DG fuel are maintained
- Installation of waste collection bins at each dental chair, all the class rooms, staff rooms and corridors.
- Regular cleaning practices are followed by maintenance team to maintain the campus clean and hygiene
- Food waste is collected separately in the canteen and given to piggeries.
- Bio medical waste are segregated at the source level using color coding bins and given Maridi Bio Industries Ltd.
- There are more than 750 trees and well-maintained landscaping. Campus is completely surrounded by trees and plantations.
- Environment day celebrations and sapling plantations were done every year.
- ‘Quit Smoking’ Poster is placed at the entrance of the Hospital to create awareness among all Staff, Students and patients.
- Encouragement is given to use Electric – Vehicles among all the staff and students.
- Training is conducted on regular basis regarding usage of fire extinguisher, conservation of resources such as electricity, water, food and green campus.

3.2.4. Site Walk through

Site walk through was conducted with staff members, students and audit team members. Staff and students have shown very keen interest in the data collection process and methods to be followed in field data collection. The staff and students have given inputs and suggestions for resource conservation as well.

College Infrastructure

DSCDS campus has two blocks. Each floor has its own state of the art of class rooms, staff rooms, laboratories libraries and many more.

The campus includes Dental college and various other courses including Engineering, MBA, Paramedical, etc., Few of the infrastructure facilities such as hostel, canteen, gym, play ground and parking are shared and utilized by students/ staffs of Dental college and various other courses including Engineering, MBA, Paramedical, etc.,

Details of infrastructure of DSCDS are shown in figure 3-2.

The image shows a floor directory board for Dayananda Sagar College of Dental Sciences & Hospital. The board is organized into columns for Floor, Department, and Dept. Number. The floors listed are G, 1, 2, 3, 4, and 5. The departments and their corresponding numbers are as follows:

FLOOR	Department	Dept. Number
G	Department of Oral Medicine, Diagnosis and Radiology	001
	Department of Preventive & Community Dentistry	002
1	Department of Oral and Maxillofacial Surgery	101
	Clinical Pathology	102
2	Department of Conservative Dentistry and Endodontics	201
	Ceramic Laboratory	
3	Department of Prosthodontics including Crown & Bridge	301
	Acrylic Laboratory	
4	Department of Pedodontics	401
	Department of Periodontics	402
5	Department of Orthodontics	501
	Dentofacial Orthopedics	
	Registration	

Figure 3-3: Infrastructure details

All the classrooms, staff rooms and corridors are well ventilated and the integration of day-light is well utilized. This has helped in optimum usage of electricity for lights and fans during day time.

3.2.5. Inventory Collection

To understand the types of appliances used, inventory collection was carried out by the audit team members. The various types of appliances used are lights, fans, geysers, RO water plants etc. The consolidated list of inventories is given in table 3-1.

S. No.	Description		Old Dental Block	New Dental Block	Total
1	Florescent Tube Light	36W	244	0	244
2	LED	18W TL	33	0	33
		2 x 10W	8	355	363
		6 W Downlight	0	33	33
		10 W Downlight	8	2	10
		12 W Downlight	3	172	175
		15 W Downlight	0	12	12
		9W Bulb	5	19	24
3	CFL	18 W	43	12	55
4	Fan	Ceiling Fan	91	166	257
		Wall mount Fan	5	0	5
		Pedestal Fan	6	6	12
5	Exhaust Fans	PVC blade	0	6	6
		Metal Blade	1	1	2

Table 3-1: Consolidated list of Inventories

3.2.6. Interviews

To collect the various data, information and operating patterns, interviews were conducted with college staff (Principal, teaching staff, non-teaching staff) and students. The consolidated information from the interviews is given in the following sub-sections.

3.2.6.1. List of Holidays:

The lists of holidays were collected during the study and the same is given in figure 3-3 and figure 3-4.

GOVERNMENT OF KARNATAKA

No.DPAR 37 HHL, 2021

Karnataka Government Secretariat,
Vidhana Soudha,
Bengaluru, dated: 30.11.2021

NOTIFICATION-I

The following list of the General Holiday sanctioned by the Government for the year 2022 is published for general information.

All Second Saturdays, Fourth Saturdays, Sundays and the following days.

SL. NO.	DATE	DAYS	PUBLIC HOLIDAYS
1	15.01.2022	Saturday	Uttarayana Punyakala, Makara Sankranti Festival
2	26.01.2022	Wednesday	Republic Day
3	01.03.2022	Tuesday	Maha Shivaratri
4	02.04.2022	Saturday	Ugadi Festival
5	14.04.2022	Thursday	Dr. B.R. Ambedkar Jayanthi, Mahaveera Jayanthi
6	15.04.2022	Friday	Good Friday
7	03.05.2022	Tuesday	Basava Jayanthi / Akshaya Tritiya, Khutub-E-Ramzan
8	09.08.2022	Tuesday	Last Day of Moharam
9	15.08.2022	Monday	Independence Day
10	31.08.2022	Wednesday	Varasiddhi Vinayaka Vrata
11	04.10.2022	Tuesday	Mahanavami, Ayudhapooja
12	05.10.2022	Wednesday	Vijayadasami
13	24.10.2022	Monday	Naraka Chaturdashi
14	26.10.2022	Wednesday	Balipadyami, Deepavali
15	01.11.2022	Tuesday	Kannada Rajyotsava
16	11.11.2022	Friday	Kanakadasa Jayanthi

Note:

- 1 This list does not include May Day (01.05.2022), Bakrid (10.07.2022), Mahalaya Amavasye (25.09.2022), Gandhi Jayanthi (02.10.2022), Maharshi Valmiki Jayanthi / Eid-Milad (09.10.2022) and Christmas (25.12.2022) which falls on Sundays.
- 2 Government Offices will be closed through out the State on General Holidays. However, Heads of department should make necessary arrangements for the discharge of urgent works.
- 3 If any of the Holidays for the festivals of Muslim Fraternity notified above does not fall on the date notified, Muslim Fraternity in Government Service may be granted holiday on the date of observance in view of the holidays already notified.

--2

Figure 3-4: List of Holidays – 2022

3.2.6.2. Tentative Schedule of College:

The tentative schedule of the college is 08.00 AM to 4.00.PM. The house-keeping staff works from 08.00 AM to 05.30 PM. Essential areas like labs, library, security, gym, CCTV monitoring area work for extended hours i.e., for 12 to 14 hrs per day.

3.2.6.3. Staff and students of college:

The number of staff includes teaching, non-teaching, and house-keeping is given in the table 3-3. The number of students includes both boys and girls.

S. No.	Staff	Students
1	76	270

Table 3-2: Number of staff and students

4. WATER AUDIT

4.1. Facility description

The study involved carrying out various data collections, observations and analysis, to realistically assess water usage and potential for water conservation. The sources of water for facilitating the water supply to the college campus bore-wells, water bottles and tankers. Tanker water is purchased very rarely (only when there is scarcity of water from bore-well). The campus includes Dental college and various other courses including Engineering, MBA, Paramedical, etc., The raw water source, raw water treatment, water distribution system, waste water pipelines and sewage treatment plant is shared by Dental college and various other blocks including Engineering, MBA, Paramedical, etc.,.

The domestic (bore well) water is consumed in the following areas:

- Drinking (For RO Plant)
- Kitchen
- Cafeteria
- Practice floors of dental hospital
- Laboratory
- Cleaning
- Bathrooms
- Washing Utensils
- Washing Machines

Waste water sources are

- Labs (Drainage)
- Washrooms
- Canteen (Drainage)

4.1.1. Raw Water System

The raw water is consumed in the following areas:

- Washrooms
- Cleaning
- Laboratories

Nine number of bore well are installed at various locations of the campus. There are two number of underground water tanks (sumps) are made available and total 52 number of overhead water tanks are placed at different blocks. The water from borewell is pumped

to underground sump and then pumped to overhead tanks. This water distribution system is interconnected with each other.

All the water pump motors and the water levels of tanks are controlled by Automatic water level controllers installed at appropriate places. Total number of motors used for pumping with its rating is shown in the table 4-1.

S. No.	Quantity	Motor Rating in HP	Description
1	3	5	Near STP, Near Automobile block, Near NRI hostel
2	2	7.5	Near NEB, Old civil block
3	4	10	Staff parking – 2, MGVT Canteen, Students Parking

Table 4-1: Details of water pump motors

Water level controller installed at the main underground sump is as shown in the figure 4-1.

Figure 4-1: Raw water sump level controller

Water pump house in the campus contains all the water pump panels and water level controller displays of both underground and overhead tanks. A picture of the panel board has been taken and shown in the figure 4-2. Figure 4-3 depicts level controller switch and figure 4-4 shows one of the bore-well's pump panel with underground sump level controller.

The details of overhead tanks and underground tanks are:

- Total 52 numbers of overhead tanks have been installed in the terrace of different blocks of the campus and its break up with capacity is shown in table 4-2.
- Two numbers of underground tanks (sump) with storage capacity of 100 kL is available.

Table 4-2 details the number and the quantity of the tanks available in the campus and hence it is observed that different capacities of tanks with different quantity are available. Therefore, the table 4-3 tells the location of tanks at different blocks.

Figure 4-2: Pump house water controllers and meters

Figure 4-3: Level controller switch

Figure 4-4: Bore-well pump panel and level controller switch

S. No.	Capacity in Litres	Quantity
1	500	1
2	1000	2
3	2000	32
4	5000	17
5	100000	2

Table 4-2: Details of tank capacity

14	New Architecture Building	Over Head Tank	2000	7
Total Number of Tanks				54

Table 4-3: Details of tanks

Two number of Over -head Tanks are placed on the terrace of New dental block. One is of 2000 Litres and other is of 5000 Litres capacity.

4.1.2. Drinking Water System

Drinking water for staff is facilitated by water bottles storage units. Every day DSCDS purchase 13 water bottles each of 20 litres capacity to fulfill the drinking water facility to all teaching and non-teaching staff of the dental blocks.

Figure 4-5: Water cans - Drinking purpose

4.1.3. Rain Water Harvesting System

The college campus is on a hilly terrain and is very much suitable for rain water harvesting. The campus has small check bunds/trenches to arrest rainwater during rainy season as shown in the figure 4-6. The rainwater/runoff water is collected in harvesting pond constructed near parking area as shown in the figure 4-7.

Figure 4-6: Trenches and bunds in the campus

Figure 4-7: Rain water harvesting pond

Further, an open well which is situated within the campus is also used for rainwater harvesting and the same is shown in figure 4-8.

Figure 4-8: Open well

Percolation pits are installed near the students parking area in the campus and are shown in figure 4-9 and figure 4-10. The collected rain water is used for lawns and garden in the campus.

Figure 4-9: Rain water harvesting Percolation pit

Figure 4-10: Percolation pits for rain water harvesting

Run-away water around the dental blocks is collected in two number of 5000 Litres tanks. Picture of the tanks are shown in figure 4-11. This water is used for watering the plants and trees around the DSCDS.

Figure 4-11: RWH sump near dental blocks

Point recharge measures are taken to protect bore wells for sustainability of water management as shown in figure 4-12.

Figure 4-12: Point recharge for a Bore well

4.1.4. Hot water System

The hot water is mainly consumed in hostels for bathing purposes. The hot water requirement for bathing is met by solar water heater systems. Sample photo of Solar water heater is integrated with heat pump system is shown in figure 4-13.

Figure 4-13: Hot water system in hostel

Hot water for drinking purposes in the dental hospital premises is arranged by dispensers as shown in figure 4-14.

Figure 4-14: Drinking hot water system

4.1.5. Sewage Water System

Most of the institutional sewage generated to be treated and re-used for gardening purpose of the campus. All the sewage water generated from International hostel, Boys and girls' hostel and hostel's canteen is directed to Sewage water treatment plant (STP) for tertiary treatment (Extended Aeration-ASP). The recycled water will be used for gardening/horticulture purpose. This STP is of 180 KLD capacities. Sample photo of STP is as shown in the figure 4-15 and 4-16.

Figure 4-15: STP

Figure 4-16: STP Plant

The working of STP in a schematic representation is shown in the figure 4-17.

Figure 4-17: Schematic flow diagram of STP

The STP plant specifications can be seen from the table 4-4.

S. No.	Description	Details
1.	Number of STP plants installed	1
2.	Capacity of STP	180 KLD
3.	Technology of STP	SBR
4.	Year of Installation	20+ year old
5.	Schematic / Layout of STP	YES
6.	Water flow meters installed	YES
7.	Quantity of Sludge	800 kg/year
8.	Disposal of Sludge	Drying bed

Table 4-4: Details of STP

Electrical equipment's used in STP are bar screening, evaporation tank, SBR units, sludge draying beds, sand filter and carbon filter.

The processed water from the STP is well utilized for watering plants, trees and maintaining lawns of the entire campus, some of the pictures collected during audit are as shown in figure 4-18.

Figure 4-18: Greenery maintained by STP processed water

4.2. Best Practices Implemented for Water Conservation

4.2.1. Sensor based Wash Basin

To conserve water, in some area's sensor-based hand wash is installed in the DSCDS. Sample photo is shown in the figure 4-19.

Figure 4-19: Sensors based wash basin

4.2.2. Water Flow meters

A water meter is a device that is used to track water usage. It helps, not just in monitoring consumption but also to save money incurred on electricity used to pump the water and also energy consumption for functioning of sewage treatment plants.

In the campus there are Sixteen number of water flow meters. Eight number of flow meters for pumps at the borewells another eight number of flow meters at the pumps used to pump the water from the sump to over-head tanks. Sample photo of a water flow meter is shown in figure 4-20.

Figure 4-20: Sample photo of flow meter

Log books are maintained for all the flow meters. Some of the sample photos of log book are shown in figure 4-21 and figure 4-22

4.2.3. Rain water harvesting

Rainwater harvesting is the simple process or technology used to conserve rainwater by collecting, conveying, purifying and storing of rainwater for later use.

The benefits of rainwater harvesting system are listed below.

- Helps in reducing the water bill.
- Decreases the demand for water.
- Reduces the need of bore well water
- Promotes both water and energy conservation
- Improves the quality and quantity of groundwater
- It is an excellent source of water for landscape irrigation

Run away water around the dental blocks are collected in two number of 5000 Litres tanks. Picture of the tanks are shown in figure 4-23.

Figure 4-23: RWH sump near dental blocks

4.2.4. Sewage Treatment Plant

The procedure for removing contaminants from the wastewater basically from the household sewage is called sewage treatment. It has to undergo the chemical, physical and biological procedure to remove these contaminants and give out an environmentally safe treated effluent. A semi-solid slurry called the sewage sludge is the by-product of the sewage treatment. This sludge is further processed before it is suitable for land application.

The institution has installed STP with capacity of 180 kLPD and the quantity of final treated water is 75% of the total capacity, which is 135 kLPD.

The details of water savings and cost savings due to installation of STP is given in table 4-5.

S. No.	Description	Unit	Details
1	STP capacity	kLPD	180.0
2	Quantity of final treated water from STP	kLPD	135.0
3	Quantity of water reused @ 50% utilization factor	kLPD	67.5
4	No. of working days per year	days	280.0
5	Annual Quantity of water reused (saved)	kLPD	18,900.0
6	Average water cost	Rs./Litre	0.086
7	Annual cost savings achieved	Rs. lakh/year	16.25

Table 4-5: Annual water and cost savings by installation of STP

STP treated water is used for gardening. Sample photo is shown in figure 4-24.

Figure 4-24: Greenery maintained by STP treated water

STP annual maintenance done by third party. Sample copy of AMC is given in figure 4-25.

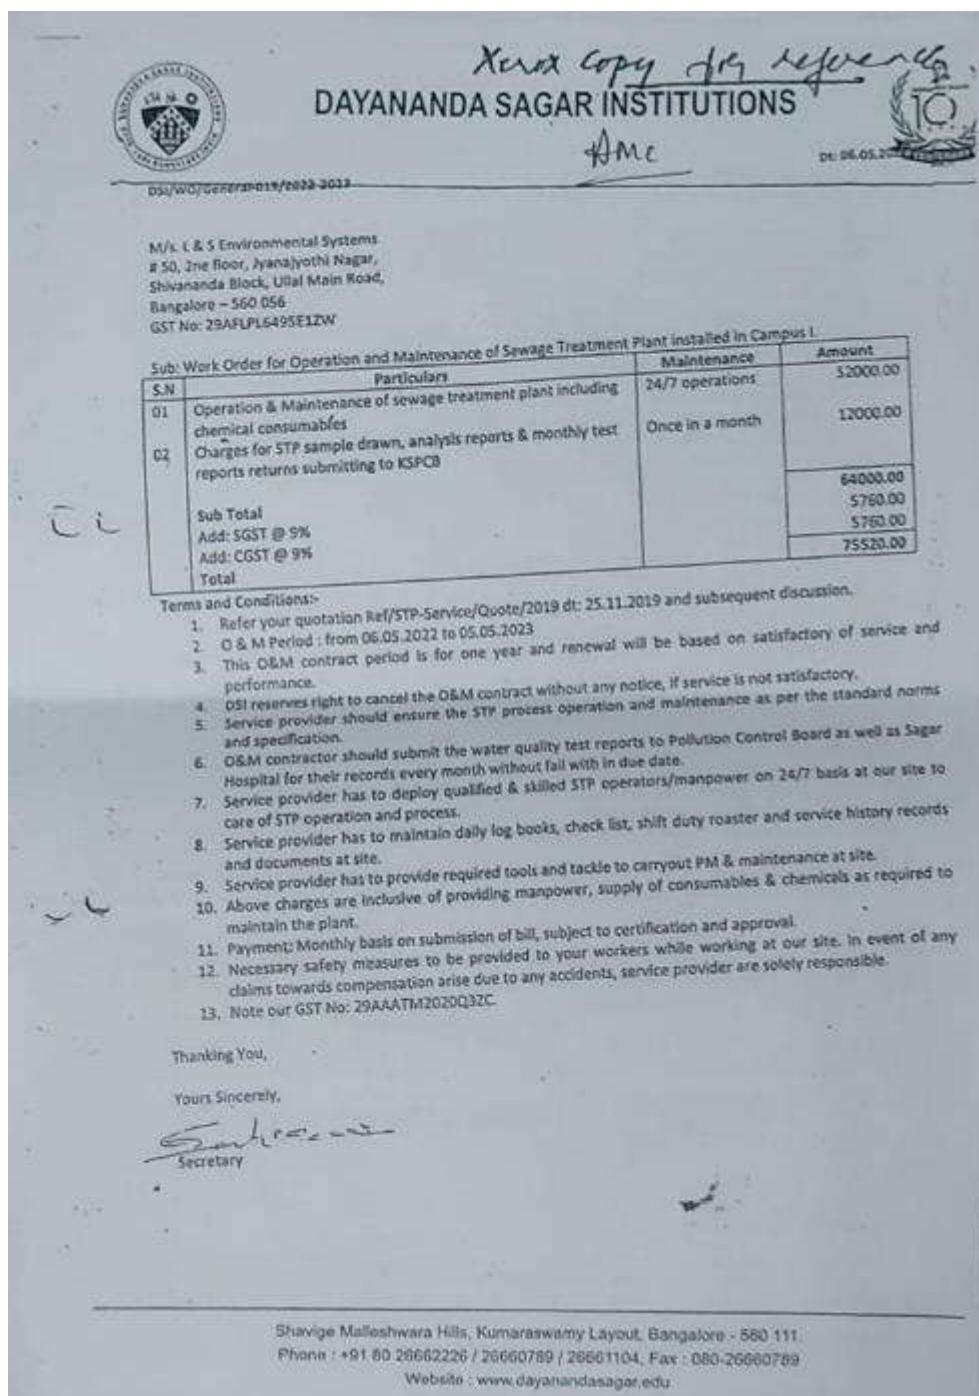

Figure 4-25: Sample photo of STP – AMC copy

4.2.5. Regular testing of water quality

Testing water quality on a regular basis is an important part of maintaining a safe and reliable source. The test result allows to properly addressing the specific problems of a water supply. This will help ensure that the water source is being properly protected from potential contamination, and that appropriate treatment is selected and operating properly.

It is important to test the suitability of water quality for its intended use, whether it be livestock watering, chemical spraying, or drinking water. This will assist in making informed decisions about water and how to use it. Sample photos of water testing reports are shown in figure 4-26 to figure 4-28.

11	CO2 mitigations per year	Tons/year	14

Table 4-7: Savings achieved due to Heat pumps

4.2.8. Poster to Save Water

Sign boards have been placed in the wash rooms and canteen to create awareness for water conservation, sample photos are shown in figure 4-31.

Figure 4-31: Sample photo - 1 'Save Water'

4.2.9. Maintenance Team

The college has a separate maintenance team. The maintenance team performs regular monitoring of the water distribution system which involves general monitoring of the system, identifying and arresting of leakages, keep track of water requirement and ensuring availability of required water quantity, maintain and provide for the safe condition and operation of entire water distribution systems.

Proper operation and maintenance of sewage treatment plant ensures it will perform as designed to treat and safely dispose of sewage from the establishment and maximizes the efficiency of waste water treatment system.

During the audit, walk through survey was carried out to observe the maintenance of the water distribution system, log registers, preventive maintenance etc., The entire water distribution system is maintained clean and tidy. The water storing sumps, pumping sections, distribution lines, toilets, wash rooms and other water consumption points is found to be well maintained

4.2.10. Other measures implemented for water conservation

- Regular checking and maintenance of pipelines are done to control water wastage and complaint register is maintained to attend the complaints
- Leakage old taps are replaced by new aerator taps

4.3. Recommendations

4.3.1. Aerators for taps

The aerator is a small attachment that either fits onto the end of the tap or can be inserted inside of the existing spout. These water saving devices will control the amount of water that flows through the tap without affecting the water pressure as they mix the water with air which will save water and money.

The aerators will separate a single flow of water into many tiny streams which introduces the air in to the water flow. Also, as there is less space for the water to flow through, the water flow is reduced, resulting in water savings. As the water pressure is maintained, most people don't notice a difference in the amount of water coming out of an aerated faucet yet benefit from the water efficiency.

Tap aerators are of most use to those with older taps which run on average around 15 Litres of water per minute. Adding an aerator to an older tap can reduce this to as little as 6 Litres of water per minute.

The biggest water saving benefit is achieved in the hand wash / kitchen sinks where you are often turning the taps on and off to wash your hands and for other uses.

The aerator tap is shown in figure 4-32.

Figure 4-32: Sample photo - Aerators for taps

Tap aerators can save as much as up to half your water usage through this way. When you are using aerated water, you are unlikely to notice the difference except for saving water resulting in lower bills.

4.3.2. Dual Piping System

Dual piping system can be implemented to reduce the usage raw water. Dual piping is a system of plumbing installations used to supply both raw water and STP treated water. Under this system, two completely separate water piping systems are used to deliver water to the user. The STP treated final water can be used for flushing in the toilets. The conventional system and dual piping systems are shown in figure 4-33 and 4-34.

Figure 4-33: Single piping systems

The single conventional system is linear and draws from a source to provide potable water, which is used for all uses and becomes wastewater, which is disposed to the environment.

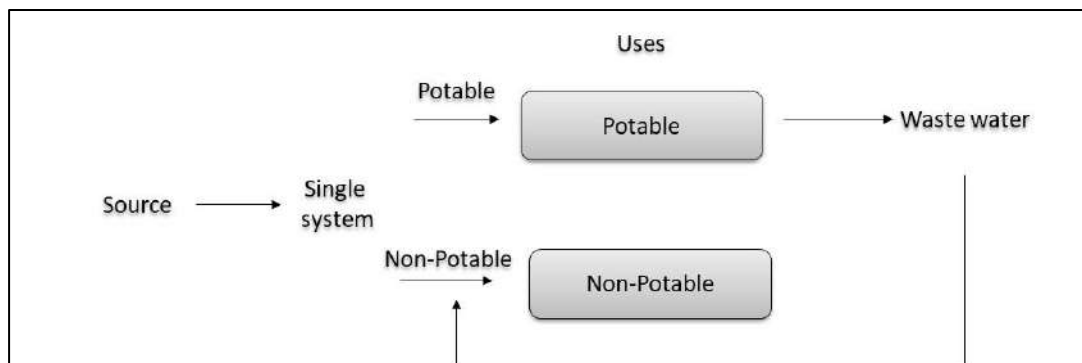

Figure 4-34: Dual piping systems

The dual system offers additional possibilities. It offers the possibility to cut the volume of wastewater that must be discharged to the environment, reduce the volume of water needed from the source. It is possible that the potable water infrastructure could then be downsized, depending on the situation.

4.3.3. Other recommendations

- Water conservation awareness campaigns
- Rain water harvesting for the terrace can be made to utilize rain water at large requirement.

5. ENERGY AUDIT

5.1. Facility Description

DSI campus receives power supply from the state electricity board (BESCOM – Bangalore Electricity Supply Company Limited) as HT 11 kV. DSI has availed power supply, with connection – RR. No 5313062791 (S5HT36).

Incoming power supply from BESCOM is received at the transformer yard inside the college premises. The 11 kV rated HT power supply is stepped down to LT 415 V, by one number of 1600 kVA rated transformer. Transformer unit installed inside college premises is as shown in the figure 5-1. The campus has one source of power supply, which caters power supply to Dental college and various other blocks including Engineering, MBA, Paramedical, etc.,

Figure 5-1: Transformer unit Installed in the campus

The name plate details of transformer are given in table 5-1.

S. No.	Description	Units	Details

Table 5-1: Name plate details of transformer

11 kV HT supply received at RMU. Then it is given to 1600 kVA transformer. Transformer step-downs 11kV voltage to 415 V. The LT supply from the transformer is taken to the main distribution panel. Electrical panel room is as shown in the figure 5-2. From the main distribution panel supply goes to Feeder pillar 1, NRI block, hospital and capacitor bank section and heritage block.

Feeder pillar 1 acts as loop to serve other feeder pillars. Table 3-12 details the complete description of fifteen feeder pillars distributing power supply to the entire campus.

From the Feeder pillar 14 power supply is given to New dental block and feeder pillar 15 is supplying power to Old dental block.

A total of 250 kVAr rated capacitor banks have been installed for power factor improvement. Figure 5-3 depicts the capacitor bank panel installed in the LT panel room.

Figure 5-3: Capacitor Bank Panel

There are 2 x 250 kVA and 1 x 400 kVA Diesel Generators (DGs) sets used for the backup power supply for the entire campus during power failure from BESCO. 400 kVA and 250 kVA DG sets installed near the parking area of the college premises are shown in the figure 5-4. The name plate specifications of the three DG sets are given in the table 5-3.

Figure 5-4: 400kVA and 250 kVA Diesel Generator (DG) set

Table 5-4: Mobile DG set specifications

UPS

The UPS power supply is given to the critical loads. Two number of 3kVA UPS supply is given to radiology lab. One number of 6 kVA UPS power supply is given to ceramic lab and Seminar-hall. Details of the UPS are given in the table 5-5.

S. No	Make of UPS	Capacity, kVA	Battery Details	Location
1	APC	3	8 x 42 Ah Exide	Ground floor
2	Power In	6	16 x 42 Ah Exide	New Dental
2	Delta	3	6 x 42 Ah	Ground floor – New Dental

Table 5-5: List of UPS and its rated capacity

Note: *As part of regular practice the inverters and batteries are always kept in a separate room and electrical panel rooms are separate.*

5.2. SRTPV (Solar Roof Top Photo Voltaic) system

During the audit Solar rooftop PV systems were installed at terrace of various blocks in campus. The power generated from the solar PV system is shared for Dental college and various other courses including Engineering, MBA, Paramedical, etc., Solar PV system installed in the campus for the power generation accounts to 388 kWp. Geo-tag photo of a solar PV panel installed in the campus is shown in figure 5-6. PV modules are made of multi crystalline. Details of solar panels at different locations and its capacity are given in table 5-8.

Figure 5-6: Solar rooftop PV system

S. No.	Location	Module Wattage in Wp	Peak Capacity in kWp	No. of Panels
1	Nursing	320	59	185
2	Architecture Department	370	40	108
3	EC Block	300	96	300
4	CSE Block	320	55	171
5	Medical Electronics Block	325	69	211
6	Polytechnic Block	320	64	200
	Total		382	1175

Table 5-6: Details of Solar rooftop PV system

5.3. Best Practices Implemented for Energy Conservation

During the study, observations were carried out on the usage of the inventories in the college building premises. In the intension of saving the electricity, various measures have been adopted in the college. Computers and AC units are used only during the working hours, after completion of class hours – fans, lights, computers and AC units are found to be turned OFF. This practice is followed across the college premises (class rooms, labs, staff rooms, office rooms, library and auditoriums).

5.3.1. Day-light Integration

During the audit phase classrooms, Staff-rooms, computer lab, seminar hall, UPS & batteries room and library areas were surveyed for illumination levels and fresh air-circulation. It was observed most of the rooms are well ventilated and day-light integrated; sample photos are shown in figure 5-9 and figure 5-12.

Figure 5-8: Day light integrated floors

Figure 5-9: Day-light integrated Corridor and Seminar hall

Figure 5-10: Day-light integrated Library and learning area

Figure 5-11: Day-light integrated Laboratories

5.3.2. Installation of LED lights

Many of the FTL in all the blocks of the campus are replaced with LED lights. LED tube lights are used in the class rooms, staff-rooms, corridors, hostel, dining area and in the library area. Sample photo of LED lamp used in the some of the locations of the college area are shown in figure 5-13 to figure to figure 5-14.

Figure 5-12: LED lights in the practice floors

Figure 5-13: LED lights in Classrooms, Labs, and Corridors

The cost savings by installation of LED lights are given in table 5-9 to table 5-11.

S. No.	Description	Unit	Details
1	Rated Wattage of LED lamps installed	W	18
2	Quantity of LED lamps installed	Nos	33
3	Rated wattage of lamps used earlier	W	36

8	Annual electricity savings	kWh	23783.76
9	Average electricity cost	Rs./kWh	8
10	Annual cost savings achieved per year	Rs. lakh/year	1.90
11	CO2 mitigations per year	Tons/year	20.22

Table 5-8: Annual cost savings by installation of 10 W LED lights

S. No.	Description	Unit	Details
1	Rated Wattage of LED lamps installed	W	12
2	Quantity of LED lamps installed	Nos	175
3	Rated wattage of lamps used earlier	W	36
4	Savings per lamp by installation of LED lamps	W	24
5	Total savings	kW	4.2
6	Working hours per day	hours	9
7	No. of working days per year	days	280
8	Annual electricity savings	kWh	10584
9	Average electricity cost	Rs./kWh	8
10	Annual cost savings achieved per year	Rs. lakh/year	0.85
11	CO2 mitigations per year	Tons/year	9.00

Table 5-9: Annual cost savings by installation of 12 W LED lights

5.3.3. Installation of SRTPV system

Solar PV system installed in the campus for the power generation accounts to 382 kWp. Sample photo of a solar PV panel installed in the campus is shown in figure 5-15. PV modules are made of multi crystalline.

Figure 5-14: Sample photo – SRTPV system

The SRTPV system has net metering (Bi-directional meter) system. Power Purchase Agreement (PPA) made between the management trust and with BESCO with net metering arrangements has been reviewed.

Energy generation and cost savings of the SRTPV system of the campus is estimated and the same is given in the table 5-12.

S. No.	Description	Unit	Values
1	Rated Capacity of SRTPV system	kWp	382
2	Average units generated per day	kWh/day/kWp	3
3	No. of working days per annum	days	280
4	No. of years in operation	years	4
5	Annual energy generation from SRTPV	kWh/ annum	320880
6	Average energy cost	Rs./kWh	8
7	Annual cost savings due to installation of SRTPV	Rs. Lakh / annum	25.67
8	Total cost savings due to installation of SRTPV for 4 years	Rs. Lakh / annum	102.68
9	CO2 mitigations per year	Tons/year	272.7

Table 5-10: Cost savings from SRTPV system

5.3.4. Procurement of LED/LCD monitors

LED/LCD monitors are used for all the desktop computers in staff rooms and in digital library. Sample photo is as shown in the figure 5-16.

Figure 5-15: Use of LED monitors in the digital library

5.3.5. Use of Sensor based Hand Driers and Hand Wash

Sensor based devise are most effective equipment in conserving energy. Sensor based hand driers are placed in the college at many of the hand wash areas. Sample photo of the sensor based hand drier and wash basin are shown in figure 5-17 and figure 5-18.

Figure 5-16: Sample photo of Sensor based Hand driers

Figure 5-17: Sensors based wash basin

5.3.6. Maintenance Complaint & log Register

There is a systematic process in place for complaints and maintenance monitoring. Once the complaint is attended and fixed, manual sign of completion is obtained from the person raised the complaint and then the complaint gets closed in the register. The picture of the complaint form is shown in figure 5-18.

5.4. Recommendations

5.4.1. Replacement of conventional FTL with EE LED tube lights

Background

From the inventory data; collected during study it is observed conventional FTL lighting fixtures are used in the campus. The total number of 1x36W FTL fixtures is 244. The power consumed by FTL in comparison with LED fixtures is 50% higher. Replacing the existing FTL with LED will result in energy savings.

Recommendation

It is recommended to replace the existing 1x36W FTL lamps with 1x18W LED tube lights.

Energy Savings

The energy savings and investment cost for replacement of FTL with LED fixtures and its payback period are given in table 5-13.

S. No.	Description	Unit	Details
1	Total no. of FTL rated 36W	No.s	244
2	Power consumption by 1x36W FTL	kW	8.784
3	% of savings if all FTL replaced by LED fixtures	%	50
4	% of savings in kW if replaced by LED fixtures (Considering all fixtures)	kW	4.392
5	%of Lights found to be ON during working hours	%	75
6	Energy savings for fixtures in ON condition (4 x 5%)	kW	3.29
7	Total working hours per day	hours	9.0
8	Annual savings (6 x 7 x 280 days)	kWh/Annum	8300.9
9	Average energy cost per kWh	Rs./kWh	8.00
10	Annual cost savings	Rs. lakh	0.7
11	Cost of LED per fixture	Rs.	500.0
12	Total Investment cost for 244 LED fixtures	Rs. lakh	1.2
13	Simple payback period (12 / 10)	Years	1.84

Table 5-11: Savings and payback period calculations on replacement FTL to LED

5.4.2. Replacement of 18W CFL with 10W LED lights

Background

From the inventory data; collected during study it is observed CFL lighting fixtures are used in the campus. The total number of 18W CFL fixtures is 55. The power consumed by FTL in comparison with LED fixtures is 50% higher. Replacing the existing FTL with LED will result in energy savings.

Recommendation

It is recommended to replace the existing 1x18W FTL lamps with 10W LED lights.

Energy Savings

The energy savings and investment cost for replacement of FTL with LED fixtures and its payback period are given in table 5-14.

S. No.	Description	Unit	Details
1	Total no. of CFL rated 18W	No.	55
2	Power consumption by 18W CFL	kW	0.99
3	% of savings if all FTL replaced by LED fixtures	%	55
4	% of savings in kW if replaced by LED fixtures (Considering all fixtures)	kW	0.5445
5	%of Lights found to be ON during working hours	%	75
6	Energy savings for fixtures in ON condition (4 x 5%)	kW	0.41
7	Total working hours per day	hours	9.0
8	Annual savings (6 x 7 x 280 days)	kWh/Annum	1029.1
9	Average energy cost per kWh	Rs./kWh	8.00
10	Annual cost savings	Rs. lakh	0.1
11	Cost of LED per fixture	Rs.	300.0
12	Total Investment cost for 55 LED fixtures	Rs. lakh	0.2
13	Simple payback period (12 / 10)	Years	2.00

Table 5-12: Savings and payback period calculations on replacement CFL to LED

5.4.3. Usage of Sign boards

There were no Sign boards stating ‘Please turn off all electrical switches when not in use’ posted in class rooms, staff-rooms, labs, libraries hostels and corridors.

5.4.4. Other energy conservation opportunities

- Sensor based lighting system can be implemented at the suitable areas.
- Conduct training and awareness programs on energy conservation

6. WASTE MANAGEMENT AUDIT

6.1. Facility Description

The study involved carrying out various analyses to realistically assess waste generation. There are different types of waste generated in the college and is tabulated in table 6-1.

S. No.	Description	Yes / No	Details
1	E-Waste	Yes	External Agency
2	Hazardous / Chemical Waste	No	NA
3	Solid Waste	Yes	BBMP
4	Dry Leaves	Yes	Compost pit
5	Food Waste	Yes	Piggeries
6	Waste Water	Yes	STP
7	Glass Waste	No	BBMP
8	Sanitary Napkins	Yes	BBMP
9	Unused Materials	No	BBMP
10	Plastic Waste	Yes	BBMP

Table 6-1: Types of Waste Generated in the DSCDS

From the table above it is clearly understood that the garbage segregation is done and the garbage is given to external agencies / municipal agencies from time to time in order to maintain the college premises clean & hygiene.

The Institution implements solid waste management by enforcing the waste segregation rules. Solid waste includes both biodegradable and non-biodegradable components. The non-biodegradable solid waste generated in the campus include, paper, plastics, metal cans etc. Biodegradable waste includes food waste, vegetable peels, leaves etc. Liquid waste is sent to STP to treat and reusing it for gardening.

E-waste or Electronic waste, refers to all items of electrical and electronic equipment (EEE) and its parts that have been discarded by its owner as waste without the intent of re-use. In academic institutions major e-waste are accounted as old computers and its accessories. Such E-waste are segregated from the dry waste and given to e-waste disposing vendors.

6.1.1. Dry Waste Management

Separate bins are used across the campus for Dry and Wet waste collection. Each room (Staff, class rooms, office, restrooms, and library) is provided with the dustbin to segregate waste.

The housekeeping staffs clean and collect the wastes generated inside the campus and dump them into the larger waste bins in segregated manner at disposal point. From, there the wastes are taken by the BBMP vehicles. Sample photo of waste collection bin placed at corridor is shown in figure 6-1.

Figure 6-1: Sample photo of Dustbin at corridor

The garbage segregation is done at the college premises and the garbage is given to external agencies / municipal agencies from time to time in order to maintain the college premises clean & hygiene. Figure 6-2 shows the waste collection areas and Figure 6-3 shows a sample dry and wet waste collection points available in the college campus.

Figure 6-2: Dry and wet waste collection area

Figure 6-3: waste collection bins in the campus area

Dry waste is collected in dry waste collection area located near staff parking. Dry waste segregation is not done properly. Hence it is recommended to practice dry waste segregation.

6.1.2. Wet Waste Management

To manage the wet waste produced in the college, management has taken initiative to separate the wet waste from dry waste. Wet waste is produced from kitchen of cafeteria in the campus is segregated separately and given to the local piggeries and remaining waste has been dumped to dry-leaves compost pit to form manure. The remains of the tiffin boxes brought by the students, teachers, & staff of the college, are collected separately and dumped in dry-leaves compost pit.

Food waste in the canteen is collected in plastic drums. This waste has been given to piggeries on daily basis. Before lockdown 50-70 kg/day of food waste and during lockdown 20-30 kg/day of food waste was produced.

6.1.3. Bio-medical waste Management

In the dental hospital practice floors, each department's treatment section for each of the dental engine setup; there is a separate dustbin placed. It is hygiene practice to maintain cleanliness and health of the patient and doctor.

Figure 6-4: Sample photo of Dustbins

Segregation of bio-waste at source level is best way of Waste management by using color code bins. Sample photos of using color code bins are shown in the figure 6-4 and figure 6-5.

Figure 6-5: Sample photo of Color-coded Waste collection bins

Bio-waste has been disposed to Maridi Bio Industries Pvt. Ltd. Sample copy of the MoU between DSCDS and Maridi Bio Industries Pvt. Ltd is as shown in figure 6-8 and figure 6-9.

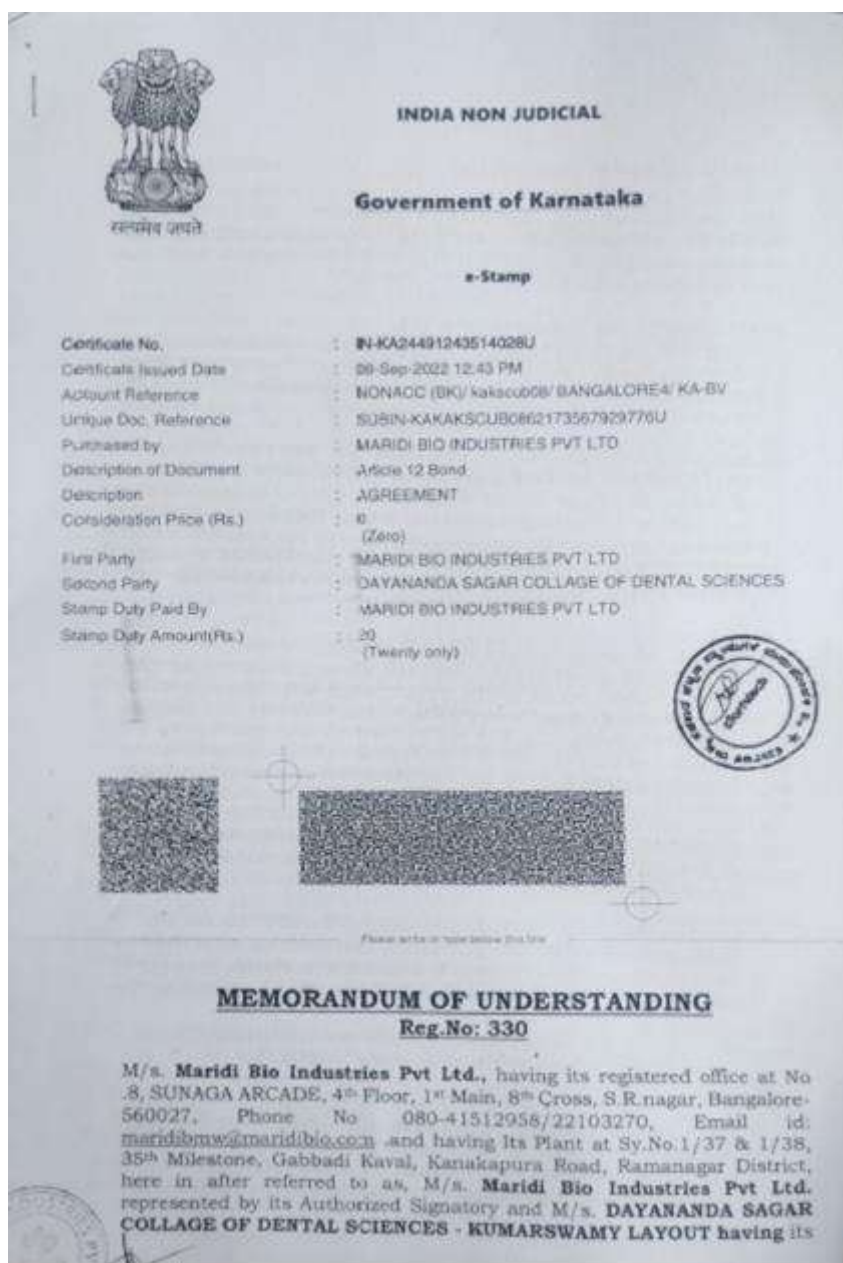

Figure 6-6: Image 1 of 2 – MoU for bio-waste management

centre at shiavige malleswara hills, kumaraswamy layout, bangalore-78. Mob: 9741117159, Email: principal@dscds.edu.in. Here in after referred to as M/s. **DAYANANDA SAGAR COLLAGE OF DENTAL SCIENCES - KUMARSWAMY LAYOUT** is hereby agreed and come to the Memorandum of Understanding on this 22nd Day of August month year 2022 as detailed below:

- a. M/s. **Maridi Bio Industries Pvt Ltd.** with consent from Karnataka State Pollution Control Board is having a common treatment facility for Managing Bio-Medical Waste in Ramanagaram district at 36th Mile Stone, Kanakapura Road. The facility is having a state of art Autoclave system along with the shredder and Incinerator.
- b. M/s. **DAYANANDA SAGAR COLLAGE OF DENTAL SCIENCES - KUMARSWAMY LAYOUT** gives its bio-medical waste properly packed in color-coded bags as per pollution control Board regulations for treatment and final disposal to M/s. **Maridi Bio Industries Pvt Ltd.** The waste should be given at one single point by the M/s. **DAYANANDA SAGAR COLLAGE OF DENTAL SCIENCES - KUMARSWAMY LAYOUT** at given time of M/s. **Maridi Bio Industries Pvt Ltd.** Vehicle.
- c. M/s. **Maridi Bio Industries Pvt Ltd.** will charge a price of Rs. 10000/- Per Month (Rupees ten thousand only); **(Up to 100 kgs per month, if it exceeds Rs.65/- per Kg will be charged extra, GST Extra as applicable) (Excluding Poly bags)** transportation, treatment and final disposal of biomedical waste. This Price will be fixed for a period of one (1) year from date of this agreement and thereafter there will be 12% (Twelve Percent) escalations in the price for every one-year on existing rate.
- d. M/s. **DAYANANDA SAGAR COLLAGE OF DENTAL SCIENCES - KUMARSWAMY LAYOUT** will not enter into any agreement with any other party or organization for the waste treatment and disposal unless cancel of this agreement.
- e. M/s. **DAYANANDA SAGAR COLLAGE OF DENTAL SCIENCES - KUMARSWAMY LAYOUT** is assuring that payment should be made through Account Payee cheque in favour of M/s. **Maridi Bio Industries Pvt Ltd.** on or before 5th of every month.
- f. M/s. **Maridi Bio Industries Pvt Ltd.** is not responsible for any cash payments and also we will collect cheque bounce charges.
- g. In case of non-receipt of payment on the agreed date from M/s. **DAYANANDA SAGAR COLLAGE OF DENTAL SCIENCES - KUMARSWAMY LAYOUT** M/s. **Maridi Bio Industries Pvt Ltd.**, will stop the collection of waste immediately with intimation to Karnataka State Pollution Control Board. The delayed payments will be collected with an interest of 18% per annum.

Figure 6-7: Image 2 of 2 – MoU for bio-waste management

6.1.4. E- Waste Management

E-waste like desktop computers, key boards, mouse CPU, batteries are segregated as e-waste. Batteries are exchanged on buy back policy. Other e-waste is given to vendor when the quantity is more.

6.2. Best Practices Implemented for Waste management

6.2.1. Color Code Bins

The garbage segregation is done and the garbage is given to external agencies / municipal agencies from time to time in order to maintain the college premises clean & hygiene. Figure 6-7 shows the sample photo of waste segregation bins at the treatment wards.

Figure 6-8: Sample photo of Color-coded Waste collection bins

6.2.2. Waste Segregation

Dry waste and waste are separated at the source level in the college. Sample photos of dry waste segregation is shown in the figure 6-8.

Figure 6-9: Waste segregation

6.2.3. Dry leaves compost pit

Composting dry leaves make a dark, rich, earthy, organic matter that can be used as soil. It adds nutrients to the garden soil and the larger particle size helps enhance the tilth and then loosen compacted earth. The composting process retains moisture and repels weeds when used as a top dressing or mulch.

6.2.4. Sewage Treatment Plant for waste water recycling

The procedure for removing contaminants from the wastewater basically from the household sewage is called sewage treatment. It has to undergo the chemical, physical and biological procedure to remove these contaminants and give out an environmentally safe treated effluent. A semi-solid slurry called the sewage sludge is the by-product of the sewage treatment. This sludge is further processed before it is suitable for land application.

The institution has installed STP with capacity of 180 kLPD and the quantity of final treated water is 75% of the total capacity, which is 135 kLPD.

The details of water savings and cost savings due to installation of STP is given in table 4-1.

S. No.	Description	Unit	Details
1	STP capacity	kLPD	180.0
2	Quantity of final treated water from STP	kLPD	135.0
3	Quantity of water reused @ 50% utilization factor	kLPD	67.5
4	No. of working days per year	days	280.0
5	Annual Quantity of water reused (saved)	kLPD	18900
6	Average water cost	Rs./Litre	0.086
7	Annual cost savings achieved	Rs. lakh/year	16.25

Table 6-2: Annual Savings - STP – Waste water recycling

6.2.5. Maintenance Team

The college management has formed separate operations & maintenance team, house-keeping team and security personnel's for maintaining the cleanliness of various areas inside the campus.

During the audit, walk through survey was carried out to observe the maintenance of the electrical panels, water distribution system, housekeeping and log book/ records for maintenance and housekeeping.

The entire campus is maintained clean and tidy. The electrical panels, panel rooms in each block, sub-station, DG set area, water distribution system, STP area, terrace water tanks, solar water heaters, SRTPV systems, class rooms, office rooms, hostels, kitchen and dining area, canteen, auditorium, library, playground, corridors, walk ways, and toilets & wash rooms, is found to be well maintained and cleaned on regular intervals.

The college campus has a dedicated team for maintenance of the campus. The breakup of the maintenance team members is given in table 6-3. Sample bill copy of list of items purchased for housekeeping and maintenance is given in figure 4.21.

6.3. Recommendations

The following are the recommendations for the better waste management.

- Conducting a greater number of waste management (collection) drives.
- Organizing Zero Waste Campus Campaigns every year
- Installation of dry leaf composter for the manure generation through dry leaves of garden.
- Replacement of plastic can be made with steel cutlery in the canteen
- Awareness programs and trainings
- Conducting Seminars and Workshops

7. GREEN CAMPUS MANAGEMENT AUDIT

7.1. Facility Description

Institution maintains a clean and green environment within the campus. This Institution ensures the green environment by establishing a separate maintenance department. The maintenance team takes care of the up-keeping of the environment and ensures to keep the surroundings clean. It maintains the lawn and plantations by employing gardeners and the cleanliness has been maintained by employing sufficient number of sweepers.

The maintenance staff members do periodic checks and maintain records for the same. Many initiatives are taken by the management to inculcate the eco-friendly culture among the student community. The lush green campus provides the facilities such as rain water harvesting, well grown trees and water reuse treatment plant.

7.1.1. Plantations and Lawn

The campus is gifted with adequate greenery like banana plantation, Green house, nursery plants and tree plantations. The greenery in the campus also aids in soil quality protection, watershed, landslide stabilization erosion control, and windbreaks. Such plantations are established to foster native species and promote forest regeneration on degraded lands as a tool of environmental restoration. The college is surrounded by ample greenery along with artificial landscaping in the heart of the campus. Vegetation is maintained and nurtured around main areas of the campus. The campus is enveloped by the canopy of huge trees.

This section includes the plants and greenery of the campus. There are more than 2000 plant species identified inside the campus. Garden area inside the college is available.

1. Total number of plant species identified - 2000
2. Total number of plants in the campus - 1500
3. Total number of Trees in the campus - 750
4. Total Garden area in the college campus accounts to – 18 Acres
5. Total number of medicinal plants /trees in the campus – 20 Species
6. Total number of vegetables and fruits plantation in the campus – 20 Species

Sample list of plants in the campus with the scientific names and quantity is as given below in the table 7-1.

S. No.	Common Name	Scientific Name	No. of Trees/plants	Uses
1	Gulmohar	Delonix regia	4	Ornamental
2	plumeria	plumeria rubra	6	Ornamental
3	Amaltus	Cassia fistula	2	Ornamental
4	Bottle Brush	Callistemon citrinus	2	Ornamental
5	Jack Fruit tree	Artocarpus heterophyllus	2	Fruit & Wood
6	Rosy trumpet	Tabebuia rosea	2	Ornamental
7	Sacred Fig	Ficus religiosa	2	Ornamental
8	Mango	Mangifera indica	4	Fruit
9	Silver Oak	Grevillea robusta	4	Wood
10	Pougamia	Millettia	10	Leaves & Wood
11	Coconut tree	Cocos nucifera	10	Nuts
12	Ashoka tree	Saraca asoca	20	Ornamental
13	yellow trumpet	Tecoma stans	2	Ornamental
14	Tamarind tree	Tamarindus indica	4	Pods & wood
15	Iron wood Tree	Olneya tesota	1	Ornamental
16	Eucalyptus tree	Eucalyptus globulus	2	Wood
17	Fig	Ficus carica	1	Fruit & Wood
18	Bauhinia	Bauhinia blakeana	4	Wood
19	Ficus	Ficus benjamina	2	Wood
20	Bilva	Aegle marmelos	2	Wood

Table 7-1: Sample list of plants / trees with their scientific names

Some of the photos of trees in the campus are as shown in the figure 3-55.

7.2. Best Practices Implemented for Green Campus Management

The maintenance staff members do periodic checks and maintain records for the same. Many initiatives are taken by the management to inculcate the eco-friendly culture among the student community. The green campus provides the facilities such as rain water harvesting, well grown plantations and lawn all around the campus.

- Green landscaping with trees, plants like vegetable, fruits and medicinal plants; lawns
- Paperless office: All communication regarding academics and administration are sent as e-mails and messages to faculty members and students that contributes paperless communication

Figure 7-8: Sapling Plantation on Ramakrishna Paramahansa Jayanthi

7.3. Recommendations

- Encouraging students to recommend creative ideas for making campus more greenery.
- Conducting competition among departments to promote student's ideas in sustainability initiatives

8. ENVIRONMENT AUDIT (CARBON FOOTPRINT ANALYSIS)

8.1. Facility Description

The carbon footprint is "the total amount of greenhouse gas (GHG) emissions caused by an organization, event or product". Global warming and climate change are the foremost environmental challenges facing the world today. It is our responsibility to minimize the consumption of energy and hence reduce the emissions of greenhouse gases.

To analysis the carbon footprint, transportation details of students and staff are collected as below:

1. Whether college provides transport facility for staff and students (Yes/No)? No,
2. Number (or Percentage) of Staff using public transport: 03%
3. Number (or Percentage) of Staff using Bike: 57%
4. Number (or Percentage) of Staff using Car: 31%
5. Number (or Percentage) of Staff using Electric Bike: 08%
6. Number (or Percentage) of Staff using Bicycle: 01%

7. Number (or Percentage) of students using public transport: 46%
8. Number (or Percentage) of students commute by walking: 36%
9. Number (or Percentage) of students using Bike: 16%
10. Number (or Percentage) of students using Electric Bike: 01%
11. Number (or Percentage) of students using Bicycle: 01%

8.2. Best Practices Implemented for Environment Conservation

8.2.1. Use of Air purifiers in the treatment floors

The buildings are always engaged with the continuous passage of a larger number of occupants and with goods, several other items. All these materials may release volatile organic compounds (VOC's), obnoxious gases & particles into the premises. Eventually, the indoor air inside the commercial buildings will lose its quality. Moreover, the most common challenge in the buildings is the lower concentration on ventilation facilities, indoor air recirculation systems. As a result, occupants in the buildings are more susceptible to poor health. Pollutants occupied in the indoor environment can increase the risk of illness. Poor indoor air quality in the commercial spaces is due to the presence of:

- Molds, spores, pollens
- Carbon monoxide, radon, volatile organic compounds (VOCs)
- Bacteria, viruses, and byproducts
- Vehicle engine exhaust, exhaust from industrial plants
- Asbestos, clays, elemental particles, and man-made fibers

Control of indoor air quality involves integrating three main strategies. First, manage the sources of pollutants either by removing them from the building or isolating them from people through physical barriers, air pressure relationships or by controlling the timing of their use. Second, dilute pollutants and remove them from the building through ventilation. Third, use filtration solutions/ products to clean the air of pollutants.

Air purifiers inside the hospital wards keeps the air clean fresh. Sample photo of Oral medicine Air purifier in the DSCDS premises is shown in figure 8-1.

Figure 8-1: Sample photo of Oral medicine air-purifiers

8.2.2. Encouraging for usage of electric vehicles

The institution management is recommending and encouraging the staff and students to use the public transport and electric vehicles, to reduce the carbon foot prints.

Some of the staff & students coming to college are Electric bikes. During audit pictures of electric bikes are taken and the same is given in figure 8-1.

Figure 8-2: Sample photos of electric vehicles

8.2.3. Awareness program – No Tobacco Day

Dayananda Sagar College of Dental Sciences in association with Karnataka Cancer Society observed the **World No Tobacco Day on the 31st of May 2022**. In this connection, a mega awareness rally was organized from Banashankari bus stand to our college campus between 9 AM to 10.30 AM. About 400 students and staff were participated in the rally to convey the consequences of tobacco usage were performed for the benefit of public.

Figure 8-3: Sample photos of 'No Tobacco Day'

8.2.5. Quit smoking Awareness poster – Hospital

A big poster on ‘Quit smoking’ is placed at the entrance of the hospital. Sample picture of the same has been shown in figure 8-4

Figure 8-4: Sample photos of Poster – Quit Smoking

8.2.6. Awareness program – World Environment day

On the occasion of World Environment Day, Dayananda Sagar College of Dental Sciences NSS unit organized a cyclathon from the college campus to Vidhana Soudha with a pit stop at Lalbagh west . NSS volunteers enthusiastically cycled a distance of 24kms from college to Vidhana Soudha and back. Posters and banners about Environment awareness were displayed at Lalbagh and Vidhana Soudha. Sample photo of the event is shown in figure 8-4.

Figure 8-5: Sample photo of World environment day

8.3. Recommendations

During the study, there was continuous interaction between the audit team, college engineers and staff members to ensure that the suggestions made are realistic, practical and implementable.

- Recommend more staffs to use car-pooling system
- Recommend students and staff to use more public transport system
- Recommend students and staff to use more bicycle
- Recommend staff and students to use more electric vehicles

9. ANNEXURES

9.1. Data Collection Questionnaire

A questionnaire is a checklist used as the primary tool for the collection of data / information in a systematic manner that enables to perform the audit.

9.1.1. General information of the college:

General information of the college needs to be collected to get an overview of the campus for the walk-through purpose. It includes a set of questionnaires as given below.

1. Internal Environment Quality Audit Team : 2020 – 2021

Table 9-1 depicts the format for the collection of Internal Environment Quality Audit team.

Table 9-1: Internal Environment Quality Audit team

S. No.	Name	Designation	Role
1			
2			
3			

2. General Information of the college

General information of the college includes an address of college and head office, contact person details, year of establishment etc., as given in table 9-2.

Table 9-2: General information of the college

S. No.	Description	Details
1.	Name of the College and address:	
1.a	Head office address :	
2.	Telephone/Fax No	
3.	Co-ordinating officer:	Name:
		Mob:
		Email:
4.	Year of Establishment:	

S. No.	Description	Details
5.	Hostel (Available/Not Available)	
6.	No. of Working days/year	
7.	Brief description of Campus	

3. Tentative Schedule of a working day:

- a. No. of working days per year:
- b. List of holidays:

4. Total area of the campus

5. Number of staff and students

Teaching, non-teaching, supporting staff with a male and female breakup is obtained from table 9-3

Table 9-3: Details of the Staff

S. No.	Staff	Students
1		

9.1.2. Water Audit details:

1. General information

General information required for water management analysis is collected from table 9-4.

Table 9-4: Water management details

S. No.	Description	Details
1	Source of water	
2	Types of water	
3	No of Wells	
4	No of motors used	

S. No.	Description	Details
5	No of bore wells	
6	Rating of the motors in HP	
7	Depth of each bore-well	
8	Water level of bore well	
9	Number of water tanks (overhead & underground tanks)	
10	Capacity of overhead tank	
11	Capacity of underground tank	
12	Quantity of water pumped every day	
13	Any water wastage of water /why?	
14	Water usage for gardening	
15	Waste water sources	
16	Use of waste water	
17	Faith of waste water from labs	
18	Whether waste water from labs mixed with ground water?	
19	Any treatment method available for lab water?	
20	Whether any green chemistry method practiced in labs?	
21	Total number of water coolers	
22	Whether Rain water harvesting system available?	
23	Whether Sewage Treatment Plant (STP) is available?	
24	List of equipment installed in STP (If S.No.23 is Yes)	
25	Whether Solar Hot Water System is available in the campus	
26	Number of units and amount of water harvested	
27	Any leaky taps in the campus	
28	Amount of water lost per day	
29	Any water management plan used?	
30	Any water-saving techniques followed?	
31	Are there any signs reminding peoples to turn off the water?	
32	No. of water flow meters available	
33	Method of water consumption monitoring	
34	Breakup of daily water consumption	

S. No.	Description	Details
35	Attach Month wise water bill for last 2 years	
36	Please attach recent water quality test reports for Bore well water, Drinking Water and STP processed water.	
37	What are the sources of hot water	
38	What are the usage areas of hot water	

2. STP information

STP details are collected from table 9-5

Table 9-5: Details of STP

S. No.	Description	Details
1.	Number of STP plants installed	
2.	Capacity of STP	
3.	Technology of STP	
4.	Year of Installation	
5.	Schematic / Layout of STP	
6.	Water flow meters installed	
7.	Quantity of Sludge	
8.	Disposal of Sludge	

3. RO Plant information

RO Plant details are obtained from table 9-6.

Table 9-6: Details of RO Plant

S. No.	Location	Quantity	Capacity
1.			
2.			
3.			

9.1.3. Energy consumption details:

1. Energy consumption details:

The energy consumption details required for the audit is collected, the brief format of the same is given in table 9-7.

Table 9-7: Details of Energy consumption

S. No.	Type	Units	Value	Cost in Rs.
1	Electricity	kWh	2020	
			2021	
2	LPG	Cylinders		
3	Diesel	Litres (Month wise consumption for the last two years)		
4	Others resources (Please specify)			
5	Total connected load	kW		
6	Contract demand	kVA		
7	Maximum demand recorded	kVA		
8	Average power factor			
9	Energy charges	Rs./kWh		
10	Demand charges	Rs./kVA		
* Attach Electricity Bill Copy of last 2 years				

2. Solar Energy details:

The solar energy details required are collected from table 9-8.

Table 9-8: Details of Solar Energy

S. No.	Building No./ Name	Solar water Heater			Solar PV System		
		Capacity	Working / Not working	Year of Installation	Capacity	Working / Not working	Year of Installation

3. Solar Street lights details:

- a. Quantity -
- b. Capacity -
- c. Year of Installation –

4. Electrical Equipment details:

Electrical Equipment like transformers DGs UPS Capacitor Bank, AC, Computers, water coolers, fans, exhaust fans are obtained from the table 9-9.

Table 9-9: Details of Electrical Equipment

S. No.	Description	Details	
1.	Number of Transformers Installed	Nos.	
2.	Number of Electrical Panels / Electrical Panel Rooms	Nos.	
3.	Whether Diesel Generator Set Backup Power is Available	Yes / No	
4..	How many number of DG Sets available in the campus (If S.No.3 is Yes)	Nos.	
5.	Whether UPS is available for labs, computers and/or any equipment	Yes / No	
6.	Number of UPS installed with location and capacity (If S.No.5 is Yes)	Nos.	
7.	Whether Capacitor Banks is installed in the electrical panel rooms	Yes / No	
8..	Whether Air Conditioning Units have been installed in the campus	Yes / No	
9.	Type of AC units (split, cassette or packaged) available, capacity and installed location (If S.No.8 is Yes)	Nos.	
10.	Total number of computers available in the campus	Nos.	
11.	Type of computer monitors available (CRT, LCD, LED)	Nos.	
12.	Whether water coolers are installed in the academic blocks	Yes/No	
13.	Type of lamps (Fluorescent Tube Light, CFL, LED, Incandescent, Sodium / Mercury lamps, etc.,) installed in the campus	Nos.	
14.	Type of fans (ceiling, wall mount, standing, exhaust, etc.,) installed in the campus	Nos.	
15.	Whether exhaust fans are installed in hostel / kitchen.(If Yes, share the quantity and installed location)	Yes /No	
16.	Any other electrical equipment's in college buildings.		

5. List of energy saving initiatives implemented
6. List of energy saving initiatives in plan for future

9.1.4. Waste management details:

Waste management includes the activities and actions required to manage waste from its inception to its final disposal. The various data/ information required for the assessment of waste management is as collected from the following set of questionnaires.

1. Basic information

Basic information for waste management is collected from table 9-10.

Table 9-10: Basic details of waste management

S. No.	Description	Yes/ No
1	Whether wet and dry garbage segregation is done inside the campus?	
2	Whether garbage is given to external agencies / municipal agencies?	

2. Types of Waste generated

Types of waste generated in the college are obtained from table 9-11.

Table 9-11: Types of waste generated

S. No.	Description	Yes / No	Remarks
1	E-Waste (Computers, electrical and electronic parts)		
2	Hazardous / Chemical Waste		
3	Solid Waste (Damaged furniture, paper waste, paper plates)		
4	Dry Leaves		
5	Food Waste		
6	Waste Water (Washing, urinals, bathrooms)		
7	Glass Waste (Broken glass wares from the labs)		
8	Unused Materials		

9	Plastic Waste (Pen, Refill, Plastic water bottles and other plastic containers, wrappers etc.)		
---	--	--	--

9.1.5. Green campus management details:

1. Total number of plants and trees

The total number of plantations, garden area, and many more are collected as per the set of questionnaires given in table 9-12

Table 9-12: List of plantation details

S. No	Description	Details
1	Total number of plant species identified	
2	Total number of plants on the campus	
3	Total number of Trees on the campus	
4	Garden area inside the college –	
5	Total number of medicinal plants /trees on the campus	
6	Total number of vegetables and fruits plantation in the campus	
7	Whether display boards are given to plants and trees for identification	
8	Does Institute celebrate World environment day?	
9	Does Institute celebrate World water day?	
10	Does Institute celebrate World ozone day?	
11	Does Institute celebrate World Earth day?	
12	Total number of aquatic water plants	

2. List of plants/ trees

List of plants/ trees with their scientific names obtained from table 9-13.

Table 9-13: List of plants/trees in campus

S. No.	Common/Local Name	Scientific name	No. of Trees/Plants

9.1.6. Carbon footprint management details:

The carbon emission from various activities such as transport, diesel generator usage, LPG consumption, and electricity consumption were collected, as per table 9-14.

Table 9-14: Details of Carbon footprint management

S. No	Description	Details
1	Whether college provides transport facility for staff and students (Yes/No)	
2	Number (or Percentage) of staff using transport services provided by college	
3	Number (or Percentage) of students using transport services provided by college	
4	Number (or Percentage) of Staff using public transport	
5	Number (or Percentage) of Staff using Bike	
6	Number (or Percentage) of Staff using Car	
7	Number (or Percentage) of students using Public transport	
8	Number (or Percentage) of students using Car	
9	Number (or Percentage) of students using Bike	
10	Number (or Percentage) of students using Bicycles	
11	Average consumption of diesel per month	
12	Average electricity consumption per month	
13	Average LPG consumption per month	

9.1.7. Photos required for Audit:

1. General Photos

In various sections, different types of photos are required to validate the existence of things, and hence they are collected from table 9-15.

Table 9-15: List of photos

S. No	Description		Details
1	Photos of student's NSS activities		
2	Photos of Safety policy		
3	Photos of the training program on the use of fire extinguishers		
4	Photos of environmental policies adopted by college		
5	Photos of MoUs for Waste management		
6	Photos of any other policies adopted by college		
7	Photos of water test report	Drinking Water	
		STP processed water	
		Bore-well water	
		Other water Sources (Like Tanker water and any other)	
8	Photos of use of Energy efficient devices like fan, bulbs etc.		
9	Photos of LCD/LED monitors used in Labs		
10	Photos of dry and wet waste collection bins		
11	Photos of celebrating World Environment Day		
12	Photos of celebrating World Water Day		
13	Photos of celebrating World Earth Day		
14	Photos of celebrating World Ozone Day

Gender Discrimination

Dayananda Sagar College of Dental Sciences conducted a programme on the topic 'Gender discrimination' on Jan 24th 2018. The Guest Speaker for the day was Dr Tinki Bose (MDS, MPhil), Professor, Government Dental College, Trivandrum, Kerala. The programme was conducted in Heritage building seminar hall, DSCDS. She spoke about the various types of discrimination faced by females or males simply because of their gender rather than skill or capabilities. She highlighted that gender discrimination is a common civil rights violation that may be in the form of sexual harassment, pregnancy discrimination, discrimination in education and employment and unequal pay. The programme concluded with vote of thanks by Dr Chaya M David, Prof and Head, Dept of Oral Medicine and Radiology who also felicitated the guest speaker. A total of 106 participants attended the programme.

International Women's Day Celebration 2018

'Relevance of Women in current workforce scenario'

Dayananda Sagar College of Dental Sciences, celebrated International Women's day on March 8th 2018. The programme was conducted in the Dept of Oral Medicine and Radiology. The Chief Guest for the programme was Mrs. Asha N Madusudhan, Principal of Dayananda Sagar Institute of Technology, Bangalore. She spoke about '*Relevance of Women in current workforce scenario*' highlighting the role of women to build an inspiring work culture through healthy competition and teamwork, thereby aiding the institution to develop to full potential. She spoke about how women fail to go back to work after marriage or childbirth being unable to maintain work-life balance that can affect country's economy. She spoke about measures an organization or institution and family can take to prevent this drop out of women workforce. A total of 84 participants attended the programme and the content of the lecture was well received.

INTERNATIONAL WOMEN'S DAY 2019

Dayananda Sagar College of Dental Sciences celebrated the spirit of womanhood on International Women's Day, March 8th, 2019. Mr. Galiswamy sir, Secretary, Dayananda Sagar Institutions, Bangalore, graced the programme. Sir spoke about the role of women in society and family and created awareness about importance of providing equal opportunities to both men and women. Dr Chaya M David, Professor and Head, Dept of Oral Medicine and radiology spoke about working towards gender equality. All the female faculty members and students were dressed in pink. Various games were conducted for female faculty members and students and cultural programmes were organized. A total of 110 students and faculty attended the programme. This was followed by cake cutting and refreshments. There was prize distribution for the winners of various games followed by vote of thanks by the Principal.

EQUAL PAY FOR EQUAL WORK

Dayananda Sagar College of Dental Sciences conducted a programme on 'Equal Pay for Equal Work' on August 23rd 2019. The Guest Speaker for the day was Dr Manasa M Meundi, Professor, Executive Doctor, Suvarna Arogya Suraksha Trust, Govt of Karnataka. She spoke about the importance and necessity that both men & women should be paid the same if performing the same job in the same organization. This ensures that the work done by women and men is appreciated fairly ending the pay discrimination and gender equality. The programme was attended by 115 participants and concluded with vote of thanks by Dr Savita A M, Professor and Head, Dept of Periodontics.

Nutrition in Women

Dayananda Sagar College of Dental Sciences conducted a programme on 'Nutrition in Women' on 26th November 2019. The Guest Speaker for the day was Dr. Vijayalakshmi K R, Professor and Head, Dept of Oral Medicine and Radiology, Government Dental College, Bangalore. Dr. Vijayalakshmi spoke about the various stages a female body goes through owing to the changes in female hormones and with each of these stages bringing different nutritional needs. She highlighted how lack of awareness of these can lead to weakening in physical condition and deficiency state specially Iron, folic acid and calcium deficiency in Indian females. She spoke about measures to overcome like access to basic nutrition and health services, Iron & Folic Acid Supplementation, Pre and peri-conceptual folic acid supplementation, universal access to iodized salt, maternal calcium and vitamin A supplementation. The programme was held in Heritage Building seminar Hall and was attended by 87 participants and was much appreciated for the content.

THEME- HEALTHY SMILE FOR HER

Internal complaints committee for sexual harassment against women, DSCDS along with Dept of Periodontology, on the occasion of International Women's Day 2020, conducted an oral health awareness programme for women on theme 'HEALTHY SMILE FOR HER.' On this day, free oral health checks up for all female patients were organized. Changing hormone levels in women at different stages of life can affect oral health and lead to various gingival and periodontal conditions. Patients were educated about these aspects and were made aware of the importance of oral health in women. Free oral prophylaxis was done for all female patients from 9th – 14th March 2020. Also handouts were given to women at large to spread oral hygiene awareness and its importance and come forward for treatment. A total of 120 students and staff attended the programme.

International Women's Day 2021

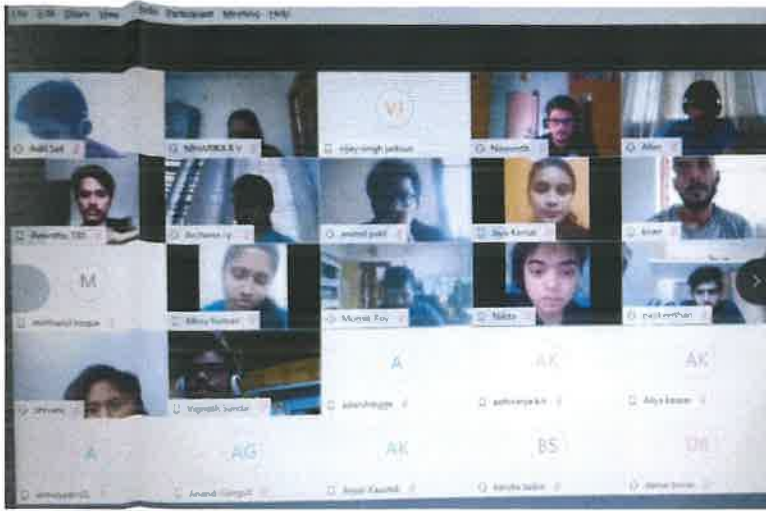

Women Empowerment in Dentistry

Dayananda Sagar College of Dental Sciences conducted an online programme on 'Women Empowerment in Dentistry' on March 8th 2021 on the occasion of International Women's Day. The Guest Speaker for the day was Dr Ranjini M A, Reader, Dept of Conservative Dentistry, DSCDS. She spoke about how women are unquestionably making their marks in the male dominated industry of dentistry. She talked about various challenges that exist for women in dentistry like gender bias that may not only influence how patients perceives woman dentist but also the way the she sees herself and how she advertises her practice. She spoke about how to overcome these challenges and use various digital marketing networks that help make the dentistry a level playing field for women. The programme was attended by 77 participants and the content was well appreciated by all the participants

UNDERSTANDING THE GENDER ISSUES

Internal Complaints Committee for Sexual harassment against Women, Dayananda Sagar College of Dental Sciences, Bangalore conducted an online webinar on Gender Sensitization on the topic “**Understanding the Gender Issues**” on 7th Jan 2022. The Guest Lecture was delivered by **Dr Sudeshna Mukherjee**, Associate Professor, Centre for Women’s Studies, Bangalore University. Gender sensitization is a process of creating awareness about gender equality. The aim of Gender Sensitization is it to make people aware of power relation between men and women in society and to understand importance of affording equal opportunities and treatment for men and women. Many gender sensitization programs are being conducted at household level, Institutional level and community level to provide healthy safe working environment for women. In this webinar, Dr Sudeshna Mukherjee talked about the basic difference between gender and sex, various gender issues and discrimination faced by women at work and issues like gender division of labor, gender pay gap in India, gender based violence, child sex ratio in various parts of India and Karnataka.

She also spoke about various commitments made by the Government to create gender equality in India like constitutional mandates, legal provisions, public policies and public expenditure. She talked about various Articles like Article 13(equal rights and opportunities in political, economic and social sphere), Articles 15 (prohibits discrimination on grounds of sex), Article 39(equal means of livelihood and equal pay for equal work) etc and policies with gender

perspective like the criminal Law (amendment Act), Sexual harassment of Women at work place Act, The Equal Remuneration Act etc.

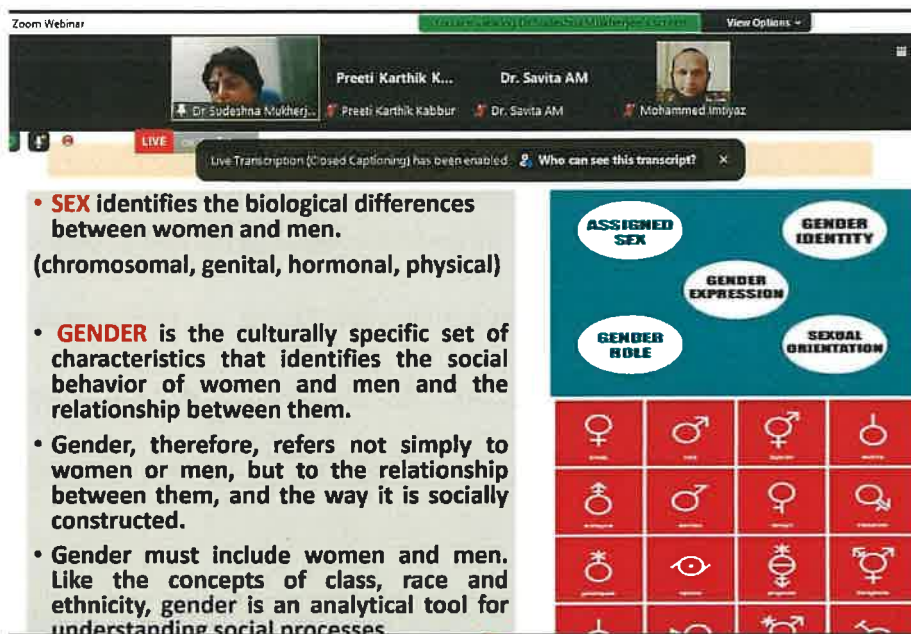

The program was attended by 160 participants and was much appreciated for its content and delivery. Live streaming of the webinar was done in Youtube and the recording of the programme is available in the Youtube.

INTERNATIONAL WOMEN'S DAY 2022 CELEBRATION

Internal complaints committee, DSCDS along with Dept of Conservative Dentistry and Endodontics celebrated International Women's Day on March 7th 2022. The program was presided over by **Dr. Roopa R Nadig**, President ACE-Karnataka, former HOD of the Dept of Conservative Dentistry and Endodontics, DSCDS, an accomplished lady having over 40 years of clinical and academic experience. As the theme for International Women's Day 2022 was Gender Equality, she spoke about the role of women in the family and in society and the importance of providing equal opportunities. She stressed efforts to identify and reduce the barriers to women's advancement in dentistry. The principal of DSCDS Dr. Hemanth spoke on women empowerment and equal opportunities. On the same day, Cons and Endo day was also observed. A total of 125 students and staff attended the programme.

Women's Oral health -Our Concern

Internal Complaints Committee (ICC) for sexual harassment against women, DSCDS in association with Bangalore Academy of Periodontology (BAP) celebrated International Women's day with the theme "Women's Oral health- Our Concern" on 17th March 2022. All the female faculties and students from various Colleges of Dayananda Sagar Institutions attended the programme.

Dr Vijaylakshmi Balekundri, Professor emeritus, a renowned Pediatric cardiologist, philanthropist, rich in Kannada literature and excellent Orator was the chief guest. Dr Savita AM, Professor and Head of the department of Periodontology welcomed and introduced the chief guest. Our beloved principal Dr Hemanth M addressed the gathering. The chief guest gave an impactful oration on "Gender Equality today for Sustainable Tomorrow" flawlessly in both Kannada and English languages. She recalled the role of Indian women right from ancient history who were in front line warriors, social entrepreneur, Reformers, and sports achievers. The audience and students were highly motivated, with youngster interacting and sharing their experience and difficulties. Dr Pallavi, Asst professor from the department of Periodontology, Presented DSCDS on "Importance of Oral Hygiene" and conveyed the message to the audience that prevention is better than cure. Dr Archana Naik, Reader from the department of of Periodontology, DSCDS, gave tips on "Healthy Mouth for you and me" where she explained the effects of oral health of women during puberty, pregnancy and Menopause. The programme concluded with a cultural event by the interns and final year BDS students depicting ill-treatment and injustice to women in the society and how they
