Introduction and Background:

Conceptualized by Dr.D.Hemachandra Sagar, Chancellor, Dayananda Sagar University (DSU) and Dr. D. Premachandra Sagar, Pro-Chancellor, DSU, the Dr. Chandramma Dayananda Sagar Institute of Medical Education and Research (CDSIMER) is a state-of-the-art 300 bedded tertiary care hospital which will be augmented to a 1350 bedded hospital that provides comprehensive health care under one roof to the needs of over 200 villages at Harohalli, Ramnagara District, Karnataka. The Medical College is situated at a smart campus of 140 acres with the Medical College equipped with modern lecture theatres, laboratories, excellent libraries, skill / simulation labs and computer networking facilities to provide an atmosphere for interactive learning. The clinical facilities will provide opportunities for practical, hands-on clinical experience under guidance of senior & experienced medical doctors.

The Dayananda Sagar College of Dental Sciences is a part of the Dayananda Sagar Institutions located at Campus - 1, Kumaraswamy Layout Bangalore was begun in 1991 as an Institution that caters to all the Oral Health Care needs of patients and provides training to Under Graduate, Post-Graduate and Ph. D students and functions under the aegis of the prestigious Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka. There are 9 sub-specialties of Dentistry out of which Post Graduation is being held in 7 specialities.

Now, in accordance to the mutual desire to promote and develop activities between two Institutions, namely Dr.Chandramma Dayananda Sagar Institute of Medical Education and Research (CDSIMER) and Hospital and the Dayananda Sagar College of Dental Sciences and Hospital, we agree to the following statement of intent on skill / simulation based educational training programme for undergraduates in using the skill / simulation lab for the basic life support training and simulation models for the undergraduate and postgraduate training as per the university norms every year. This cooperation in specific areas may be designed by mutual consent and incorporated into specific additional agreements upon signature by the appropriate authorities of both the institutions.

1. The two said institutions agree to the following general areas of interest and cooperation:
 - a. Sharing technical infrastructure with regard to using the skill / simulation lab facilities at CDSIMER and Hospital at Harohalli.
 - b. Sharing of Intellectual expertise for skill based / simulation oriented training of under Graduate and postgraduate Students as well as Basic life support in terms of hands on training during specific postings of students to CDSIMER.
 - c. Sharing of knowledge and promotion of skill based / simulation based training in Surgical specialities for the benefit of Post Graduate Students as well as per the existing University requirements.
 - d. Joint promotion of each others' expertise and capabilities

2. The institution using the facility for training students at the skill / simulation lab agree to pay the financial agreements necessary to implement this MoU or any subsequent agreement must be negotiated according to the regulation of the institution providing the facility.

3. **Both the Institutions recognize that:**
 - a. This MoU establishes a foundation of mutual understanding and interest and does not itself entail any financial obligations for either institutions.
 - b. This MoU will take effect from the date of it's signing and shall be valid immediately.

This MoU is being signed on 20/09/2021 and will stand effective from this date onwards.

As on 10/01/2022

Introduction and Background:

The Dayananda Sagar College of Dental Sciences is a part of the Dayananda Sagar Institutions located at Campus - I, Kumaraswamy Layout Bangalore. It started in 1991 as an Institution that caters to all the Oral Health Care needs of patients and provides training to Under Graduate, Post-Graduate and Ph D students and functions under the aegis of the prestigious Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka. There are 9 sub-specialties of Dentistry out of which Post Graduation is being held in 7 specialties.

The Department of Prosthodontics commenced its Post Graduate Program in the year 2009 and caters to intra oral and extra oral prosthetic rehabilitation. The treatment includes Complete Denture, Removable Partial Denture, Fixed Partial Denture, Maxillofacial Prosthesis and Implants.

Now, in accordance to the mutual desire to promote and develop activities between two Institutions, namely the Dayananda Sagar College of Dental Sciences and Hospital & Kidwai Memorial Institute of Oncology, Cancer Research and Training Centre, Bangalore, we agree to the following statement of intent on skill-based education and cooperation in regard to prosthetic rehabilitation of patients with maxillofacial defects. This cooperation in specific areas may be designed by mutual consent and incorporated into specific additional agreements upon signature by the appropriate authorities of both the institutions

1. The two said institutions agree to the following general areas of interest and cooperation in the interest of patient care and teaching.
 - a. Referral of patients for rehabilitation with maxillofacial prosthesis post oncology surgery, which will be free of cost at the dental college.
 - b. Prosthetic assistance from the prosthodontic post graduate students during the surgical phase.

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

Scope of association:

- To benefit the patients since the treatment would be free of cost.
- It will be of academic interest to the postgraduate students in enhancing their knowledge and skill.
- On-site presence of postgraduate students during surgery if prosthetic assistance would be required.
- Both the Institutions recognize that:
 - a) This MoU establishes a foundation of mutual understanding and interest and does not itself entail any financial obligations for either institution.
 - b) This MoU will take effect from the date of its signing and shall be valid immediately.

This MoU is being signed on 10/01/2022 and will stand effective from this date for a period of two years.
