STUDENT SUPPORT, WELFARE AND GRIEVANCE REDRESSAL COMMITTEE

Dayananda Sagar College of Dental Sciences has been proactive in taking measures against Hepatitis B risk amongst the students and staff. The student support, welfare, and grievance redressal committee (SSWGRC) of the college along with Mr. Prashanth and team from Healthways, took up the responsibility to arrange for complete course of Hepatitis B Vaccination for all 1st BDS and 1st MDS students 2022-23 batch and booster dose for other students and staff. The vaccine was administered in 3 doses at 0, 1 and 6months interval on 15/02/23, 18/03/23 and 19/08/23 respectively, between 10.30 am- 12 pm in Department of Oral and Maxillofacial Surgery. The schedule for vaccine administration was circulated in the students and faculty whatsapp group well in advance and classes for the students were suspended on the scheduled date and time.

On occasion of "National Immunization Day, a program was organized on 18/03/23, in seminar hall of Department of Oral and Maxillofacial Surgery. Knowledge about the importance and benefits of vaccination was discussed with the students.

We have successfully administered full course of vaccine for 42 students and booster dose for 7 teaching staff and 3 non-teaching staff. Vaccination reports were generated after each dose and a final vaccine certificate at the end of 3rd dose. Students were provided with a link and instructed to follow the guidelines to download the vaccine certificate from Healthwayz website. Under the able guidance of our principal Dr.Hemanth and Dr.Vinod Rangan, Member secretary, SSWGRC the vaccination drive for the year 2023 was successfully completed.

The student support, welfare, and grievance redressal committee (SSWGRC) of the college along with Mr. Prashanth and team from Healthways, took up the responsibility to arrange for complete course of Hepatitis B Vaccination for all 1st BDS and 1st MDS students 2023-24 batch and booster dose for other students, teaching faculty and housekeeping staff. The vaccine was administered in 3 doses at 0, 1 and 6months interval on 25/11/23, 27/12/23 and 19/06/24 respectively, between 10.30 am- 12 pm in Department of Oral and Maxillofacial Surgery. The schedule for vaccine administration was circulated in the students and faculty WhatsApp group well in advance and classes for the students were suspended on the scheduled date and time.

We have successfully administered full course of vaccine for 64 students and booster dose for all the housekeeping staff. Vaccination reports were generated after each dose and a final vaccine certificate at the end of 3rd dose. Students were provided with a link and instructed to follow the guidelines to download the vaccine certificate from Healthwayz website. Under the able guidance of our principal Dr. Hemanth and Dr. Vinod Rangan, Member secretary, SSWGRC the vaccination drive for the year 2024 was successfully completed.
