Respected Mam,

SUBJECT: Requisition for the dental camp

Our organization "Association for promoting social action" work for improvement of underprivileged children for betterment of the society. We have noticed that the oral health and the awareness about oral health is of minimal level in these children

With much humbleness and gratitude, we request you to arrange a free dental camp at Brilliance English School, Jayanagar on 07-03-2022

Kindly help us in this regard. Will look forward to your positive reply.

Thanking you

Respected Mam.

SUBJECT: Requesting for the dental camp

We work for improvement of underprivileged children for betterment of the society. We have noticed that the oral health and the awareness about oral health is minimal in these children .

We humbly request you to arrange a free dental camp at our orphanage to improve the oral health status of our children

Kindly help us in this regard. We look forward to your positive reply.

Thanking you

Yours sincerely.

Sub : Community postings from department

Sir,

It's a good initiative taken by our Institution to conduct dental camps around our college and in remote areas to cater to people who cannot afford dental treatment. In this regard, we are very pleased to send our Interns, PGs and staff of our department for peripheral/ satellite centres and community camps organised on a rotation basis to render our service in a small way. Thank you so much for this.

Yours sincerely,

Dear Dr Hemant,

We spoke.
Kindly arrange to hold a dental camp at the DSPS -Anjanapura campus on Saturday 18th of this month.
The camps would start from 10.00 am to 4.00 pm.

We will have 2-3 medical experts from Sagar -JNR, and BSK for 3 hours each
BSK doctors/ a nutritionist will be on the school premises from 10.00 am to 1.00 pm
JNR doctors and a nutritionist will be coming at 1.30 pm and leaving at 4.00 pm.

The Dental camp is for the full day.
Pls arrange to bring the mobile dental bus!
The school can provide the required electrical power supply.

Pls send me the details of the dental camp: meaning what can be expected by the potential community to whom we would be sending out invites in Anjanapura and beyond.

Respected Mam,

SUBJECT: Requisition for the dental camp

We, Sri Sai Sneha Samsthe Foundation work for improvement of underprivileged children for betterment of the society. We have noticed that the oral health and the awareness about oral health is of minimal level in these children

With much humbleness and gratitude, we request you to arrange a free dental camp at Sri Sai Sneha Samsthe Foundation, Raghuvanahalli, Subramanyapura on 27/5/2022

Kindly help us in this regard. Will look forward to your positive reply.

Thanking you

Respected Madam,

SUBJECT: Appreciation for the dental camp

We wish to convey our sincere thanks to you and your team for the dental screening/treatment camp conducted at Sri Sai Sneha Samsthe Foundation, Subramanyapura on 27/5/2022

Your cooperation and services have benefitted innumerable persons, and we are pleased to inform you that the camp has been a grand success and was well appreciated by all.

We look forward to many more such collaborations with Dayananda Sagar College of Dental Sciences in the future also.

Thanking you

Yours sincerely,

Respected Sir,

Sub: Provision of IOPA radiograph unit, ultrasonic scalar and light cure unit for dental establishment at Konankunte PHC under the Public Private Partnership

***

At the outset I would like to thank you for all the help rendered to us in the initiating and processing of our request to start a dental unit at the Konankunte Primary Health Centre. As per the instructions from the DHO office letter addressed to Taluk Health Officer (reference no 20/2017-18, dated 19/2/2018) , we had a detailed discussion with Dr. Ravi Shankar, the medical officer, Konanakunte PHC regarding the planning and utilization of space for the dental unit in the new upcoming PHC building. We are happy to inform that we had a fruitful discussion.

We are planning to provide basic treatment procedures such as extractions and oral prophylaxis for free as well as complex treatment procedures. We would require your help to provide an Intra oral radiograph unit, ultrasonic scalar and LED light curing unit for the centre so that complex procedures like root canal treatment and composite fillings can also be done in the centre. We were able to procure the following equipment at our other centre at NR colony maternity centre with the help from Corporator Mr. Sathyanarayana through BBMP funds. We are expecting your help in this regard to provide uninterrupted dental service.

Thanking you.

Thanking you.

Yours Sincerely

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) sets for the terms and understanding between the **Principal, Dayananda Sagar College of Dental Sciences** represented by the Head, Department of Forensic Odontology, Dayananda Sagar College of Dental Sciences, hereafter referred to as the 'First Party' and **Director & Dean, Bangalore Medical College & Research Institute**, Bangalore represented by the Head, Department of Forensic Medicine, Bangalore Medical College & Research Institute, Bangalore, here after referred to as the 'Second Party' to Collaborate in the field of Forensic Odontology.

BACKGROUND

Forensic odontology is established as an indispensable science in medico-legal matters and in areas of individual identification. The dental tissues are often preserved even if the deceased person is skeletonized, decomposed, burnt, or dismembered. Various methods have been developed to determine age, sex, and ethnicity of the person, using dental tissues. Forensic Odontology offers very specific analyses & tools to help in identification, gender determination, age estimation, bite mark analysis in cases of abuse, etc.

PURPOSE

This MOU will entail the First party to collaborate with the Second party in cases for providing expert dental opinion and services related to the following mentioned areas of interest namely, Dental Age estimation, Forensic dental radiography, Bite-mark analysis, Dental autopsy, Disaster victim identification, Comparative dental identification &Facial reconstruction. This collaboration will purely be on a 'On Call' basis as and when a dental opinion is required. None of these services offered by the First party will be charged. They will all be purely honorary in nature.

All the above mentioned services for the First party will be carried out by Dr.Krishnanand PS, who is qualified with a Fellowship in Forensic Odontology after having completed his Post-Graduate Dental Degree, MDS, in Oral & Maxillofacial Pathology.

The First party will post Bachelor of Dental Surgery (BDS) internees on a rotational basis asper the schedule & convenience of the Second party to help in co-ordination of cases of interest. The Second party shall provide the First party with access to a predetermined number of Autopsy procedures for each batch of posted BDS internees for the betterment of their clinical experience resulting in the overall betterment of their knowledge in terms of Forensic Odontology.

Any and all clinical material, data, photographs required by the First party will be procured with prior permission of the Second party. All the material in the form of Clinical data, Photographs, etc procured by the First party should obtain clearance from the Ethical Committee of BMCRI before it could be used in any sort of scientific publication.

c) In the event a joint research project is proposed by either Institution, such research efforts will be carefully scrutinized by both Parties to evaluate the value for the proposed joint effort, the qualifications of the proposed participating faculty members, and the location of the research activity. If a decision is made by both Parties to approve the proposed project as a possible joint effort, both Institutions will actively seek outside funding for the proposed joint research project. Final approval of the project will be subject, in part, to securing funding deemed sufficient by each Institution.

d) In such joint projects between the two Institutions, care will be taken to assure that there will be parity in the numbers and institutional ranks of the personnel involved. Any resulting publications shall include an acknowledgement of the contributions of each Insatution in accordance with customary scientific practices.

e) All such discussions of the concerned Parties regarding these matters will at all times strive to preserve a harmonious and continuing relationship between the institutions.

f) The Institutions agree to comply with all applicable laws that pertain to necessary licenses, certification standards, and legal considerations with regard to research where applicable.

g) If and when any collaborative research projects/ funding proposals are undertaken, a detailed collaboration agreement will be negotiated between the two institutions.

3. During Post Graduate training, when posted, the Post Graduate students must comply with all of the policies, procedures, and rules of the hospital (CDSIMER) and the hospital's medical staff, as applicable.

4. Both Institutions agree that all the financial agreements necessary to implement this MoU or any subsequent agreement must be negotiated according to the regulation of each of the institutions and depends on the availability of funds.

5. It is mutually agreed that food and accommodation will be provided for faculty / postgraduate students at CDSIMER campus.

6. Applicable Rules in case of Emergencies:

The Institutions agree that the clinical and academic requirements of both educational Institutions will be respected and that all current policies, rules, regulations, and/or guidelines covering matters applicable to a Program/patient care will be shared with

PRINCIPAL

1. The two said institutions agree to the following general areas of interest and cooperation:

a. Sharing technical infrastructure with regard to using Operation Theatre facilities at CDSIMER and hospital at Hanehalli.

b. Sharing of intellectual expertise for skill oriented training of Post Graduate Students in terms of hands on training during specific postings of students to CDSIMER.

c. Sharing of knowledge and promotion of skill based training in Surgical specialities for the benefit of Post Graduate Students as per the existing University requirements.

d. Joint promotion of each others expertise and capabilities.

e. Collaboration for Direct access to Maxillofacial Surgical requirements at CDSIMER with Department of Oral and Maxillofacial Surgery, DSCDS for emergency management and patient care.

Scope of Society for Maxillofacial Surgery and Emergency Care:

- Avoid the need to travel to distant hospitals for Maxillofacial Surgical needs.
- Availability of Post Graduate/ Residents from the Department of OMFS, DSCDS for emergency care when required at CDSIMER.
- On-Site training for Post Graduate Students.
- Faculty from Department of OMFS, DSCDS will be available for Surgical cases requiring admission and management at CDSIMER.

2. Intellectual Property and Research Collaborations:

a) Both institutions will encourage research collaborations in areas of mutual interest. While it is expected that such collaboration would include research in Maxillofacial Surgery, collaborations in other areas are also encouraged. Details shall be specified in the particular written agreement for each collaboration.

b) Both institutions will promote and facilitate exchange programs for post doctoral fellow training in Maxillofacial Surgery. Such collaborative effort should be based on the mutual interests of the involved Principal Investigators in both institutions and the prospective trainees.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) sets for the terms and understanding between the Dayananda Sagar College of Dental Sciences (DSCDS) represented by the Principal, hereafter referred to as the 'First Party' and Chandramma Dayananada Sagar Institute Of Medical Education & Research (CDSIMER), Bangalore represented by the Principal & Dean, here after referred to as the 'Second Party' to Collaborate in the field of Human Anatomy including Embryology, Osteology & Histology.

BACKGROUND

Human Anatomy including Embryology, Osteology & Histology is a part of the First BDS curriculum. Students, should gain the knowledge and insight into the functional anatomy of the normal human head and neck, functional histology and embryological development of clinically important, structures. This is so that relevant anatomical & scientific foundations are laid down for the future clinical years of BDS course. For this, we wish our sister organization, CDSIMER also to be a part of this teaching-learning process, given the rich legacy of Dayananada Sagar Institutions in the field of pioneering education which would be imparted to students attending this training schedule.

PURPOSE

This MOU will entail the co-operative collaboration & participation of both the signatories of this MoU the following areas:

i. Training of I BDS students in relevant areas of Head & Neck Dissection, Histology of tissues of Head & Neck region, Osteology of the Head & Neck area as well as in relevant simulation lab.

ii. Exchange of academic information on a regular basis in terms of conducting subject symposia, case discussions, conferences, etc wherein both parties will actively participate & contribute constructively, wherever such a meet is conducted at.

The First party will send the First year BDS students as per the schedule & convenience of the Second party in the Department of General Anatomy, CDSIMER.

The First & Second parties shall collaborate with each other to provide space and classroom requirements as and when required by either party to conduct classes, seminars, subject symposia etc. The First & Second parties shall also be allowed to constructively participate & actively contribute by providing access to all Continuing Dental Education (CDE), Continuing Medical Education (CME), Workshops, Conventions& Conferences that will be hosted by either of them in their respective institutions which are related to the field of General Anatomy.

This MoU is purely based on the grounds of academic interest & purpose.

DURATION

This MoU is at-will and may be modified by mutual communication & understanding of authorized officials from either of the involved parties. This MoU shall become effective upon signature by the authorized officials from both parties and will remain in effect until decided otherwise by both involved parties.

In Witness whereof, the duly authorized representatives of both Institutions have SIGNED this MoU at Bangalore, India on the ....., in two original copies in English.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) sets for the terms and understanding between the Dayananda Sagar College of Dental Sciences (DSCDS) represented by the Principal, hereafter referred to as the 'First Party' and Chandramma Dayananada Sagar Institute Of Medical Education & Research (CDSIMER), Bangalore represented by the Principal & Dean, here after referred to as the 'Second Party' to Collaborate in the field of Forensic Medicine & Forensic Odontology.

BACKGROUND

Forensic Odontology is established as an indispensable science in medico-legal matters and in areas of individual identification. The dental tissues are often preserved even if the deceased person is skeletonized, decomposed, burnt, or dismembered. Various methods have been developed to determine age, sex, and ethnicity of the person, using dental tissues. Forensic Odontology offers very specific analyses & tools to help in identification, gender determination, age estimation, bite mark analysis in cases of abuse, etc. With this background, we at DSCDS wish to equip our students with exposure in the field of Forensic Odontology as an added advantage when compared to students elsewhere. For this, we have planned a comprehensive program, a part of which we would wish our sister organization, CDSIMER also to be a part of, given the rich legacy of Dayananada Sagar Institutions in the field of pioneering education which would be imparted to students attending this observership.

PURPOSE

This MOU will entail the co-operative collaboration & participation of both the signatories of this MoU the following areas:

i. Posting of Intern students & Post-graduate students of Department of Oral Medicine, Diagnosis & Radiology of DSCDS at Dept of Forensic Medicine, CDSIMER for a period of one week to observe & assist in Autopsy procedures conducted in the Department & also be trained in relevant simulation labs.

ii. Exchange of academic information on a regular basis in terms of conducting subject symposia, case discussions, conferences, etc wherein both parties will actively participate & contribute constructively, whenever such a meet is conducted at.

iii. The first party will also provide expert dental opinion and services related to the following mentioned areas of interest namely, Dental Age estimation, Forensic dental radiography, Bite-mark analysis, Dental autopsy, Disaster victim identification, Comparative dental identification & Facial reconstruction. This will be on a 'On Call' basis as and when a dental opinion is required.

All the above mentioned services for the First party will be carried out by Dr.Krishnanand PS, who is qualified with a Fellowship in Forensic Odontology after having completed his Post-Graduate Dental Degree, MDS, in Oral & Maxillofacial Pathology.

The First party will post Bachelor of Dental Surgery (BDS) internees & Post-graduate students of Department of Oral Medicine, Diagnosis & Radiology on a rotational basis as per the schedule & convenience of the Second party in the Department of Forensic Medicine, CDSIMER to help students in observership of autopsy procedures in cases of interest. The Second party shall provide the First party with access to Autopsy procedures for each batch of posted BDS internees for the betterment of their clinical experience resulting in the overall betterment of their knowledge in terms of Forensic Odontology.

(iii) Has been independently acquired or developed by it without relying on any information or material which is disclosed by or available from the other Party or by breaching any of its obligations under this MOU.

5) TERMS OF MoU:

This MoU shall come into force from the 'Effective Date' and shall remain in force for a period of 3 years(36 months), from the 'Effective Date' of the MoU. The term of the MoU may be mutually extended on terms mutually agreed to by the Parties.

6) FINANCIAL RESPONSIBILITY:

a) The financial responsibility of organizing, conducting, reporting of any program and follow-up investigations (Annexure 1) under this MoU lies with Indian Cancer Society.

b) Indian Cancer Society is hereby agreeing to pay a suitable honorarium (as per their approved budget) to the doctors and the auxiliary staff of the Dayananda Sagar College of Dental Sciences for the services rendered as per this MoU. Payment for the same shall be made to Principal, Dayananda Sagar College of Dental Sciences, on a monthly basis (after deduction of TDS, as may be applicable), either by cheque or bank transfer.

7) TERMINATION:

a) On non-performance of the obligations as specified in this MoU, either Party shall be entitled to terminate this MoU for any such breach of the terms of the MOU remains uncured for a period of 15working days from the date of the notice to cure such breach. For the purpose of this clause, any breach of the terms of the MOU shall be deemed to have taken place from the date of the receipt of written intimation that a claim of breach has been raised.

b) Notwithstanding anything contrary stated herein above, both parties shall have the right to terminate this MoU without assigning any reasons by giving 30days written notice to the other Party.

8) FORCE MAJEURE:

a) Neither Party shall be liable for any failure or delay in performance under this MOU to the extent the said failures or delays are proximately caused by causes beyond that party's reasonable control and occurring without its fault or negligence, including, without limitation, performance failures of parties outside the control of the contracting Party, Acts of God, War, Floods,

Earthquakes, Strike, Lockouts, Epidemics, Riots, Civil disturbance among others, provided that, force majeure will apply only if the failure to perform could not be avoided by the exercise of due care by the Party invoking this clause and such Party does everything reasonably possible to resume its performance under this MoU.

b) A Party affected by an event of force majeure shall give the other Party written notice, with full details as soon as possible and in any event not later than fourteen calendar days of the occurrence of the cause relied upon. If force majeure applies, dates by which performance obligations are scheduled to be met will be extended for a period of time equal to the time lost due to any delay so caused. However, if the performance of the MOU is delayed beyond eight (8) weeks from the date of this MoU either party may, at its discretion, terminate this MoU.

9) GENERAL:

a) Severability:
If any provision of this MoU is found by any court of competent jurisdiction to be invalid or unenforceable, the invalidity of such provision shall not affect the other provisions of this MoU, and all provisions not affected by such invalidity shall remain in full force and effect.

b) Waiver:
The waiver by either Party of a breach or default in any of the provisions of this MoU by the other Party shall not be construed as a waiver of any succeeding breach of the same or other provisions; nor shall any delay or omission the part of either Party to exercise or avail itself of any right, power or privilege, operate as a waiver of any breach or default by the other Party.

c) Relationship:
This MoU is being entered into on a principle-to-principle basis.

d) Notices:

Any notice shall be given by way of registered post with acknowledgment due at the address given in the description of the parties. Email communications shall not be accepted as valid legal notices. As on 23/05/2022

Introduction and Background:

Dayananda Sagar College of Engineering is approved by All India Council for Technical Education (AICTE), Govt. of India and affiliated to Visvesvaraya Technological University. It has widest choice of engineering branches having 18 Under Graduate courses & 13 Post Graduate courses. The Institute is spread over 23 acres of land with large infrastructure supported by laboratories with state-of-the-art, Equipment & Machines.. The College has good faculty strength with highest professional integrity and committed to the academics and research.

The Dayananda Sagar College of Dental Sciences is a part of the Dayananda Sagar Institutions located at Campus - 1, Kumaraswamy Layout Bangalore was begun in 1991 as an Institution that caters to all the Oral Health Care needs of patients and provides training to Under Graduate, Post-Graduate and Ph. D students and functions under the aegis of the prestigious Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka. There are 9 sub-specialties of Dentistry out of which Post Graduation is being held in 7 specialities.

Now, in accordance to the mutual desire to promote and develop activities between two Institutions, namely DayanandaSagar college of Engineering and Dayananda Sagar College of Dental Sciences and Hospital in association with sagar hospitals we agree to the following statement of intent on skill /simulation based educational training programme for basic life support training for the undergraduate/ , postgraduate students , Teaching and non teaching staff. This cooperation in specific areas may be designed by mutual consent and incorporated into specific additional agreements upon signature by the appropriate authorities of both the institutions.

Early intervention of bystanders (the first links of the chain of survival) have been shown to improve survival and good neurological outcomes of patients in an emergency. Involvement of communities in early basic life support (BLS) and cardiopulmonary resuscitation (CPR), especially of lay people is of prime importance as with no duty to respond. A better knowledge of the most effective initiatives might help improve survival and health system organization. Simplicity and brevity of the community training programs are important to allow for maximal efficiency and the training of individuals who do not wish to participate in a longer course or seek BLS certification . For the purpose of this review, we defined "community" as the general population of a defined geographical area (i.e., a group of neighborhoods, one or more cities/towns or regions, a part of or a whole country), in which individuals with no duty or organized role to respond can act as potential witnesses or bystanders of a Cardiac arrest victim. This definition does not include healthcare professionals or first responders with a role as rescuer or part of a response system.We defined "initiative" as any intervention promoting BLS or providing

education and training, aiming to increase the engagement of the community as defined above in providing BLS (i.e., any kind of CPR and early defibrillation).

The two said institutions agree to the following general areas of interest and cooperation: Sharing of Intellectual expertise for skill based / simulation oriented training of under Graduate / postgraduate Students, Teaching and Non teaching staff as well as Basic life support in terms of hands on training for Engineering staff and students

Both the Institutions recognize that:

a. This MoU establishes a foundation of mutual understanding and interest and does not itself entail any financial obligations for either institutions.
b. This MoU will take effect from the date of it's signing and shall be valid immediately.

This MoU is being signed on 23rdMay 2022 and will stand effective from this date onwards.

About Youth for Seva

Youth for Seva (YFS), founded in April 2007, is a nation-wide volunteering movement that inspires youth to volunteer, and provides them with meaningful opportunities to serve the community.

The goal of YFS is to support schools, destitute shelters, government hospitals and other organizations in the social sector through volunteers who can help them mitigate some of their shortcomings and challenges. Volunteering is made easy and customized to the individual's interests, time availability and skill sets.

Jagadeesh Maiya

YFS aims to create positive change agents in the society, through the culture of volunteering. (First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

A) First Party is a Higher Educational Institution named: **Dayananda Sagar College of Dental Sciences**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Community Services.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

E) **–YOUTH FOR SEVA–**, the Second Party is engaged in Skill Development, Volunteerism and Community oriented services - and related fields.

NOW THIS MEMORANDUM OF UNDERSTANDING WITNESSETH AS FOLLOWS

A. Joint Responsibility

1. Cooperation: Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within their related constituents. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

General terms of co-operation shall be governed by this MOU.

The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

2. NMMS: The National Means cum Merit Scholarship Examination, also known as NMMS Exam, is sponsored by the Central Government. The examination is conducted by the local authority. To prevent the dropping out of economically backward students from school at class VIII and to encourage them to complete their education till the secondary stage, the exam seeks to identify meritorious students and fund their education expenses. Shall encourage and enroll

hundred (100) students to volunteers for six (6) hours and three (3) days in a week over a period of three (3) Months during every calendar year. Student Volunteers from **Dayananda Sagar College of Dental Sciences** students will attend training programs and later train children on Mental Aptitude Test. (MAT) and Scholastic Aptitude Test. (SAT). Volunteers will support children train, appear and crack the NMMS examination. Youth for Seva shall train the student volunteers on NMMS and assign nearby schools to render training by student volunteers to government or aided school children.

3. Chiguru: is a flagship annual event by Youth for Seva created to bring out the artist in every child. It provides a strong and unique platform for students from Government schools and learning centers to showcase their inbuilt talents in various forms of arts and culture. **Dayananda Sagar College of Dental Sciences**, will co-host Chiguru through 50 (Fifty) student volunteers as "organizers" of the event with provision of campus space (auditorium or playground) for government school children to exhibit their talent. Student volunteers will spend their time with children, share knowledge, help in improving skills while they take back a true experience of the joy in giving. Chiguru is a great platform for volunteers to understand the importance of being empathetic, considerate and supportive towards the under-privileged sections of the society.

3.Volunteer Base and Internship: A volunteer base of not less than fifty (50) regular student volunteers and a faculty mentor/supervisor under the Youth for Seva forum/club will be formed to render volunteering service. Student volunteers will participate in the YFS volunteer service activities as and when requested, based on the need for volunteer support required to address social issues or social developmental activities. Not less than fifty (50) students will take up full time internship program with youth for seva for a duration of not less than 1 (one) Month during every calendar year.

4. Joint Publications. Joint publications of research articles, papers, books to develop research aptitude and to contribute to the world of knowledge concerning volunteerism and community will be taken by both the parties.

5. Joint Holding of Conference / Seminar / Workshop / Training / Symposia concerning volunteerism and community service, etc: Joint organization of conferences / workshops / seminars / symposia / summer schools / training / lectures, etc to improve the exchange of knowledge and experience.

6. Exchange of Knowledge Resource. Share books, journals and teaching materials including textbooks, audio-videos, publications, reports and other teaching aids pertaining to volunteerism and community service.

7. **Impact Assessment:** The volunteers from the university will support YFS in analyzing the impact of the initiatives on the students and the local community in terms of its social, environmental and economic aspects.

B. Activities under the scope of Dayananda Sagar College of Dental Sciences (First Party)

1. **Dayananda Sagar College of Dental Sciences** will work as a knowledge partner and will be the hub for Research, Training Demonstration and Dissemination of information through its student and faculty base.

Jagadeesh Hegde

2. **Dayananda Sagar College of Dental Sciences** will create Youth for Seva Volunteer base and provide students with internship opportunity at youth for Seva.

There are 9 sub-specialties of Dentistry out of which Post Graduation is being held in 7 specialties.

The Department of Prosthodontics commenced its Post Graduate Program in the year 2009 and caters to intra oral and extra oral prosthetic rehabilitation. The treatment includes Complete Denture, Removable Partial Denture, Fixed Partial Denture, Maxillofacial Prosthesis and Implants.

Now, in accordance to the mutual desire to promote and develop activities between two Institutions, namely the Dayananda Sagar College of Dental Sciences and Hospital & Kidwai Memorial Institute of Oncology, Cancer Research and Training Centre, Bangalore, we agree to the following statement of intent on skill-based education and cooperation in regard to prosthetic rehabilitation of patients with maxillofacial defects. This cooperation in specific areas may be designed by mutual consent and incorporated into specific additional agreements upon signature by the appropriate authorities of both the institutions.

1. The two said institutions agree to the following general areas of interest and cooperation in the interest of patient care and teaching.

a. Referral of patients for rehabilitation with maxillofacial prosthesis post oncology surgery, which will be **free of cost** at the dental college.

b. Prosthetic assistance from the prosthodontic post graduate students during the surgical phase.

Scope of association:

- To benefit the patients since the treatment would be free of cost.
- It will be of academic interest to the postgraduate students in enhancing their knowledge and skill.
- On-site presence of postgraduate students during surgery if prosthetic assistance would be required.

2. Both the Institutions recognize that:

a) This MoU establishes a foundation of mutual understanding and interest and does not itself entail any financial obligations for either institution.

b) This MoU will take effect from the date of its signing and shall be valid immediately.

This MoU is being signed on 10/01/2022 and will stand effective from this date for a period of two years.
