DSCDS/Internal/2022/34

April 26, 2022

CIRCULAR

As part of complete digitization of Patient Management, in view of major issues of DIMS Patient management software having being resolved, DSCDS will go paperless with regard to Patient Management from 29/04/2022. All Departments are informed to make note of this.

The following procedure shall be followed from 29th April 2022

1. For new patients, hard copy patient files will not be issued. Instead an ID card with barcode and patient registration details will be issued to the patients.
2. For existing patients who are visiting the institution, the hard copy patient file will be collected at the reception, scanned and the pdf document will be attached in the digital case history. A new Patient ID card (with existing OP number) with barcode will also be issued. Mr.Narayanamurthy will be in charge of this process in the reception counter. This process is expected to take 5 mins per patient.
3. In case the patient visits the department directly, the concern department shall direct the patients the reception counter to complete this process.
4. Complete patient case history and details of all procedures must be recorded in DMS in all departments. Please note that physical case sheet of the patient will not be available henceforth. So the details entered in DMS is the sole case record available.
5. Any other relevant document of the patient like investigation reports, consent letter etc must also be uploaded to the FILE UPLOAD section of DMS.

For any assistance, please contact reception staff or DMS dept co-ordinators
