Library & Information Centre

"User Education Program"

The Library User Education Program was successfully conducted in two separate sessions for Undergraduate (UG) and Postgraduate (PG) students of our college. The sessions were held on **2nd November 2023** and **11th December 2023**.

The primary objective of the program was to familiarize the new students and faculty with the library's facilities, resources, and services. The session aimed to guide them on how to effectively utilize the available resources and make the most out of the library services.

Highlights of the Program:

Introduction to Library Services and Resources: The session was led by Mr. Narasimha Murthy A V, Librarian of our college. He delivered an insightful presentation about the various facilities available at the library, including the Online Public Access Catalogue (OPAC), e-resources available through HELINET, and various other databases.

1. **Library Facilities Overview:** He introduced the students and faculty to the layout of the library, its various sections, and how to access different resources. He emphasized the importance of understanding the library structure to save time and improve efficiency when using the library.
2. **Utilizing OPAC and E-Resources:** A significant part of the session focused on guiding the students on how to use the **OPAC (Online Public Access Catalogue)** to search for books, journals, and other physical resources available in the library. In addition, the students were educated about the **e-resources** available through **HELINET Consortia**, which provides access to a wide range of online journals, e-books, and databases.

PRINCIPAL
Dayananda Sagar College of Dental Sciences
Kumaraswamy Layout,
Bangalore - 560 078.

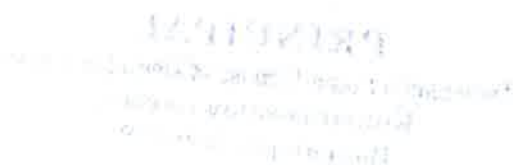

3. **Support and Services:** Mr. Murthy also highlighted the various support services provided by the library, such as assistance with research, reference services, and help with accessing digital content. The session provided clarity on borrowing procedures, renewing books, and the library's rules and regulations.

The session was very well received by the new students and faculty. It served as an excellent introduction to the rich resources available at our college library and helped the attendees gain confidence in using these resources effectively. The students appreciated the practical tips provided on how to efficiently navigate the OPAC and access e-resources, which will be beneficial for their academic work.

Overall, the library orientation program successfully achieved its objectives, providing valuable knowledge to the new UG and PG students about how to utilize the library's extensive resources and services. The feedback received from the participants indicates that the session was both informative and helpful, and it is expected that students will make full use of the library's offerings in their academic pursuits.

The Library User Education Program has been an essential initiative to ensure that students and faculty are well-equipped to navigate the library resources, enhancing their academic experience. We look forward to continuing such sessions in the future to help our academic community make the best use of the library.

Dear Sir,

I hope this email finds you well. I'm delighted to confirm the upcoming EBSCO training session as per the mandate from RGUHS HELINET Consortium scheduled for:

Name of the Institution	Date	Time
DAYANANDA SAGAR COLLEGE OF DENTAL SCIENCES	15-12-2023	02:30 PM

I sincerely appreciate your interest in our training program, and we are eager to share our knowledge and expertise with you.

Kindly acknowledge the email and provide an alternative contact. This will help to coordinate my visit to your esteemed institute.

HELINET - Health Science Library & Information Network conceived by the RGUHS since 2002. The HELINET Consortium was started with a vision to improve the quality of education and research in the colleges affiliated to RGUHS in the state of Karnataka through enhanced access to high quality medical literature. HELINET's goal is to deliver information to user's desk-top, with round-the-clock-access. The Consortium has successfully accomplished the task of developing an e-journal and e-book consortium and a resource sharing model that networks 660+ health sciences colleges in the state of Karnataka RemotLog | Rajiv Gandhi University of Health Sciences (RGUHS).

Understanding of EBSCO's features and how to maximize its potential for their research and academic needs.

Agenda of the session:

The training sessions will cover a range of topics designed to empower faculty, librarians, and staff with the skills and knowledge needed to maximize the benefits of EBSCO resources. The key training objectives include:

- **Introduction to EBSCO & subscribed e-resources:** Overview of the various databases and electronic resources provided by EBSCO. Understanding the scope and relevance of EBSCO content to academic research.
- **Effective Search Techniques:** Hands-on guidance on using advanced search features to retrieve relevant and targeted information. Tips for constructing effective search queries to optimize research outcomes.
- **Navigating Tools & features :** Familiarization with the user interface of EBSCOhost and other relevant platforms. Exploring features such as citation tools, saving searches, and setting up alerts for new content.
- **Access and Authentication:** Understanding access protocols and authentication methods to ensure seamless access for authorized users. Troubleshooting common access issues.
- **Customizing Search Profiles:** Creating personalized user accounts and profiles to enhance the user experience. Tailoring search preferences to individual needs and preferences.

Requirements:

To make the most of the training, please ensure that users carry laptop & mobile devices and arrange the session in computer lab with internet access. **Training duration will be 1 hour.**

Kindly arrange the Internet Connectivity /LCD Projector (HDMI), Microphone for the smooth training.

I'm looking forward to meeting you and supporting your research journey with EBSCO. If you have any specific questions or topics, you would like us to cover during the training, feel free to reach out to us before the session.

We encourage you to reach out to us with any questions or concerns you may have, and we will do our best to assist you in any way we can.

I am always there, if any assistance is required.

Thanks & warm regards,

M S Srinivasa

Annexure – I

The library advisory committee of Dayananda Sagar College of Dental Sciences organized a HELINET consortium: EBSCO database training for the faculty and post graduate students.

The event commenced with a warm welcome extended by Mr. Narasimha Murthy AV, the member secretary of library advisory committee, he graciously introduced the guest speaker Mr. M S Srinivasa and a Tulsi sapling was handed over to the speaker by Dr Savita AM, Associate Dean PG and Professor and Head of the department of Periodontology.

The speaker gave a brief lecture and also conducted a workshop on the EBSCO resources in HELINET, demonstrated the login procedure for EBSCO through the website <https://rguhs.remotlog.com/>. The username and password were shared to everyone. He showed the various features present in EBSCO for easy search of the dental collection, including the search for images.

The training session witnessed active participation from enthusiastic post graduates and staff members, all eager to enhance their understanding of EBSCO's dental resources. Furthermore, an online feedback mechanism was taken to gather valuable insights from the attendees, ensuring continual improvement for future sessions. e-certificates were sent to all the participants through their mail id's, recognizing their attendance and engagement during the session. At the end of the session, as a token of appreciation memento was handed over to the speaker by Dr. Savita AM and Dr. Ramnarayan BK Associate Dean Admin, acknowledging his valuable insights.

Overall, the EBSCO Dental Collection Training Session proved to be an enlightening experience, providing attendees with a deeper understanding of dental e-resources and research tools offered by EBSCO. The support and active involvement of both the speaker and the attendees contributed to the success of this informative session.
