INTERNATIONAL YOGA DAY 2019

Practice yoga to transform your body and mind physically, mentally and spiritually.

Yoga boosts mental and physical health and improves the overall well-being. The United Nations declared June 21 as International Day of Yoga in 2015, and it has inculcated awareness about the spiritual discipline among people all across the globe.

Dayananda Sagar College of Dental Sciences along with Dayananda Sagar College of Engineering observed 'International Yoga Day' in the DSI campus on June 21st 2019. The program was scheduled between 10:00am to 12:00 noon at the Architecture Block. The chief guest for the program was Mr Hata Yogi L Chandrachari, a renowned Yoga expert practicing yoga since 25 years. The event was inaugurated by our honorable Secretary, Sri Galiswamy, Dr. CPS Prakash, Principal, DSCE and Dr. Hemanth M, Principal, DSCDS. Around 200 staff of various departments of DSI took part in the program.

Nouli Kriya and Udyana Bandha were demonstrated by the chief guest Mr. Chandrachari to the staff. Various Yoga exercises were instructed to the staff of DSI by yoga instructor Dr. Sudhindra. Meditation and Laughter Yoga was taught and we were made to practice the same.

In a world where non-communicable diseases, stress and lifestyle related ailments are rising, Yoga can play a central role in mitigating these diseases to create a healthy mind and body. This program was useful for everyone in understanding the important benefits of Yoga and how to practice it in their daily life. The program was well appreciated by all the participants.

Report On Dental camp at Acchalu, Kanakapura Taluk

An outreach dental program which included the Oral Cancer screening and dental treatment camp was organized at Govt Public School, Acchalu, Kanakapura taluk on 14th September 2021. A team of dental doctors including faculty, post graduate students and interns from Dayananda Sagar College of Dental Sciences, NSS wing and members of National Medicos Organization participated in the program. The program was done in collaboration with Indian Cancer Society and Belaku Foundation, both NGOs working from Bangalore. We left for the camp from the Dental college at 8:00 AM and reached the venue at 9:45 AM. The camp registered about 92 patients. All patients were checked for various oral problems including cancer and pre cancerous lesions. About 8 premalignant lesions were diagnosed clinically and all of them scanned for confirmation with Sascan. Tissue was excised from one patients buccal mucosa and stored in a formalin bottle for further investigations (Biopsy). About 50 patients were treated in the mobile dental unit. The treatments included extraction of teeth (18 patients), scaling (19 patients), restoration of teeth (3 patients), root canal treatment (1 patient) and removable partial dentures were provided to 3 patients. Free medicines, mouth wash and mouth ulcer gels were distributed to the needy (courtesy Dr Reddy Laboratories). The camp ended at 2:30 PM followed by lunch. We reached Bangalore at 5:30 PM.
