Members are expected to be sensitive to the issue and not let personal biases and prejudices (whether based on gender, caste, class) and stereotypes (e.g. predetermined notions of how a "victim" or "accused" should dress up or behave) affect their functioning as members of the committee.

#### **A. Preventive**

To create and ensure a safe environment that is free of sexual harassment, including safety from persons/visitors coming into contact at the workplace. To publicise the policy and details of committee members in English, Kannada and Hindi widely, especially through notice boards and on the website.

#### **B. Gender Sensitization**

Gender Sensitization involves creating awareness about issues of gender and sexuality and working towards and creating an enabling environment of gender justice where all can work together with a sense of personal security and dignity. Sensitization and awareness will be a basic function of the committee formed. This can be achieved by means of seminars workshops, discussions etc.

#### **C. Remedial**

1. The mechanism for registering complaints should be safe, accessible, and sensitive.
2. To take cognisance of complaints about sexual harassment, conduct enquiries, provide assistance and redressal to the victims, recommend punitive action or take immediate action against the harasser, if necessary.
3. To recommend disciplinary action for any complaint registered with the committee after the enquiry to the Principal/administration/or concerned authorities and to follow-up the action and monitor the same
4. To recommend to the institute to provide assistance to the complainant if she so chooses to file a complaint in relation to the offence under the Indian Penal Code or any other law for the time-being in force.
5. To recommend the institute to provide the medical intervention with the consent of the complainant or even without consent in such cases where the complainant is physically or mentally incapacitated to give her consent.
6. To inform the administration to arrange for appropriate psychological, emotional, and physical support (in the form of counselling, security and other assistance) to the victim if she so desires.

## Working Rules of ICC

In pursuance of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013 and the rules framed there under, the institute hereby adopts the following procedure for determining complaints filed to the Internal Complaints Committee (ICC) constituted under the Act. The procedure complies with the basic principles of natural justice and fair play and has to be adhered to in all complaints, though, in individual complaints, for reasons to be stated in writing, the ICC reserves the right to make exceptions to the procedure stated hereunder.

1. Any aggrieved woman may make, in writing, a complaint of sexual harassment at work place to the ICC, within a period of three months from the date of incident and in case of a series of incidents, within a period of three months from the date of last incident. 6 copies of a written complaint should be submitted to the committee or any of its members along with list of witnesses and supporting documents. Additional documents and list of witnesses can be submitted to ICC at a later stage during the proceeding. Provided that where such complaint cannot be made in writing, the Presiding Officer or any other member of the ICC shall render all reasonable assistance to the woman for making the complaint in writing. Provided further that the ICC for the reasons to be recorded in writing, can extend the time limit not exceeding three months, if it is satisfied that the circumstances were such which prevented the woman from filing a complaint within the said period.
2. Any complaint received by the members should be immediately forwarded to the Presiding Officer, and this must be notified to other committee members at the earliest and not later than 3 days and a meeting should be called for discussing the matter.
3. The committee shall discuss and decide on its jurisdiction to deal with the case or reject the complaint prima facie and recommend to the Institute that no action is required to be taken in the matter.
4. Notice shall be issued to the respondent within 7 working days of receipt of the complaint and 10 working days shall be given for submission of reply (along with the list of witnesses and documents.)
5. The committee will provide assistance to the aggrieved woman, if she so chooses, to file a police complaint in relation to an offence under Indian Penal Code.
6. The committee may, before initiating an inquiry, at the request of the aggrieved woman, take steps to settle the matter between her and the respondent through conciliation.
7. No monetary settlement shall be made as the basis of conciliation. Where a settlement has been arrived at, the ICC shall record the settlement so arrived and forward the same to the employer for necessary compliance.

  
**PRINCIPAL**

8. The committee shall provide the copies of the settlement as recorded under (7) to the aggrieved woman and the respondent. Where a settlement is arrived at, no further inquiry shall be conducted by the ICC.
9. If conciliation is found to be not feasible, notice will be issued to both parties for hearing.
10. The committee may direct the concerned to ensure the safety and protection of the aggrieved woman if and when required.
11. As an interim measure, ICC may recommend -
  - a) The transfer of the aggrieved woman or the respondent to another section or department as deemed fit by the committee.
  - b) Grant leave to the aggrieved woman up to a period of three months or restrain the respondent from exercising any administrative authority or supervision or academic evaluation of the aggrieved woman.
  - c) Grant such other relief to the aggrieved woman as the case may require.
12. The committee shall proceed to make inquiry into the complaint in accordance with the provisions of the service rules applicable to the respondent considering sexual harassment as misconduct.
13. The Presiding Officer shall convene the first hearing of the enquiry. The respondent, the aggrieved woman, and the witnesses shall be intimated at least 7 working days in advance in writing of the date, time and venue of the enquiry proceedings. The subsequent proceedings may be on a day to day basis, to be decided by ICC.
14. The committee shall provide reasonable opportunity to the aggrieved woman and the respondent for presenting and defending her/his case.
15. The committee may at any time during the enquiry proceedings, preclude the face-to-face examination of the respondent and the aggrieved woman and/or their witnesses keeping in view the need to protect the aggrieved woman or the witnesses from facing any serious health and/or safety problems.
16. The committee may call any person to appear as a witness if it is of the opinion that it shall be in the interest of justice. The aggrieved woman/respondent has to submit the written reply before the committee within the specified time given.
17. The committee shall have the right to summon, as many times as required, the respondent, aggrieved woman and/or any witnesses for the purpose of supplementary testimony and/or clarifications.
18. The committee shall have the power to summon any official papers or documents pertaining to the aggrieved woman as well as the respondent.

The Presiding Officer shall allow access to such documents on a specific date to be intimated at least two days in advance to each of the parties concerned. At no point in time, however, can the concerned parties take these documents outside the office.
22. The aggrieved woman and the respondent shall be responsible for presenting their witnesses before the committee. However, if the committee is convinced that the absence of either of the parties to the disputes is on valid grounds, the committee shall adjourn that particular meeting of the committee for a period not exceeding five days. The meeting so adjourned shall be conducted thereafter, even if the person concerned fails to appear for the said adjourned meeting without prior intimation/valid ground.
23. All proceedings of the ICC shall be recorded in writing. The record of the proceedings and the statement of witnesses shall be endorsed by the persons concerned as well as the committee members present in token of authenticity thereof. In case the minutes cannot be reduced in writing the same day, as audio recording of the proceedings may be made, and the written proceedings will be authenticated on a next available opportunity.
24. If the aggrieved woman desires to tender any documents by way of evidence, the committee can supply true copies of such documents to the respondent. Similarly, if the respondent desires to tender any documents in evidence, the committee shall supply true copies of such documents to the aggrieved woman.
25. In the event the committee thinks that supplementary testimony is required, the Presiding Officer shall forward to the persons concerned a summary of the proceedings and allow for a time period of seven days to submit such testimony, in person or in writing, to the committee.
26. The aggrieved woman and the respondent shall have the right of cross-examination of all witnesses. Summary Report: Anti Ragging Workshop 2019 conducted in DSCDS.

Venue: CD Sagar Building

Timing: 2pm Onwards Date: 12/11/19

The Anti Ragging Workshop, 2019 was held under the guidance and chairmanship of our Principal Dr. Hemanth.M at Dayananda Sagar College of Dental Sciences on 12<sup>th</sup> Nov 2019.

It was conducted as a part of the sensitization & awareness creation for the students of Dayananda Sagar College of Dental Sciences (DSCDS) as mandated by the Dental Council of India (DCI). It was a half a day workshop for which the Chief Guest was Dr. Shiv Sharan Shetty, DCI Member, Syndicate & Senate Member, RGUHS. We also had with us senior Advocates from the High Court of Karnataka Mr.Sreeprasad & Mr.Padmanab and the Police Inspector from the Jurisdictional Police Station, Mr. Shivkumar present with us for the entire program. The workshop was presided over by the Secretary of our institution, Shri. Galiswamy.

Dr.Hemanth M, our Principal outlined all the necessary measures that have been taken to keep our college a 'Ragging-Free college' and also focussed on innovative measures that our college has adopted to tackle this menace like setting up of a Mentorship Cell which involves equal participation from freshers & senior students in a 'mentor-mentee' relationship. This has been a proven technique that when employed had seen favourable results in improving interaction and comraderie between students. The Chief Guest & the Advocates spoke in great length about Ragging as a social evil, the rules and regulations regarding acts that are constituted as ragging. It was a great learning experience for our students who were also given important lessons in the do's & don'ts while interacting with their juniors & seniors alike. It proved to be a very helpful & informative workshop wherein it was ingrained into the students that both the act of ragging as well as being overly sensitive to friendly overtures thereby blowing them out of proportion can be detrimental to both the fresher & the senior students. The students were told to carry themselves with responsibility and focus on what they have come here for, that being education & studies.

The event also saw the felicitation of one of our First year BDS student, Ms. Preeti by the Chief Guest Dr. Shiv Sharan & by our Principal Dr. Hemanth M for having won a total of 6 medals in Swimming. She represented our college in the State Inter-Collegiate Aquatic Championships held at BAC, Bangalore where she won 3 Gold & 1 Bronze medals and also at the National level in the All India Inter University Games held at Punjab wherein she was successful in getting 2 more bronze medals.
