Great Moments

Seven thousand professionals from over a dozen disciplines and specialties will be seen marching out from the portals of the DSI Campus

Registration is mandatory for participation in the event

Guidelines for registered participants:

Men: White full-sleeve shirts with dark-coloured trousers, preferably blue, grey, or black, matching socks, and polished black shoes, belts, and ties. Coming dressed in a full suit is strongly recommended.

Women: Sarees of an individual's choice with appropriate footwear.

Overall dress sense: This should conform to the needs of the solemn occasion. The internal and external response should reflect the mood, dignity, maturity, and ambience of the event, which all of you possess. As a grown-up citizen, you now demonstrate a new culture and feeling while walking out of the campus as a proud DSIan, having crossed a critical milestone.

Registration: Please report to the campus at 2:00 PM on the scheduled day for registration. Kindly register your name at the main entrance or in your respective department upon arrival.

You are requested to confirm your participation and indicate whether your parents will be attending the event and dinner to your respective HODs/Principals within the next two days.

Graduation March: Participation is mandatory. Participants are to assemble at the identified place – earmarked for each branch/department. The department head will lead the march and the respective faculty of the department will walk alongside the students to ensure an orderly march.

Seating: You will occupy the designated seats in the three specially erected grandstands on the football ground for engineering and all other programmes. The grandstands will ensure appropriate seating. You would be invited to go on stage to receive the gold/silver medals if you are a university rank holder, a College/Department Topper. All participating graduates would be invited to go on stage to receive the certificate for completing the academic program.

Friday the 30th October 2026 : The sequence of events

02.00 PM
