To

The Principals of all the dental colleges in the country

Sub: Formation of Digital Library by the DCI-Fee access to necessary Journals published by 'Wiley' and 'Elsevier'

Sir,

In continuation to DCI's letter No.DE-232-Act(Dig.-Lib.)-2019/7113 dated 02.01.2020 on the subject mentioned above, I am directed to say that the DCI is considering to have all necessary Journals in digital format instead of having physical copies at dental colleges to reduce the cost of Journals and to enable all colleges to provide E-Journals easily to their students and faculty. In this connection, the Council is also in a process to finalize a list of necessary Journals in this regard and is at the final stage to establish E-Consortium for improvement of standards of dental education and research activities, in a cost-effective manner.

2. I am also directed to clarify that the free trial access to the necessary Journals published by 'Wiley' and 'Elsevier' shall be for 30 days only from the starting date of subscription on I.P. addresses furnished by the Dental Colleges.
3. The Dental Colleges who wish to avail free trial access to the above journals and have not yet furnished their I.P. addresses may furnish the same positively by 15<sup>th</sup> February, 2020.
4. This issues with the prior approval of the Competent Authority.

Yours faithfully,
