(CHRISTMAS CELEBRATION, 23/12/23 - SATURDAY)

Christmas celebration was held on 23rd December 2023 in DSCDS and was graced by the presence of all staff and students.

Christmas is a glorious and joyous festival that is celebrated annually across the globe commemorating the birth of Jesus Christ. Children and adults wait all year round for this day to share gifts and happiness among friends, family and loved ones.

Therefore, this year the students took the opportunity to celebrate Christmas in our college and share love and warmth among our colleagues. We conducted various events – Secret Santa, where students and teachers exchanged gifts; ornamentation of Christmas tree. There was also a floor decoration competition where the 1st, 2nd and 3rd years decorated their respective floors beautifully which was judged by Dr. Smitha Kulkarni and Dr. Archana Naik.

A small event was conducted in the lobby which was attended by all the department heads, professors, students and non-teaching staff. The gathering was addressed by Jeff Patrick (Intern). The program ended on a good note with prize distribution and cutting of plum cake which is a Christmas delicacy.

Observed on the eighth day of the Hindu month of Bhadrapada, the festival features vibrant decorations, devotional songs, dance performances, and reenactments of Krishna's life.

Oral Hygiene Day was introduced to commemorate the birth anniversary of the doyen of Indian Periodontics, Dr G B Shankwalkar. It is celebrated on the 1st of August every year to spread oral health awareness and prevent periodontal problems.

Dental health care is one of the most neglected among many. While its importance is often underestimated, the need for regular dental care cannot be overstated. However, the lack of information on dental health awareness, attitude, oral health-related habits and behavior among the low-income population prompted us to make them aware of the oral hygiene practices. A dental health awareness session was conducted for all the attenders, housekeeping staff and gardeners of Dayananda Sagar Institutions on 1st August 2023 at Seminar Hall, Heritage building. A total of 135 Participants were present and all were given a demonstration of oral hygiene practices and the importance of inter dental brushing and flossing were explained to them.

Dr Archana R Naik, Reader, Department of Periodontology, explained different aspects of oral diseases and its importance and the impact of oral diseases on overall health was conveyed. Dr Koduru Sravani presented a talk on "Biomedical Waste Management and Segregation". A strong message on the importance of waste segregation was given to everyone.

The programme was graced by Dr Hemanth M Principal, and Dr Savita AM, Head and associate dean, Department of Periodontology. We thank our beloved Principal Dr Hemanth M for his encouragement and his mention about the consideration to provide maximum concession for the basic treatment needs.

At the end of the session Oral Hygiene samples and aids sponsored from Group pharmaceuticals and ICPA were distributed to all participants. Queries of the participants were also addressed. The audience thoroughly enjoyed the entire program and good feedback was given. A day well spent for Department of Periodontology.
