“Education Completes Man”

Pioneering Dental Education For The Past 30 Years

PRINCIPAL'S MESSAGE

Dayananda Sagar College of Dental Sciences has been part of the DSI Family since 1991 imparting high quality of Dental Education and possesses state-of-the-art teaching and research facilities, classrooms, tutorial facilities, Pre-Clinical and Clinical Skill Labs creating a perfect environment for knowledge and skills development. The College of Dental Sciences is

equipped with World-Class infrastructure with the latest of equipment and technology to train students with the most recent and advanced Dental Care. The motto of our Institution mooted by our beloved Founder states that ‘Education Completes Man’. This is truly an inspiration and we take immense pride in our reputation for the quality programs being offered and graduates passing out from our Institution. Our goal is to provide premium Oral Health Education

and Service and shall strive to enable our students to become proficient and caring Health Care practitioners who will meet challenging healthcare needs.

Professor
Dr. Hemanth M MDS, Ph.D
 Principal, DSCDS

STUDENT COUNCIL

Dr. Manoj Kumar T V
President

A college magazine always act as a mouth piece of the college to highlight its achievements and spread its philosophy.

I am sure it will satisfy the expectation from the college of its laudable achievements and its latest innovative approach to education.

It gives us immense pleasure in bringing out this college magazine successfully. Extracting talents, ideas, skills from different fields was a difficult task

Dr. G C Gargi Prakash
Vice President

Student magazine are typically a collection of fond memories, thoughts and photo-

graphs of the year spend in college. Most importantly it brings in the need to collaborate and share ideas towards a common goal.

Dr. Manu K
General Secretary

Success and life depends upon creating high ethical and moral values besides imparting up to date knowledge and skills. I am sure that the magazine is pro-

viding constant opportunities to the students to showcase their achievements.

Dr. Syed Md. Maruf
Magazine Editor

Dr. Hima A Girish
Associate Editor

but we finally made it possible. This college plays a vital role in the life of young student learning to blend knowledge, wisdom, values and integrity.

Heart And Soul Of DSCDS

"They say winners are made, not born. But who makes them? The instructors, the trainer and the teachers- the ones who are there at the beginning, during failure, and after successes. The reason champions don't give up is because their teachers didn't give up on them."

Since 1991, DSCDS are producing great Doctors who are providing great service to our society and it's all because of our great teaching staff who have put their HEART AND SOUL in their service.

IMPLANTOLOGY

Since 2017

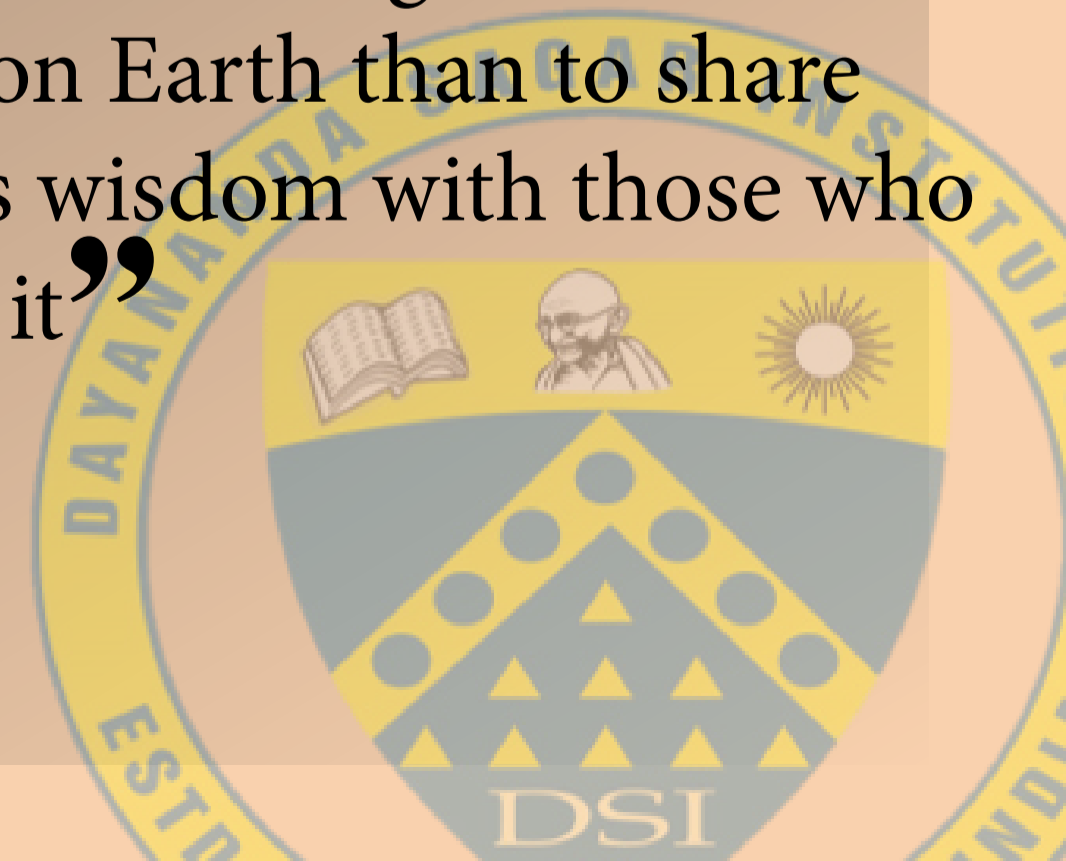

“ Since from 2017 DSCDS is organising implant workshop and dept. Of Oral and Maxillofacial Surgery, dept. of Prosthodontics ,dept. of Periodontics have put their immense efforts for the benefits of the interns and postgraduates.

With the combine efforts of the staffs, we have successfully completed 5 years of Implantology Workshop.

As time goes by we have not only improved our skills but also adopted to the modern technologies, which helps us to stand among the top dental colleges in bangalore.

This is only possible with the efforts of the principal, staffs and guest lecturer.

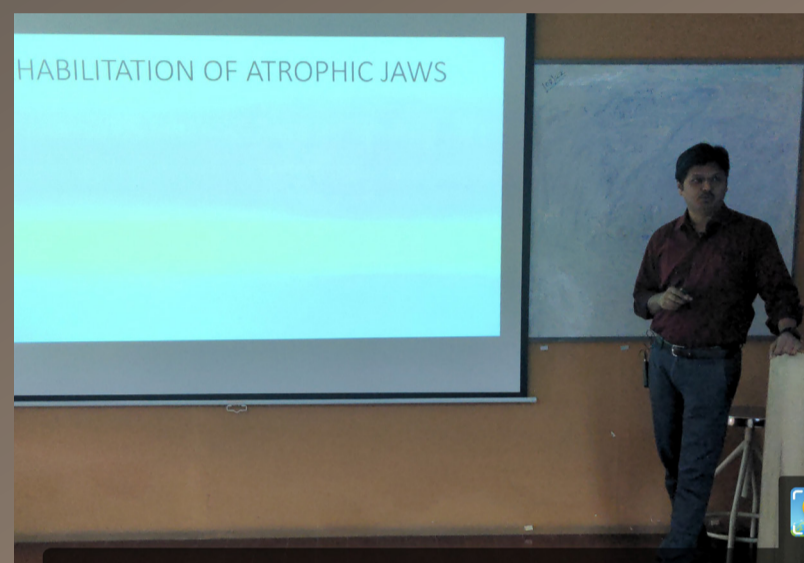

“ There is no greater honour on Earth than to share one's wisdom with those who seek it”

CULTURAL

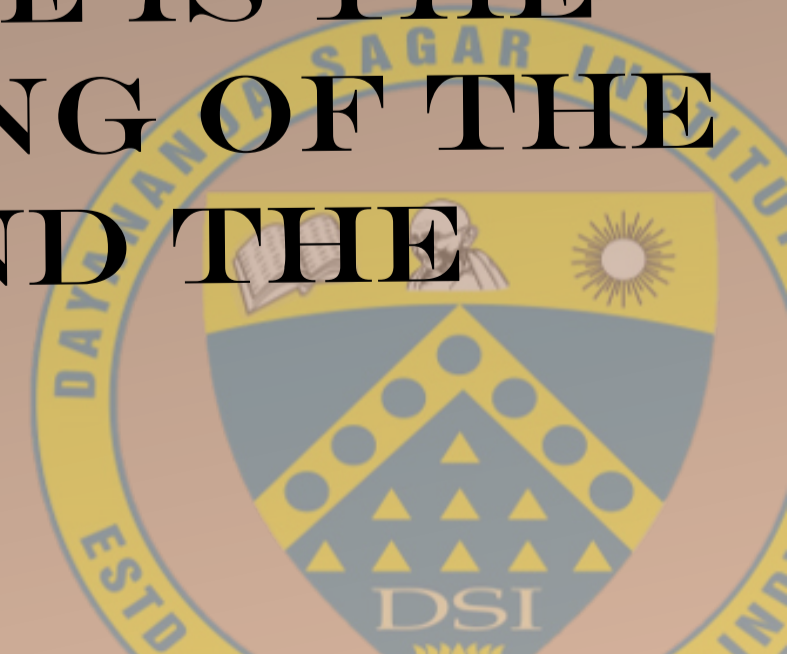

CULTURE

Culture as a term is very rich and deep. It has a very broad range of other parts of a region or country that constitutes the formation of culture. Culture can also be referred to as the way of living and the way a society

functions. People from all around the world are a part of DSCDS. So here we celebrate each and every occasion to know and explore all the culture with full open heart.

CULTURE IS THE WIDENING OF THE MIND AND THE SPIRIT.

SPORTS

Sports assists us in building confidence, develops our personalities, and maintain mental and physical balance. Sports and games help us to tackle and learn about how to overcome difficult situations in life and keeps the body relaxed

and mind free from tension. So in DSCDS we encourage extra curricular activities. We are proud to say our dental team is not only sharp in class but also in the ground....

“Some people want it to happen, some wish it would happen, others make it happen.” – Michael Jordan

The Greatest Good Is What We Do For One Another.....

There are 7+ billions of people in the world and there must be those who are in need of help, be it financial, moral or medical. For that reason, DSCDS is giving an helping hand for the needy. In fact, despite the fact that we are helping others, we develop many real-life skills like Leadership, Problem-solving, Effective time management, Interpersonal communication, Close collaboration with different people, etc.

DSCDS has satellite centres in the following locations: Primary Health Centre Konankunte. Urban Primary Health Centre Kumaraswamy Layout, Govt. Maternity Hospital N.R.Colony, Hosakerehalli Referrel Hospital, Abalashrama. WE also conduct dental screening/treatment camp at schools, rural villages etc. In this year, a total of approx. 56 camps have been conducted till today.
