4.1.1 FACILITIES FOR TEACHING LEARNING

CLASSROOMS

A well-maintained classroom gives a learning space in which both students and teachers interact and the presence of multimedia facilities make the lectures interesting.

Facilities for teaching learning	Total numbers
Number of classrooms with Wi-Fi and LCD and CCTV cameras	2
Number of classrooms with smartboard, WIFI and CCTV cameras -	2
Number of seminar halls with Wi-Fi and LCD	9

Classroom teaching is supported by hands-on experience with well-equipped laboratories. The students receive the demonstrations, carry out experiments and various investigations and conduct small group discussions.
