Respected Ma'am,

**Mobility India (MI)**, established in Bangalore, as a registered society, in 1994 has been a progressive force in the Disability, Development and Rehabilitation sector. Mobility India provides Medical Rehabilitation Services, Education and Training programs in the areas of Assistive Technology, including prosthetics, orthotics, wheelchairs, rehabilitation therapy, and community based rehabilitation and accessibility. MI's reach over the last two decades has been in South, East, and North-Eastern Regions to address the real needs of the people and strives for the inclusion of people with disabilities in all development activities, especially those who are poor and disadvantaged. Mobility India's Rehabilitation Research & Training Centre in Bangalore, a model of disability friendliness, encompasses all its activities.

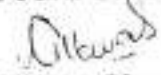

This year marks 25 years of Mobility India work and we have come a long way. We are planning to organize a string of events this year to mark this milestone.

MI is planning to organise one day "Health Screening Programme" to improve health and well-being for women, older people and disabled elderly. This will be held on **Saturday 15 September 2018, from 9.30 am to 5 pm** in its premises

MI will be grateful if your institution can provide free consultation services in the **Dental and Oral Screening**. There would be other health providers/specialist as well who would be conducting screening on Eye, Ear, Heart and Chest, Obesity, Cancer, Bone and Joints, etc

Looking forward for your positive response and your support in this endeavour.

Yours Sincerely

Sir

Most respectfully we want to say that National Medicos organisation (NMO) is going to organise an Arogya Seva Yatra in the interior underprivileged areas of Kanyakumari (TN) and Wayanad (KERALA) on 1st, 2nd & 3rd of January 2019.

All team will reach their destination on 31st December & stay there up to 4th January for better planning & implementation as well as sharing experience to others for future. Our motto is national service through health service as well as to imbibe national integration through these health camps.

We need five teams for Kanyakumari and 10 teams for WAYNAD. One team includes one doctor and three-four Students.

Very humbly I request you to allow doctors and students of your college to participate in these camps. We will be grateful to you for your kind permission and cooperation.

Thanking you

NMO is an unique organisation of qualified doctors and students of allopathic system in Medical and Dental colleges in India. It aims to organise and motivate allopathic doctors for serving underprivileged sections of the society, settled in the tribal village and slum areas of this vast country. By the adoption of such areas by individual units and developing commitment of the doctors for this noble work, NMO attempts to develop a good academic atmosphere in the medical colleges through better teacher-student relationship and organising programs for character building of the Medicos.

### REPORT ON DENTAL AND MEDICAL CAMP AT WAYANAD, KERALA

Dayananda Sagar College of Dental Sciences, Department of Public Health Dentistry under the Aegis of National Service Scheme, Rajiv Gandhi University of Health Sciences participated in the medical and dental camp organized by the Swamy Vivekananda Medical Mission, Muttill, Wayanad, Kerala. The medical mission is an NGO which works for the betterment of the Adivasis and the tribals of the Wayanad district. The hilly terrain makes the availability of medical facilities even more difficult.

A team of 8 dental doctors from the college reached Muttill, Wayanad on 31<sup>st</sup> December, 2018.

The team consisted of

1. Dr. Nithin N Bhaskar (Staff)
2. Dr. Ashok H K (Staff)
3. Dr. Praveen Gowda (Intern)
4. Dr. Dileep Kumar (Intern)
5. Dr. Srikar Gade (Intern)
6. Dr. Shreekumar Desai (Intern)
7. Dr. Aditya Kiran (Intern)
8. Dr. Sanket Nayak (Intern)

The dental team was accompanied by a team of Medical doctors and medical students of the National Medicos Organisation. A meeting was planned on 31<sup>st</sup> to chalk out the teams that were needed to conduct medical and dental camps at various tribal areas of Wayanad and Attapaadu. Two teams departed to Attapaadu the same day itself. The other 5 teams were assigned to the hilly areas of Wayanad. Each team consisted of 1 medical doctor, 2 dentists and 2 or 3 medical students along with para medical and nursing staff.

The camp was scheduled for 1<sup>st</sup> and 2<sup>nd</sup> at tribal areas and 3<sup>rd</sup> was scheduled for a mega treatment camp at the Vivekananda Mission Hospital, Muttill. The teams were scheduled to conduct 2 camps in a day, morning session in a hilly area school and afternoon in the tribal colonies. The teams visited the following areas and conducted medical and dental camps at

1. Venumani L P school, Thavinjal
2. Sri Narayana Vidyaniketan, Padichira, Mullankolli
3. Sri Shankara Vidyaniketan, Cherukara, Vellamunda

## ORAL HEALTH EDUCATION PROGRAM

Dayananda Sagar College of dental sciences, in association with department of Periodontology, the month of August is celebrated as oral hygiene awareness month. In this regard department of Public Health Dentistry, DSCDS conducted an oral health education program at KIDZEE preschool, ISRO layout, Bengaluru on 14-08-2019 from 11:30am to 12:30am.

Around 25 preschoolers and 25 parents attended the educational programme. The programme mainly targeted the Parents as they act as role models for their children. Oral health awareness was mainly about the types of dentition, common oral diseases among children (like early childhood caries, oral habits and dental trauma) and oral hygiene maintenance was provided using flip charts. Demonstration of Fones tooth brushing technique was done using model and the amount of tooth paste to be used among children below three years and above 3-6 years was shown using a tooth brush and tooth paste. Rinsing oral cavity after every meal was advised. Importance of eating healthy diet was stressed. Queries from the parents was addressed.

NMO is an unique organisation of qualified doctors and students of allopathic system of Medical and Dental colleges in India. It aims to organise and motivate allopathic doctors for serving underprivileged sections of the society, settled in the tribal village and slum areas of this vast country, by the adoption of such areas by individual units and developing commitment of the doctors for this noble cause. NMO attempts to develop a good academic atmosphere in the medical colleges through better teacher-student relationship and organising programs for character building of the Medicos.

Dear Sir,

**Sub: Requisition for a Dental check up & Awareness Camp.**

We from Lodge Bangalore no.15 ( A unit of Freemason Society, Bangalore ) would like to conduct a dental camp at Panchajanya Vidya Peeta, Rajajinagar, West of Chord road 2<sup>nd</sup> stage, Nagapura, Bangalore which is a girls school with 250 high school & 250 Primary school children. The same may not be possible without enough material & manpower and hence seeking your support. With regard to this, we had spoken to Dr. Vinod Rangan requesting the same. We would be grateful if your team can support us in this cause & help the school children so that we can bring awareness.

We would also like to inform you that we had discussed this with the school management regarding the date & they are flexible with it anyday before 25<sup>th</sup> September.

Looking forward to your help & assistance to reach out the needy.

Awaiting your reply

Dear Sir,

**Sub: Dental check up & Awareness Camp conducted on 19<sup>th</sup> sep at Panchajanya Vidya Peeta**

I am writing today to thank you for all the support that you have extended to us in organizing a camp at Panchajanya Vidya Peeta girls high school on 19<sup>th</sup> Sep 2019. We believe this camp was successful only because of the hardwork & effort put in by your Staff & Students. Their efforts were commendable. I must bring it to your kind notice that both the kids & the school authorities were very happy & grateful to you for such a camp. I take this opportunity to thank the management of Dayanand Sagar dental college for sending their material & man power for the same. I whole heartedly thank Dr.Vinod Rangan for bridging the two organisations & making the whole thing happen in a very efficient manner.

So, Please accept our sincere thanks from Brethern of Lodge Bangalore no.15 for an excellent support by you & your staff.

Looking forward to a similar association in the future.

With gratitude & Regards,

Yours Sincerely,

Dear Sir/Madam,

Sub: Conducting Dental Screening Camp for Persons with Disabilities at Shristi Special Academy.

Warm Greetings from Shristi Special Academy!!!

Shristi Special Academy is a non-profit organization dedicated to helping those with Intellectual Disability, Cerebral Palsy, Autism Spectrum Disorder, Multiple Disabilities and Pre school normal children to lead more independent, enriching contributory lives. We empower such individuals from all age groups to realize their highest potential through specialized training programmes.

From our beginnings in a small, two-bedroom house with three special educators and three students, we have now grown to a dedicated team of over 50 and nearly 150 students. Most of the students come from the rural area or from Below Poverty line families. It is through community support and philanthropic initiatives that Shristi provides services for Persons With Disabilities and their families free or at a very nominal fee.

Shristi's comprehensive intervention program also includes providing nutritious breakfast and lunch and transportation to access our services.

We request you to kindly conduct a Dental screening camp for all the students and staff in order to ascertain their dental health and provide necessary advice.

We look forward to your partnership in ensuring a healthy living for Persons With Disabilities.

The camp can be conducted from 9.00 am to 3.00 pm.  
You can schedule the Dental camp anywhere between 25<sup>th</sup> Nov- 29<sup>th</sup> Nov.

Please find attached our brochure for more details.

COMPLETE DENTURE CAMP – PHC KONANAKUNTE, BENGALURU

The Primary Health Centre (PHC), Konankunte, Bengaluru, in association with Dayananda Sagar College of Dental Sciences (DSCDS), organised a Free Complete Denture Camp under the aegis of 'Danta Bhagya Yojane' (DBY) at PHC Konankunte, between 22 Jan 2021 to 02 Feb 2021.

The Staff, Post Graduate Students, Interns of the Departments of Prosthodontics and Public Health Dentistry, as well as, the Dental Lab Technicians, played a vital role in successful conduct and fabrication of dentures during this camp. The camp was conducted by the above teams visiting the PHC on four days i.e., 22, 25, 29 Jan 2021 and 02 Feb 2021, respectively. All necessary dental materials and equipment to be utilised during this complete denture camp was compiled, collated and transported from the Department of Prosthodontics, DSCDS, to the camp site.

The first day of the camp was scheduled on 22 Jan 2021, which coincided with '*The Prosthodontist's Day*'. It was a wonderfully organised camp. A total of 14 completely edentulous patients had been shortlisted and selected according to their verified BPL cards and other documentation had already been completed by the Administrative Officer and Dental Health Officers from the Health and Family Welfare Services, Government of Karnataka, at PHC Konankunte. Out of these 14 patients, 13 were scheduled for complete dentures of the upper and lower arches, and one was for a maxillary complete denture, and a lower Partial denture.

However, there were some space constraints for carrying out seating arrangements for all patients, and arrangement for dental impression chairs and materials. The organisation of dental units comprised of one post graduate student from Prosthodontics, and one Intern each to assist them, with the faculty monitoring, judiciously and scrupulously scrutinising every step in the denture fabrication.

The Post Graduate Students and Interns of the Department of Public Health Dentistry, were instrumental in disinfecting the impressions, smooth flow of the patients, and directing them to the respective dental units for their dental procedures in fabrication of the dentures, and other documentation. The Post graduate students of Prosthodontics and the lab technicians were involved in carrying out the lab procedures like pouring of the casts, fabrication of special trays, occlusal rims, articulation, teeth arrangements, and acrylisation of these dentures.

The primary impressions were made on the first day of the camp i.e., on 22 Jan 2021, and special trays were fabricated in the morning session. The border moulding and final impressions were made and completed by evening. Each patient was provided with a patient ID and the same was carried throughout, until the completion of respective denture work. The organisers had arranged for refreshments and a sumptuous lunch at the same venue.

**PRINCIPAL**

Kumaraswamy Layout,  
Bangalore - 560 078.

Over the next 2 days, denture bases and occlusal rims were fabricated at the Department of Prosthodontics, and the 2<sup>nd</sup> visit was made by the Camp Team for carrying out Jaw relation procedures on 25 Jan 2021.

Mounting, Articulation and Teeth arrangements were done by the Post Graduate Students and Interns of Prosthodontics and the lab technicians on 27 and 28 Jan 2021 at DSCDS.

The third visit for the try-in procedures was made to the venue on 29 Jan 2021, and after satisfactory trial of all dentures, the camp team returned to the College, and acrylisation, trimming and polishing of dentures was done.

The Final sitting of denture insertions was done on 02 Feb 2021, and a felicitation program was organised at the PHC, which was attended by The Principal, DSCDS, Dr Nagesh L, HOD, Dept of Public Health Dentistry and all concerned staff. Overall, it was a successful Complete Denture camp, with all dentures being satisfactorily fabricated and inserted.

\*\*The List of Faculty, Post Graduate Students, Interns and Lab Technicians who participated in this camp is enclosed at Annexure-I

KARNATAKA PUBLIC SCHOOL, HOSAYALANADU, HIRIYUR TALUK,  
CHITRADURGA DISTRICT

## CAMP REPORT

An outreach program including medical cum dental check up and treatment was organized at Karnataka Public School, Hosayalanadu, Hiriyr taluk, Chitradurga district by Dayananda Sagar College of Dental Sciences and SAFE, on 10<sup>th</sup> July 2021. The designated location of camp was about 170 kms from the college.. A team of dental doctors including Principal, Professor & HOD Department of Orthodontics namely Dr.Hemanth, Professor & HOD Department of Public Health Dentistry namely Dr.Nagesh L, Professor & HOD Department of Oral pathology namely Dr.Krishnanand, Dr.Ramnarayan B K, Reader from Department of Oral medicine and radiology and Dr Nithin N Bhaskar, Reader from Department of Public Health Dentistry, post graduate students and interns from Dayananda Sagar College of Dental Sciences, NSS wing and members of National Medicos Organization participated in the program. The camp timings were from 10:00 AM to 2:00 PM. The dental team started from college at 6:00 AM in the fully equipped Mobile Dental Unit/Bus and reached the camp site by 9:30 AM. The camp registered more than 300 patients. About 100 patients were checked for various oral problems. About 45 patients were treated. The treatments included extraction of teeth, root canal treatment, scaling and restoration of teeth. Awareness about oral hygiene and harmful effects of tobacco were made using audiovisual aids, pamphlets and models. Free medicines were provided to the needy. Free toothbrushes, toothpastes and mouthwashes were provided to all the 300 patients. The doctor's team was felicitated after the camp in a function organized by SAFE in school premise. We thank Oral B, ICPA and Microlabs for providing with the free medicines, toothbrushes, tooth pastes and mouth wash samples as well as the camp organizers for their hospitality.

Report On Dental camp at Acchalu, Kanakapura Taluk

An outreach dental program which included the Oral Cancer screening and dental treatment camp was organized at Govt Public School, Acchalu, Kanakapura taluk on 14<sup>th</sup> September 2021. A team of dental doctors including faculty, post graduate students and interns from Dayananda Sagar College of Dental Sciences, NSS wing and members of National Medicos Organization participated in the program. The program was done in collaboration with Indian Cancer Society and Belaku Foundation, both NGOs working from Bangalore. We left for the camp from the Dental college at 8:00 AM and reached the venue at 9:45 AM. The camp registered about 92 patients. All patients were checked for various oral problems including cancer and pre cancerous lesions. About 8 premalignant lesions were diagnosed clinically and all of them scanned for confirmation with Sascan. Tissue was excised from one patients buccal mucosa and stored in a formalin bottle for further investigations (Biopsy). About 50 patients were treated in the mobile dental unit. The treatments included extraction of teeth (18 patients), scaling (19 patients), restoration of teeth (3 patients), root canal treatment (1 patient) and removable partial dentures were provided to 3 patients. Free medicines, mouth wash and mouth ulcer gels were distributed to the needy (courtesy Dr Reddy Laboratories). The camp ended at 2:30 PM followed by lunch. We reached Bangalore at 5:30 PM.

We would like to extend our sincere gratitude and appreciate the opportunity provided to us for being a part of a Mega Health Camp which was one of its kind.

We would further like to highlight about the Mobile Dental Van utilized during this camp which has unique features like TV's for health education both inside and outside the van which serves as a Mass health education media. We are equipped with portable x-ray unit and RVG machine which is used for single sitting root canal treatments.

Also we would like to reflect that our team was the only one among the rest to Fabricate and deliver Removable partial dentures on the same day.

Hi,

My name is Sourabh Shetty, and I am the overall volunteer coordinator for Bhumi NGO, Bangalore chapter. I am writing this email on behalf of Bhumi NGO. Bhumi is one of India's largest Volunteering organizations working in the education for shelter home kids, communities, government schools, and civic initiatives field.

My Co-volunteer Tejaswini had an initial call with Dr.Nikhil. As discussed, we have spoken to our partner shelter homes, and six shelter homes have shown interest and have shared their date preference and number of students. I am mentioning more details about the homes in the table below.

Respected Mam,

**SUBJECT: Requisition for the dental camp**

Our organization "Association for promoting social action" work for improvement of underprivileged children for betterment of the society. We have noticed that the oral health and the awareness about oral health is of minimal level in these children

With much humbleness and gratitude, we request you to arrange a free dental camp at Brilliance English School, Jayanagar on 07-03-2022

Kindly help us in this regard. Will look forward to your positive reply.

Thanking you

Yours sincerely,
